Must Witness Altogether Is Message at New Year

Mrs. Edgar Robertson was hostess to the Robertson Auxiliary of Knox W.M.S. last Tuesday afternoon. Mrs. Bell presided and opened with the theme, "What Makes the New Year New?", following with the lovely old missionary hymn, "Christ for the World, We Sing."

Eighteen members were present and answered the roll with the name of a missionary. Most gratifying annual reports were read by the respective officers, revealing quite a worthwhile year's work done by a few who had gathered together in His Name from time to time. Many calls were made on the sick and the shut-ins; copies of "Every Day" magazine were sent to the hospital and also to the Manor, and the work of mercy at Evangel Hall was aided with a substantial donation of jams, sent in October.

Hears God's Voice After another hymn, "From Greenland's Icy Mountains" was sung and the offering received. Mrs. Robertson installed the officers for 1961. Prior to the short stallion, she related a short story to all concerned. She told of the woman who never was able to do any certain job — then she heard the voice of God whisper, "You may not be able, but I am." This is God's promise to help us when we feel inadequate or "not able" to do what we are called upon to do.

The devotional was taken by Mrs. Cooke reading from Luke 10, verses 25-27, and Mrs. Bradley leading in prayer. Mrs. Yates gave the good thought for the day and paid tribute to a former member, Mrs. Charles Webster, "World for Christ."

Tips on Touring

By Carol Lane Women's Travel Authority

The minute gentlemen started chaffering their dates on busy highways, chivalry became a two-way street.

Right through the horse-and-buggy era, chivalry was a one-way proposition. Knights considered it a privilege to gouge each other in tournament for the lady fair. Sir Walter Raleigh was applauded for muddying his best cloak for his Queen. And a swain had to think twice about dating a lady he couldn't lift bodily into his buggy.

To-day, a lady's date won't even light her cigarette while he's driving—and he's absolutely right! Because safety is the first rule of etiquette for the driver. Attention to the comfort of his feminine passenger comes next.

Speed is Geared A lady, however, has a right to expect her driver-escort to walk around the car in order to open the door for her. And she should take it for granted that the heater and windows will be adjusted for her comfort, that the car will be clean, and that the windshield wiper on her side will work so that she too can enjoy the view — even if it rains. And that the speed at which they travel should be geared to her peace of mind.

On the other hand, conversation during the drive becomes primarily the lady's social obligation. Upon her rests the burden of entertaining without distracting him. And keeping quiet when she's obviously wrestling with some immediate traffic problem. The polite driver is considerate of the needs and feelings of his passenger. But the polite passenger realizes that the driver can't concentrate on her and on the road at the same time!

Devoted to Auxiliary Given Life Membership

Knox Church Evening Auxiliary held their January meeting at the home of Miss Rita Naylor. The meeting was opened by the president, Mrs. George Newell, who chose as her opening thought for the new year, the poem, "This I Know".

The singing of hymn 128, "Good Unto All Men is the Lord" followed, after which Mrs. Newell led in prayer. The responsive reading was taken from Genesis 1, verses 1 to 23.

Presentation of a life membership in the W.M.S. was made by Miss Rita Naylor to Mrs. Nellie Anderson, who has been a devoted member of Knox Evening Auxiliary for many years. The life membership pin was pinned on Mrs. Anderson by Mrs. Newell. Mrs. Anderson expressed her thanks and was warmly grateful to the auxiliary for the honor bestowed on her.

Reports Encouraging The roll call was answered by the text word "Beginning". The secretary's report was presented for adoption by Mrs. G. Carruthers. Mrs. H. Magee gave the treasurer's report. The annual reports were then presented for adoption, and proved very encouraging in so far that a great deal had been accomplished in the missionary work of the church.

Mrs. W. Bell, president of the Afternoon Missionary Auxiliary, installed the officers for the new year: vice-president, Mrs. G. M. Robinson; secretary, Mrs. G. Carruthers; treasurer, Mrs. D. P.

Reeve Heads Marching Mothers For Rehabilitation Drive Funds

The Marching Mothers, headed by Reeve Mrs. Mary Pettit and Milton Kinetite Club, will blitz Milton in a one hour campaign to collect Milton's share of the \$650,000 needed this year for the March of Dimes Rehabilitation Program.

The January 30 campaign will include Milton in the program planned for 200 other Ontario centres. The funds will be used to finance the work of the Rehabilitation Foundation here and throughout Ontario in 1961.

There are now clinics for orthopaedic patients held regularly in 11 Ontario towns. Treatment facilities for these patients are

Gildea; press secretary, Mrs. R. Mackay; Bible convener, Miss Rita Naylor; expense fund, Miss G. Holmes. After the installation of officers, the new president, Mrs. G. M. Robinson, took charge of the meeting.

Suitable Commentary The devotional portion of the meeting was taken by Mrs. M. Currie. This portion opened with the singing of hymn 74, "O God Our Help in Ages Past". Miss Currie chose as the scripture reading Joshua 1, verses 1 to 10. This was followed by a very suitable commentary.

Mrs. Robinson presented the study book on Africa, the chapter entitled "Which Way Young Africa?" This chapter proved most interesting and Mrs. Robinson presented it in a very forceful manner, making clear the many problems which face the young people of Africa. The chapter may best be summed up by the last paragraph, "Many roads are enticing Africa, promising something attractive. What is it? Can it save the soul of Africa? The symbol that God has placed on the road — the Cross of Christ and His redemption — that is Africa's only hope, as it is the only hope of any continent, race, tribe or individual."

The singing of hymn 270, "Breathe on Me, Breath of God", brought the meeting to a close, followed by all repeating the Mizpah benediction. A social hour followed in charge of Miss Rita Naylor, assisted by Mrs. N. Anderson.

Mrs. Pettit pointed out that another phase of their work, the inoculation program in Ontario has been quite successful. "Since the polio epidemic in the fall of 1959, more than half a million Salk Vaccine injections have been given and a total of 150,000 adults completed the full three injection program."

The Chief Marching Mother points out that the Milton ladies are planning the biggest campaign ever. Last year over \$1,000 was collected.
