

# 2000 at Hornby Ball Club's Annual Garden Party Hear Tom Common

Slightly over 2,000 people gathered at the Hornby Community Park on Saturday evening, July 18, to attend the 12th annual Hornby ball club's garden party.

Five and a half year old Atilla Galamb, who sang and played the saxophone, was a real treat for the youngsters. Tommy Common, the star of the show, along with the Country Cousins, Head and Co., the Ayretones and dancing Barbara Ballow, with Vince Mountford as master of ceremonies, made up a great evening's entertainment.

The booths were kept busy and sold out of pop, ice cream and pie. The help and co-operation of the ball players and others willing to help in getting the grounds ready and then helping to clean up afterwards was really appreciated.

A few showers of rain before the program started and then the skies looking as if it might rain any time is believed to have kept a lot more people from attending the big night in Hornby.

honor of Jim Learmont and his bride-to-be, Miss Colleen McPherson, at Hornby United church on Wednesday evening, July 15, by the congregation and neighbors.

About 60 attended and joined in playing several games arranged by Mrs. Clifford Wrigglesworth and Mrs. John Wallace.

Johnson Neelands presented them with a Bible from the Sunday School and then he and Clifford Wrigglesworth presented a combination desk and bookcase to Jim and Colleen. Jim expressed his thanks to all for the gifts.

Lunch was enjoyed by all.

## H. Craig Reid Wins On Garry Oats

Results of the Field Crop Competition on oats were released this week by secretary-treasurer of the Halton Agricultural Society, Mrs. G. E. Readhead.

H. Craig Reid headed the 17 entrants with a total of 94 points on what the judge described as "a real vigorous attractive field, good and clean." Variety of the winning entry was Garry oats. Mr. Reid will claim first prize money of \$14 in the annual competition that was judged Tuesday of this week by Elgin Laughlin, R.R. 2, Caledon.

## Trafalgar Starts 1960 School Building Project

Continued population expansion within Trafalgar has forced the township's public school board to commence its 1960 building program.

The board unanimously approved a motion requesting township council to issue debentures in the amount of \$260,000 for a new 10-room school west of the third line. It is planned to commence construction on the school this fall and it will be completed for use in 1960.

**First School**  
"This will be the first of three schools that will be built under the 1960 program," said E. J. James, business administrator. Two schools, one addition and an administration building are currently under construction, and 15 schools in operation.

However, before plans for the third line school are studied, the board will review its complete building program in a move aimed at cutting school construction costs.

**Start Investigation**  
The money-saving investigation will begin immediately with a search for a new architect to replace the firm of Barnett and Rieder, a Toronto company that has received \$2,401,628 in township business since hired in 1953.

At a meeting on June 9, the board voiced displeasure with the Toronto firm for failing to tidy up jobs without constant prodding by Mr. James.

Members agreed at that time schools built under the firm's direction have been satisfactory, but in almost every case it has been some time after the building is in operation that the project was

## W.I. Theme Is Education

"What Use is Education?" was the heading chosen for a most enlightening paper on Education by Mrs. G. Bussell at the monthly meeting of Hornby Women's Institute. We need education to gain knowledge and attain wisdom; education should be useful, she said.

The aim of education is to give students a living fund of knowledge from which they may generate ideas. Education is three-fold, courage, work and discipline. These were just a few of the points brought to mind by Mrs. Bussell.

A paper entitled Good Manners was given by Mrs. G. Robinson and a contest, Are You a Word Detective?, conducted by Mrs. Bussell was won by Mrs. J. Wallace.

Mrs. Percy Merry was the hostess for this meeting and the business part was in charge of the president, Mrs. W. Coulton. Mrs. Sampson, the secretary, is to carry on as public relations convenor. Arrangements were made for the August meeting when the members of the 4-H Homemaking Clubs will be the guests.

Mrs. G. Robinson and Mrs. W. Hamilton assisted the hostess in serving lunch.

## Church Picnic At Acton Park

The Sunday School picnic was held Saturday at Acton park. Around 60 attended.

Races were won by: under 5, David Sault, Linda Smith; 5-6-7 girls, Ann Watson; 5-6-7 boys, Bruce Corman, Danny Smith; 8-9-10 girls, Brenda Coulton, Bonnie Coulson; 8-9-10 boys, Monty Anderson, Brian Smith.

Men's shoe kick and shoe scramble were both won by Alvin Coulson. Ladies' shoe kick was won by Charlotte Smith.

Leonard Pegg and George Covedale left Friday night for St. Louis, Missouri.

Mr. Vern Johnson and Faye moved up to Sudbury and down through Flint, Michigan.

Mr. and Mrs. Bob Sault Jr. spent the weekend at Port Elgin.

Mr. and Mrs. Lloyd Tweddle from Carlisle spent Sunday with Mr. and Mrs. George Pegg.

**List Winners**  
The field of John C. Richardson, R.R. 2, Milton, placed 2nd with 90 points followed by Spencer Wilson, R.R. 1, Norval with 89 1/2 points. Other winners in order of merit, were R. A. Hurren, R.R. 2, Campbellville, Rodney Oats; C. Ricci, R.R. 1, Norval, Garry Oats; A. M. Saeuwold, R.R. 1, Burlington, Garry Oats; Brook Harris, R.R. 6, Milton, Garry Oats; G. E. **Entries Up**  
This year's entry of 17 fields was well above that of last year when only 11 entries were judged.

**Wrong Bob**  
In a front page story last week, Milton councillor Bob Reid was credited with sparking a query about train whistling. "Impossible," says Bob, "I wasn't at the meeting."

The reporter erred because on his council notes he credited the query only to "Bob". The statement came from Reeve R. C. "Bob" Cunningham.

Mr. and Mrs. Hollisworth are vacationing with relatives in North Bay and Balsam Creek.

A few from the community attended a miscellaneous shower for Mr. and Mrs. Roy Forde in Carlisle last Wednesday.

We welcome Mr. and Mrs. Shaw to the community.

## ROVER CREW NOTES

The crew took the weekend of July 4 and 5 for a weekend camp at Midland. 10 of us camped in Little Lake Tourist Camp on Friday night and on Saturday went around to Midland Bay to spend the weekend.

We covered most of Midland and Penetang while there, with some of the boys going through the old forts at Penetang. Most of our time was spent boating and swimming but on Saturday we were invited to take part in the town's celebration of the Queen's visit.

**Police Patrol**  
We acted as a police patrol helping to keep the crowd behind the roped enclosures. This gave us a ringside seat for the signing of the guest book by the Queen and for her short visit at Midland.

Unlike the rest of the scout organization, the crew will be going all summer and will be meeting every Tuesday evening at the scout hall.

On Tuesday, July 14, an investiture service took place at Rattlesnake Point. Ken Marsh was invested as a Rover and Vic Auger was invested as a Scout.

**Plan Dance**  
The Rangers and Rovers will be holding a dance on August 15. The dance will be called the "Double R Summer Frolic". All age groups are welcome to attend and members of the Rangers and Rovers will be selling tickets shortly.

Both the Rangers and the Rovers are still in their infancy as far as the make-up of their organization goes. We feel that this is giving the teen-age youth of Milton a chance to have get-togethers under supervision instead of hanging around on street corners. Your support of our dances and other money making causes is badly needed.

**Raising Funds**  
Both the Rangers and Rovers have some good projects in mind but they all require capital. Rather than make an appeal for funds, we are doing all we can to raise this money in other ways. The Rover crew will be making a house to house canvass selling flower bulbs for fall planting. These bulbs come direct from Holland and are imported by Van Erk Bros. who supply various clubs in Canada and the U.S.A.

Later on the crew will run a scrap metal drive. So help the youth to help themselves. Support their dance. Buy your flower bulbs from them and save the scrap metal.

## POET'S CORNER

**HELPFUL ADVICE**  
Sometime when you're feeling important,  
Sometime when your ego's in bloom,  
Sometime when you take it for granted  
You're the best qualified in the room.  
Sometime, when you feel that your going  
Would leave an unfillable hole,  
Just follow this simple instruction  
And see how it humbles your soul.  
Take a bucket and fill it with water,  
Put your hand in it up to the wrist;  
Pull it out; and the hole that's remaining  
Is a measure of how you'll be missed.  
You may splash all you please when you enter,  
You can stir up the water galore  
But stop, and you'll find in a minute  
That it looks quite the same as before.  
The moral of this quaint example  
Is do the best you can;  
Be proud of yourself, but remember,  
There is NO indispensable man.
