

Robertsons Grab 13th Win In 15 Milton Loop Starts

The P. L. Robertson entry in the Milton Hockey League claimed its 13th win in 15 starts this season when they defeated Oakville Rams 9-3 on Thursday night. The other two contests have been ties and the Rams and Glen Williams took one each from the front runners. The second game Thursday night saw Hamilton Spectator swamp Gerrys to the tune of 10-2.

Sunday afternoon one of the finest games of the season was played and Hamilton Queenston Motors turned back a driving performance by Glen Williams as they skated to a 6-4 victory. The Spec. entry took it on the chin in the second game while Oakville Rams moved into sole possession of third place, one point ahead of Glen Williams with a final score of 7-2 in favour of the Rams.

Hutt Fires Three
Bill Hutt paced the P.L.R. attack Thursday night with three goals to his credit. Tom Barrett had two and singles came from Bob Sales, Ron Phillips, Skeeter Hill and Don Kearney.

Al Craib, Murray Smith, Gary Hughes and Max Lang notched the Rams goals.

Ross Tuck scored three big goals in the Spectator win over Gerrys and teammates Bob Hawkins and Ken Tuck fired two each to help. Singles went to Dave Murray, Ahdy McQuairrie and Hub Dunham. Gordie Bell and Harold Timbers were the Gerrys marksmen.

Three Two Goal Men
The top scoring trio of Joe Frasson, Bruno Delazzer and Brian MacMillan accounted for all six Queenston Motors markers in their big win over Glen Williams Sunday. A win for the Glen squad would have moved them up into second place in the league but with the loss they remain back in fourth place behind Oakville Rams, Frasson, Delazzer and MacMillan each scored two goals to claim the win. Bud Haines, notched two, singles came from Bob Webster and Jim Beckett for the Glen side.

Juve Tourney Plans Underway

Director Art Snarr announced Sunday that the annual Juvenile Hockey tournament which will enjoy a four day spread here during April, looks to be another whopping success.

"The way plans have worked out and entries have been coming in so far, there is little doubt this will be the biggest year ever", commented Mr. Snarr at a meeting which followed a record gathering of Tri-County league officials.

There is only room for two more entries to be accepted, and when these are in the program schedules will be drawn up and a massive publicity scheme will go into operation in several centres across the province. Latest team wanting to enter is from Sault Ste. Marie and this looks as if it could be the record for distance to come to take part in the tourney.

Several local merchants have been approached and have consented to decorate their stores for the four days. During the next month a planned list of ideas for decorating will be released to townspeople who wish to help.

In the accommodation department Mrs. Edith Dancocks and Mrs. Arnold McDuffe will again be in charge and it is likely the Rebekah Lodge will again tend to meals in the capable manner which they have done in the past two years.

The local service clubs have been approached in regard to giving financial assistance to help in the preparation of the tourney, which is expected to draw an estimated 2,500 people to town over the four day period.

Pee Wees, Bantams Meet Paris In Minor Playdowns Saturday

Word was received this week by officials of Milton Minor Hockey Association that their entries in the pee wee and bantam series in the O.M.H.A. are to start the first round of the eliminations this Saturday. Paris will make the opposition and the teams meet in Paris this Saturday morning, the first game at ten o'clock, the second game to follow.

The series will be two games total goals to count. The return games will be played back here on the following Saturday afternoon.

Pee Wees Pull Win
For the first time this season the Pee Wees skated to a win over Brampton. Final score in the tilt was 3-2 for the locals and it was Craig Brush, Doug Hearn and Marty Seed who did the scoring in the big win.

The Novices came through with a tie in their outing against the flower-towers and this was a remarkable feat as well. Brampton had led 3-0 early in the contest and then in the third period Kenny Parton, Ted Hood and Don Hearn scored to pull into the tie. Hearn missed the net in the final seconds only to lose out in the chance to grab a win.

The bantam contingent didn't fare quite so well in their outing, and the Brampton side skated to a 6-0 win over the locals.

The Novice entry played in Acton Monday night and is taking on all comers. There is no category in the O.M.H.A. for this age group and their hockey is limited to league play and tournaments.

Milton Midgets took an 8-3 victory over the hapless Acton crew at Acton Arena on Friday night. It was a very one-sided game with no excitement except when a disgruntled Actonian threw his broken stick at his Milton adversary

Milton Midgets came up with one of their finest showings of the season last night to skate to a 7-4 win against Hespeler. The win gave them a tie with Hespeler in the two out of three series in the league playoffs. Hespeler had won here on Monday 6-3.

The locals scored seven goals before Hespeler started to roll. Bruce McDuffe, Merv Fletcher, Ross McKersie, Brian Hilson, Bill Currie, Dave Aselton and Alan Reid scored goals for Milton in the game which was played in Hespeler.

The win, coupled with a Monday night 3-1 victory, is enough to oust Milton from the Tri-County league "B" playoffs for this season. Brian Hamilton scored the only goal for Milton Monday night.

The deciding game in the mid-jet series will be played here this Saturday afternoon at 4:30 p.m. when the local lads will give their most in an effort to win. Paul Foster played in goal for the club for the first time this year and sparked the team

Milton goals were two for Currie, two for Lawrence, two for Hilson and one apiece for McDuffe and Fletcher. This was the last game of the regular season and playoffs will start immediately.

Referee Helps
Milton Midgets lost to Hespeler in the first game of the semifinals for the right to enter O.M.H.A. competition on Monday night in Milton.

Allan Reid opened the scoring on a tip-in from Bertali and McDuffe. Hespeler tied it up when Bill Currie passed to Ross McKersie who raced in alone to deke the goalie and backhand the puck into the empty net.

Again Hespeler tied it up when Milton was short-handed and added a third in the second.

In the third period, McKersie slipped in a Hilson pass, but aided by the determined efforts of the Hespeler referee, Hespeler added two more to make the final score 5-3. Hespeler's last two goals were scored with three Milton men in the penalty box. Two with 10 minute misconducts. Only two penalties were called on Hespeler during the game. Second game of the series was in Hespeler on Wednesday night.

Legion Sports
DARTS
George Winney, the red-headed Englishman piloted his Wildcats to the top of the pile in the Dart loop. A 12-0 win they posted over Ledwiths Specials last Wednesday gave them 76 points for a six point lead over Beane Serafini's Big Boppers, in second spot. Dooney Evans' Legionnaires are next with 58 followed by Bob Bell's Misfits with 56. Tied with 54 points each are Marty Caputo's O.S.P. squad and Bruce Mountain's Mountaineers who this week tied for six points each. Back of this comes Gord Krantz' Brickers with 50; George Bundy's Firemen with 44; Bob Verrall's Juicers with 42; and in last place Nip Maskell's Ledwiths with 36 points.

C. R. BANTER: The Zone 17 cribbage playoff will be held this Saturday at Port Credit Legion. Two teams have been entered from the local branch with play to start there at 12:00 o'clock... A warning goes out to all players in the Dart league to put plenty of cotton in your ears on Wednesday nights so you won't have to put up with George Winney... He brags continually about how his team is going to take the championship this year.
