HALTON MANOR

Resume Services in Chapel Films Introduce Movie Nights

The first service in the fall and winter chapel services to be held in the chapel at the Manor was held on Sunday afternoon, September 13, with Rev. E. Orsborn as the minister and Mrs. Lockie as the pianist. After reading as the scripture lesson the first 11 verses of chapter 21 of the Book of Numbers, Mr. Orsborn delivered a fine sermon on the words: "They pitched their tents in the wilderness toward the sun-rising."

Mr. Orsborn first explained the geographical background of this chapter of Numbers and then described the wanderings of the Israelites for 40 years in the wilderness when they were on their way from Egypt to the land of Canaan. When they pitched their tents toward the sun-rising, they were gazing toward the land of Canaan. Like the ancient Israelites, we need courage and faith with which to face discouraging situations. By the exercise of deep faith like that of the early Israelites, we Christians can find quietness of soul.

About 25 men and women residents enjoyed 13 games of bingo, with Mrs. S. Allen calling the numbers, on Thursday evening, September 17. One lady and one gentleman, Mrs. M. Smythe and Mr. Jim Begley, won three prizes each, while one lady, Mrs. M. Forbes, won two prizes. One prize was won by each of the following: Mrs. R. Tinline, Mrs. O. Howard,

Mrs. E. Fisker, Mrs. E. Langhorne and Mr. Norman Viggers.

First Movie Night

Saturday evening, September 19, was the first "movie night" in the fall and winter season of entertainment at the Manor when Mr. S. Allen, the superintendent, ran the projector in the showing of three separate films.

The first film, a colored film, bore the title, Australia's Coral Wonderland, and had been made by the Australian Film Board. It showed the tropical fish, turtles and other forms of sea-life that abound in the waters around Australia's Great Barrier Reef.

The second film, in black and white, bore the title, Here's Hockey, and described the various aspects of this Canadian national pastime. After showing how young Canadians are coached in the game in their own home towns, the film ended with some very exciting scenes from an N.H.L. game in the Montreal Forum.

The very great intelligence of the Australian sheep dogs in the herding of sheep in that continent "down under", and the methods by which this intelligence is put to practical use was the subject of a very appealing film called Man and His Dog, also made by the Australian Film Board.

Harvest-tide Sunday

The regular church services which had begun on Sunday,

September 13, were continued on Sunday, September 20, with a service conducted by Rev. D. A. Powell, rector of Grace Anglican church in Milton. As an introduction to his sermon, Mr. Powell stated that this Sunday was Harvest-tide Sunday and that special services to thank God for His bounty were being held across the land.

Mr. Powell reminded his congregation of other gifts beyond the reaping of a good harvest that are given by God to His children. Two of these gifts are the facts that God is ever thinking of us and is ever faithful to us. These gifts, as well as the many other gifts that come from the hand of God, should teach us to be humble in the face of all circumstances and in all fields of thought and activity.

Rayner-Curtis Vows in Fergus

On September 12 at two o'clock, St. James Anglican Church, Fergus, was the setting for the marriage of Miss Muriel Alfreda Curtis, daughter of Mr. and Mrs. S. G. Curtis, to Gordon Charles Rayner, son of the late Mr. and Mrs. E. J. Rayner.

Rev. W. Campbell officiated with Mrs. G. Patrick at the organ.

Given in marriage by William Proud, the bride wore a floor length gown of white lace and nylon net over a full satin slip. Here, some of the 70 on the trip are seen admiring one of Halton's fine forest tracts, the Finney tract on Nassagaweya's sixth line north of the 15 Sideroad. In Halton they also saw a game and tree farm, and another forest tract and felling tree demonstration.
