Milton Kinsmen pee wees came up with one of their biggest wins of the season Tuesday night, by defeating Georgetown 6-0. The Milton Catering Novice team lost 7-2 in their game while the bantam Legionnaires were hard pressed in losing 3-1.

Craig Brush and Marty Seed led the way for Kinsmen, each scoring a hat trick. David Hunter between the pipes for his first time in goal was the big hero, however, as he turned back thrust after thrust by the Georgetown side to claim a shutout in his debut. Doug Hearns assisted

Hespeler Juves Defeat Milton

A fight which broke out at the end of the second period between Don Currie of Milton Sportsmen juveniles and Hespeler's Ron Tschantz marred an otherwise good game of hockey Monday night. Hespeler won the game 4-1 with unanswered goals in the second and third periods after Bev Slessor had scored to tie the count in the first frame.

Anger Involved

Currie and Tschantz had bumped together on earlier occasions in the game and when they met just at the end of the period there was anger involved. The referees separated the two and Currie was banned from the game while the Hespeler player was given a five minute major for fighting.

Brian Hamilton was also given a game misconduct for throwing his stick at the boards after a Hespeler player had deked him nicely at the defense. Both Currie and Hamilton must appear before the executive before they can play again but there is only one more league game left for the team.

Many are Lost

Nassagaweya Reeve John Milne pointed out many motorists became lost in the Campbellville district, as the westbound motorists thought the Guelph Line cut-off would take them into Guelph. This is not the case, as the cut-off is about 20 miles from Guelph.

Discussions ended when Reeve Milne added he had just learned the Department of Highways was planning to erect a sign at the Guelph Line cut-off indicating "City of Guelph, next Exit" which would be Highway 6, the Hamilton-Guelph highway.

In a letter to the road committee, Trafalgar Police Chief F. W. Oliver requested deer crossing signs erected on the Seventh Line between Highway 5 and the Queen Elizabeth Highway.

Seek Deputy Clerk

The personnel committee is to advertise for a deputy clerk for the county. A new gown and cowl and Warden's chain of office are to be purchased for the Warden. The treasurer was authorized to forward an instalment of \$99,000 to the Georgetown Memorial Hospital as soon as 50 per cent Provincial and Federal grants have been approved. A \$24,485 budget for the Emergency Measures Organization was approved.

Balance Owing

The treasurer was instructed to contact the five municipalities which comprised the former North Halton High School Board, setting out the levies owing due to a deficiency of funds given Milton District High School following the board break-up last year. It was noted the funds may be spread over five years.

Salary of assistant assessor

Harvey Tasker was increased to \$3,500 per annum and the salary of Mrs. Anne Watkins, assistant to the county clerk, was increased to \$2,800. The remuneration of gaol surgeon Dr. C. K. Stevenson was increased to \$1,200.
