Highway 401 to Milton will seriously affect traffic and commerc- LOWVILLE ial business.

Instead of formulating a plan for an entire rezoning of the portions of Main St. now zoned residential he suggested the board deal with zoning changes as they are requested and forget about a full scale rezoning for the present.

Opposes Planner

Assessor Frank McNiven opposed his views, stating all of Main St. east and west of the present comfor commercial expansion. He cited six applications presently before the board to have residences rezoned commercial. Board chairman Ross Pearen said the delay in dealing with these applications was holding up the progress of the
