**Gideon Camp, Business Men Lead Sunday Church Services**

Two church services that proved to be a source of inspiration to those who were present were held at the Manor on Sunday, July 3 and Sunday, July 10. The service on July 3, was held under the auspices of the Oakville-Bronte-Milton Camp of the Gideons and was conducted by Norman Hare. Mr. Hare, who possesses a very fine singing voice, led the congregation in the singing of several familiar hymns, and also sang by request, the hymn The Ninety and Nine as a solo. Walter Bissell was present and gave a word of testimony.

It was a matter of great interest to those present to have, as the speaker on this occasion, a visitor from Pretoria, South Africa, Clayton Coles. Mr. Coles has come to Canada to study for the ministry and is living in Milton at present. In his sincere and earnest sermon, Mr. Coles spoke on the topic of God's Love. He explained that God has adopted us as His children and as co-heirs of His Kingdom with Jesus. As a result of this relationship we shall some day see the glory of God.

**Business Men's Service**  
The Christian Business Men's Committee of Oakville conducted the service on Sunday afternoon, July 10. George McAllister was the leader, Ray Reimer the leader of the singing and Mrs. Arthur Hall played the piano accompaniments for the familiar old hymns that were sung. Mr. McAllister offered prayer and read the Scripture lesson from Chapter 10 of St. Luke's Gospel, beginning at the 25th verse. John

Reimer gave a short address of personal testimony and Christian experience that was impressive in its earnestness and sincerity. The sermon for the afternoon was delivered in scholarly and eloquent fashion by George Sheridan. Mr. Sheridan described the meeting between the lawyer and Jesus as told in Chapter 10 of St. Luke's Gospel, and the meeting between the rich young ruler and Jesus as told in Chapter 18 of the same Gospel. The first meeting teaches us how we must act towards our fellow human beings, but the second tells us that what is most important for us to do is to follow Christ and become His disciples.

**Holiday Treat**  
Over the Dominion Day week-end, the residents enjoyed a treat of delicious strawberries, two crates of which had been brought to the Manor as a gift from the Kinsmen Club of Oakville. This tasty and seasonal treat was very much enjoyed and remarks of appreciation were heard on all sides.

**Bingo Prizes**  
With Mrs. S. Allen calling the numbers, 12 games of bingo were enjoyed by over 30 residents on Wednesday evening, July 6. Three residents won two prizes each, Mrs. Flazman, Mary Shaw and E. Dowdle. One prize was won by each of the following: Mrs. M. Forbes, Mrs. N. Barlow, Mrs. O. Howard, Mrs. L. Campbell, Mrs. Maud Smith, Mrs. E. Fisker, Mrs. M. DeForest, Misses H. Marcy, C. Sutton and K. Hill and Messrs. A. Eaker, W. Hughes and J. Turner.

**Motorcade, Outdoor Picnic O.E.S. Treat for 56 Residents**

On Wednesday afternoon, July 13, a motorcade of 12 motor cars could have been seen leaving the driveway of the Manor and starting out upon a motor journey. These automobiles were driven by some of the ladies of the Halton Chapter No. 280 of the Order of the Eastern Star and their passengers were 56 men and women residents of the Manor. The occasion was the annual motor ride and picnic supper provided every summer for the residents by these warm-hearted and generous ladies. The Worthy Matron of the Lodge, Mrs. A. R. Coulter, was present and the delightful event was convened by Mrs. T. J. McDonough and Mrs. Frank Ruddell. The motorcade followed Highway No. 25 to Speyside, turned west to Haltonville and then south along the Guelph Line through Campbellville and Lowville to the lovely farm home of Mr. and Mrs. Maurice Readhead near Lowville.

**Picnic in Shade**  
When all the cars had arrived cold drinks were served to the residents and while these were being enjoyed, Mr. Viggers, one of the residents, played several selections on his accordion. Several picnic tables had been set up under a "spreading chestnut tree" and here the residents enjoyed a delicious picnic supper of sandwiches, tea, patty cakes and ice cream.

A speech of thanks for this wonderful afternoon with its motor-ride through some very picturesque parts of Halton County and its delicious picnic supper was given by Muriel Thompson and responded to by Mrs. Readhead, Mrs. Coulter and Mrs. McDonough. A roll of life-savers was presented to each resi-

The secretary, Ken Bousfield, read letters and telegrams from friends in Webster, N.Y., Stettler, Alta. and Stephen, N.B., who were unable to be present.

Reginald Harker Bousfield spoke of his branch of the family, dating back to the 18th century. He displayed the Irish Bousfields' coat of arms, Arthur Bousfield of Toronto spoke of the English coat of arms, which differed slightly from that of the Irish lineage.

**Halton, Peel Trust Offer 30,000 Shares**

Shareholders of Halton and Peel Trust and Savings Company are being given the first opportunity to purchase 30,000 treasury shares at \$12.00 a share. Offer expires Sept. 14. After this date, any unsold shares may be offered to the public.

**Nears Million**  
Authorized capital of the company is \$2 million and paid up capital \$699,440. Sale of the additional shares will bring the paid-up capital to approximately \$1,000,000.

President A. S. Nicholson and Vice-President and General Manager O. E. Manning point out that the sale of additional treasury stock was made necessary by the growth of the company, particularly in the last two years. Deposits have increased from \$2,000,000 in 1958 to \$8,600,000 in 1960.

The most dangerous seat in an auto is to the right of the driver. More than 80 per cent. of auto accident injuries are sustained there.

**Liability to Fine Under By-Law Unless Provisions Followed**

A \$500 fine can be levied against a number of persons as a result of the methods used in conveying and transferring lands, according to Norman Pearson, Director of Planning and secretary-treasurer of the Burlington and Suburban Area Planning Board.

**Letter Circulated**  
Copies of Mr. Pearson's letter have been sent to lawyers and real estate dealers in Burlington and surrounding areas. He stated that in the past few months the board has been asked several times if it would consent to land conveyances in areas of subdivision control after the registration of the sale has already occurred.

This practice is in direct contravention to a by-law which states that the consent of the Planning Board is required before any such transaction takes place. However, there are certain exceptions. This offence is liable to a penalty not exceeding \$500.

**Urges Caution**  
Mr. Pearson in his letter warns all those concerned in these transactions to use extreme caution. In the past an innocent third party has sometimes been involved and the Planning Board has given approval to avoid causing unnecessary hardship to them.

All solicitors and realtors are therefore earnestly advised to ensure that their clients are adequately protected and informed of the regulations. This advice is for those who act for purchasers

in particular, and if these regulations are not complied with, it may be necessary for the Planning Board to prosecute.

**Burlington Urges New Highway Signs**

Motorists seeking Highway 401 at Milton are having trouble finding it, and especially those coming from Burlington, it was noted late week.

Councillor Loron Laing said motorists leaving the Queen Elizabeth Highway frequently missed the turn onto Highways 5 and 25 at Nelson, and found themselves lost at Lowville.

Someone at Lowville's "Coulson's Corners" must have been fed up answering queries on the highway's location, and stuck up a crude sign with an arrow and the numbers "401" on it.

Council agreed to seek new highway signs from the Department of Highways.
