

Campbellville Drops First Tilt 1-0 Assured First place in League Though

Campbellville lost their first game of the year when they bowled to Dundas last Thursday in the Mountain Town by a 1-0 score.

It was heartbreaker for the Campbellville veteran Jack Roberts to lose as he held the Dundas squad to three hits, all single, and struck out eight while walking three in the seven inning encounter.

Pitcher Newcomer
McMillan, the winner is a newcomer who pitched for Hamilton earlier in the season. He shut the league leader out on five hits while striking out seven and walking five.

It was a scoreless tie going into the bottom of the sixth. Rowe, the first batter was safe on an error and sacrificed to second but was thrown out at the plate by Chester as he attempted to score on Lake's single with the batter going to second on the play.

Close At Plate
Wilson then singled through second and Lake scored the winning run. It was a close play at the plate for the only run of the game.

Martin, Lake and Wilson all singled for Dundas. Elmer Dredege, Ken Moore, Al Wingrove, Laverne Hamilton and Stu King

all singled for Campbellville. Footnotes—Campbellville will be out for revenge on Sunday Aug. 6th when they meet Dundas in Campbellville at 2:30 p.m.

The defending Halton Champions come right back the next day and play Acton in Campbellville on Monday Aug. 7th at 2:30 p.m. (Civic Holiday).

Campbellville has cinched first place in the league and will represent the league in the O.B.A. Intermediate "A" Major play-downs.

Milton Pee Wees Count 13-4 Win

Milton Pee-Wees trounced Acton recently for the second time to the tune of 13-4, garnering 13 hits. Acton's only four hits came in the first innings off starting pitcher Trevor Houston, but they were held hitless for the balance of the game by relievers Brush Lee.

Brush was the big gun at the bat with a triple, a single and a homer with two mates aboard. Houston also had a home run and two singles.

Borrow Players
Clement belted a triple and a single, Mountain a double and a single, and singles went to Doug, Hearn, Lee and Heatherington. To field a team the Pee-Wees had to bring up Ted Hood and Donnie "Peanut" Hearn from the Junior Pee-Wee team, and both played very well, "Peanut" spoiling Mason's chances for a hit on a grounder to left field.

Milton's pitchers managed 12 strike-outs, while Acton were unable to strike out a single Milton batter.

Open With Six
Milton opened the scoring with six runs in the fourth. They followed up with two more in the fifth and sixth and a final counter in the last time.

Campbellville spoiled McDuffe's shutout in the final inning as a walked runner was advanced around the bases and finally came in on a pass ball.

This was the final game in the series and it left Milton in second spot. They will now play exhibition games until the finals start on August 15.

Tuesday evening, July 23, was the opening of another new season of racing at Pinecrest Speedway. Most of the regular CNE drivers are now at the Pinecrest and are turning some fast times after getting their cars adapted to this track.

The "69 Racing Team" had their two cars entered and were performing well after making many adjustments.

Fifth in "A" Heat
Mervyn Colling placed fifth in the "A" Heat and third in the semi-final.

Norm Coulter drove a hard race as he won another checkered flag in the "B" heat and second in the semi-final.

In the feature, Norm's car seemed to be handling a little better than Mervyn's as they battled for several laps near the finish with Mervyn and Norm finishing sixth and seventh respectively.

In Top Order
Saturday evening, both cars were performing in top order. Mervyn captured fourth position in the "A" qualifier and had once again pushed to fourth in the "A" semi-final when a shaft broke in the rear-end, sidelining him for the remainder of the evening.

In the "B" heat, Norm drove a very clean race to finish second. He cleverly out-drove many of the higher powered cars in the "B" semi when he took the lead halfway and drove to another well deserved win.

He then entered the feature but was involved in a small mishap which broke a steering arm and was unable to finish the race.

On their annual visit to Milton's Victoria Park Sunday the Lorne Scots Military Band will be providing an open air concert at 8 p.m.

The crowd at the game was the biggest seen all season. The next contest will be on Friday. . . . eight teams have been entered in the Omagh sports day to be held on August 19; they include Newmarket, Oakville, two from Milton, Glen Williams, Lowville and Omagh.

collected seven runs to even up the score.

McCann Singles
The teams were deadlocked until the bottom of the twelfth inning. Omagh loaded the bases and Clarence McCann singled to bring home the winning run.

John Wilmott went all the way on the dirt pile for Omagh, and he took the win. Holby started for Glen Williams, but he was relieved by Tommy Peavoy in the eighth.

The big guns for Omagh were Norm Flemington who got the homer and Norm Flemington. Junior Beaumont and George Burlington were best at bat for Glen Williams.

NOTES . . . It was reported that were raised for a historical authority. He's appeared on Tabloid, CFRB and CBC dispensing diving information.

What are his plans for Milton? If there is interest he's prepared to offer free instruction in SCUBA to get the nucleus of a club formed. It would require a minimum of 20 hours instruction and pool diving before anyone would be qualified for free dives.

Costs Involved
How much is the cost involved in all this? Fortner says \$23 would cover initial equipment and it could progress to \$325.

What about the problem of swimming facilities? They'd have to look into that but Fortner was sure some facilities could be found, if not in the immediate area, certainly at Port Credit.

Interested in talking to Fortner? He left his address, 85 Clareview Heights Apartment 28, Toronto 15.

THE RURAL SOFTBALL TITLE went to Lowville Tigers for the first time in many years after a very successful season. They are presently battling it out with Nelson for play-off honors and a clean sweep. Team members are front row, Fred Hard-

Need one More Win

Milton Drub Georgetown

Milton Red Sox kept their Halton County playoff hopes alive with a 21-1 drubbing of the lowly Georgetown Cotton Bros. in a regular scheduled Sunday afternoon game at Agricultural Park.

The Red Sox clubbed Georgetown pitchers lefty J. Beckett and right hander B. McGill for 20 hits. The Sox scored in every inning but the fifth. High lighting the game was an eight run, sixth inning when Milton paraded 12 men to the plate. They capped their 21 run effort with a five run, eighth inning rally.

Nip Gervais picked up the win for Milton. "Nipper" had his tantalizing "Fork Ball" working to perfection and scattered seven hits over eight innings. Only one runner reached third base, and he scored the only Georgetown run in the fourth inning.

Gervais struck out five men and gave up two walks. John Hopkins pitched the last inning for the Red Sox and retired the side in order, striking out two batters.

Tracy Barrager, Georgetown third baseman was the only one to solve Gervais' delivery. The scrappy Barrager had two singles and a walk. Leggie, a week Georgetown leadoff man struck out three times, but proved a good glove man, handling five hard chances without an error.

Red Sox batters had a field day with Rigo and Hyatt leading the assault with four hits each. Hyatt had two triples and a double to provide most of the long ball hitting.

Doug Culby, Doug McCutcheon and Stu Hannant picked up three hits each. McCutcheon provided a couple of extra base knocks with a long triple and a double. Ron Shannon added a pair of safeties, one a nicely executed bunt that caught third baseman Barrager sleeping in the fifth inning.

DIAMOND DUST—Don Anderson playing the first six innings in left field for the Red Sox showed a good eye at the plate, walking his first two trips to the plate. . . . Milton had two snappy double plays with shortstop Stu Hannant engineering both of them. . . . Georgetown right field-

Swerves on Bridge Two Cars Collide

A two car collision occurred on Saturday after a car driven by a Brampton man swerved and went out of control after crossing a bridge on the Terra Cotta road north of highway 7.

Harry Walter Sterne of 59 Nelson St. Brampton was proceeding south on the Terra Cotta road and had just crossed a bridge when his car went out of control and collided with a vehicle driven by Kenneth Nelson South of 25 Norton Crescent in Georgetown, who was driving north.

Damage to the Sterne car amounted to \$450 while damage to the second car was estimated at \$200.

It was only in 1931 that the U.S. congress made "The Star Spangled Banner" the national anthem of the United States.

BERLIN, COMMUNISM AND CARS

Nikita Krushchey recently told President Kennedy that Berlin had become a "bone in his throat" that was choking him. It's no wonder when you look at the figures for refugees from East Germany fleeing the Worker's Paradise through that beleaguered city.

Since 1945, some 4,000,000 East Germans — one fourth of the population — have fled to the West. Since 75% of these escapees are under 45, the age group most needed to boost production, the Communists may soon have to shut down numerous factories. Diplomats in recent weeks estimate the loss of another 100,000 would necessitate this.

What are they fleeing? Take the case of the Communist motorist. If he is fortunate enough to persuade the one dealer — the government — he needs a car, it will cost him three to four years of his wages. And what a car! No comfort, no accessories, no style. And performance that isn't comparable to the lowest-priced American automobile.

Repair garages and service stations, which don't offer oil or lubrication anyway, are so rare that motorists must carry do-it-yourself kits with them. Anti-freeze is tested by tasting it and other methods are equally antiquated.

There is one advantage though — you can always find a place to park. Last year, ALL SIX Iron Curtain countries produced 241,990 cars. The U.S. alone produced six million. More than two-thirds of the WORLD'S automobiles are owned in North America and they require only ten percent of the population's income to maintain them.

If you were an East German motorist with a choice, which side would you choose?

Win Two Last Week

Juveniles Take Second Place

The Milton Juveniles wound up in second place as a result of two big wins last week over Bronte and Campbellville.

The Juveniles took Bronte on Tuesday night 9-4 as a result of some heavy hitting by Forbes and Currie. Forbes collected a triple and a single on the night and Currie got a double and a single. White also got two singles.

Don Currie started on the mound but he was later relieved by Brian McDuffe in the fourth.

Start In Fourth
Both teams were scoreless for the first three innings, but Milton came through with a big fourth to grab a four run lead. Bronte came back with three in the same inning to come within a run tying it up. Milton again broke through the Bronte defence in the fifth to score five runs

while Bronte came through with a single run. The game was called shortly afterward because of darkness giving Milton the 9-4 win.

In Sunday's contest with Campbellville, Brian McDuffe went the route, striking out 13 and allowing only one run.

Open With Six
Milton opened the scoring with six runs in the fourth. They followed up with two more in the fifth and sixth and a final counter in the last time.

Campbellville spoiled McDuffe's shutout in the final inning as a walked runner was advanced around the bases and finally came in on a pass ball.

This was the final game in the series and it left Milton in second spot. They will now play exhibition games until the finals start on August 15.

Lowville-Omagh Series Split Omagh Edges League Leaders

Lowville Tigers started the playoffs last Wednesday with an 11-5 win over Nelson. Mark Buck pitched fine ball for Lowville with eight strikeouts, allowing only three runs.

Nelson got two runs in the third and three in the ninth. Lowville's runs were scored two in the first on a homer by Stu King with Dennis Sinclair on, one in the third, two in the fourth, one in the fifth and sixth and three in the seventh on a triple by Jim Powell with the bases loaded, and one in the eighth.

Stu King was four for five scoring three runs, Chick Thompson was three for four scoring three runs, Jim Powell was three for four scoring one. Nelson pitchers were Don Taylor who started and Lloyd Vivian who relieved in the sixth and Nixon who came in, in the eighth.

Omagh Goes 12 Innings To Take First Series Win

Omagh came from behind in the third game of the Halton Rural Baseball semi-finals to take a 12 inning game 10-9 on Tuesday. The series now stands at 2-1 for Glen Williams.

The scoring opened in the third inning with both teams bringing a runner home. Glen Williams went ahead in the fifth inning by collecting two more runs to Omagh's two. In the sixth inning they broke through the Omagh defence to score almost at will, winding up with six runs and a score of 9-2.

Graham Gillies got the Omagh team back into the game, starting festivities off by collecting a four bagger. The rally began and didn't stop until Omagh had

collected seven runs to even up the score.

McCann Singles
The teams were deadlocked until the bottom of the twelfth inning. Omagh loaded the bases and Clarence McCann singled to bring home the winning run.

John Wilmott went all the way on the dirt pile for Omagh, and he took the win. Holby started for Glen Williams, but he was relieved by Tommy Peavoy in the eighth.

The big guns for Omagh were Norm Flemington who got the homer and Norm Flemington. Junior Beaumont and George Burlington were best at bat for Glen Williams.
