Set in an attractive setting the club is located on the seventh line of Trafalgar just north of Drumquoin. The first nine holes of the course were opened Saturday with the next nine to be completed this year for play early next spring.

WYLDWOOD Golf and Country Club got its first nine holes into play on Saturday with what Secretary L. G. Hie termed a good crowd. ## Intermediate Playoffs Next Week League Reschedules Rained Out Game

Playoffs in the Halton County Baseball Association's Intermediate series will get under way next week, it was reported by league heads following a meeting of club operators Tuesday night at Bronte.

Eight games which had been rained out had to be rescheduled and these will be played over this weekend with the last game of the season set for a Wednesday night tilt here with the Red Sox playing host to Campbellville Merchants.

**Finish Trips**

The Sox played in Oakville last night and then will go to Georgetown to finish off their road trips prior to the tilt here Wednesday night. They have yet to grab a spot among the top four teams in the league, who will compete for the league title before the Ontario playoffs get underway.

Acton Merchants and the Red Sox have been battling away for the final playoff spot for several weeks now and it has come

right down to the wire and each club now has three games left with a similar record in each instance.

Oakville Oaks and Dundas Athletics are in an almost identical position in their battle for second spot as well.

**League Champion**

The Halton place will be the first and third place finishers meeting in a two out of three series and second and fourth place teams the same. Winners meet in another two out of three series to decide the league champions for 1961. All this must be taken care of by August 30th so the league representatives in the various classifications can be ready for O.B.A. playdowns by September 2nd.

Bronte will be the Intermediate "C" delegate, in "B" Georgetown will carry the County laurels, in "A" Milton is the choice, in "A" Major Campbellville has made its choice while in the Senior series it is not yet known for sure which of Acton,

Dundas and Oakville will go on. In the minor leagues the Halton Association has another 28 teams with all but three of these going on into the Ontario playdowns in some classification or another.

Milton is entered in Pee Wee "B", Pee Wee "C", Bantam "B", Juvenile "B", Junior "B" as well as the parent Red Sox in Intermediate "A".

Other games scheduled in the Intermediate league show Georgetown at Acton on Saturday and Campbellville at Oakville and then on Sunday Dundas will be in Campbellville.

**Minor Playoffs**

Playoffs in the minor series will get under way next week also to ready the teams for O.B.A. competition with the winners in the various classifications to be ready to go by August 26th.

There is a total of 35 teams in the Halton County Baseball Association this year, an increase of seven over 1960 and 12 more than in 1959.

Located on the seventh line of Trafalgar, north of Drumquoin, the first nine includes three holes that cross the river and one on the back nine crosses the river twice.

Plans call for completion of the second nine late this fall in time for play on the full 18 by next spring. Leaf goalie Jerry McNamara was out on Saturday to try the greens and fairways and promises some return visits.

Lowest score noted on the nine was 46.

## Rain, Rain, Rain Stalls Sox Washed Out Last Night Too

**Washed Out Sat.**

Last night (Wednesday), the Sox had their third straight

game cancelled against the Oakville Oaks. The date for this replay has not yet been set.

Acton with a 9-13 win and loss record and the Sox with a 9-12 record are staging a battle for fourth place. Acton's remaining two games are with Dundas and Georgetown, while the Sox tangle with the first place Campbellville Merchants, Oakville Oaks and Georgetown.

Gary Field went three hitless innings as he walked one and struck out five. In one inning Harry Hamilton held Acton hitters and struck out two.

Moore went to third when Wingrove singled and both men came in when Henderson singled sharply into left.
