9 acres growing rocky treeland off 25 Highway (3 mi. "off"). Lot 20, Cons. 4, Esq. 100' frontage, on hydro etc. In addition, a full 500' backage on expensive trees to the West. (Quote "90 acres hardwood worth about \$20,000" unquoted.) Admitted frankly, that this attractive package may not be pure gravy since farmer with E. trees to West was recalcitrant with his help 9 or 10 years ago and in '59 to help define the unfenced boundary line, tho' not denying he made some disputed blazes in Spring '58. However, a certain amount of satisfaction is being afforded buyer by advertiser. Price \$80. acre plus any survey and fencing costs. Write only.
