NEW BRIDGE under construction on the seventh line of Trafalgar will replace a narrow bridge that has been removed. Now under construction the bridge is located just north of Drumquin. Traffic is detoured through an adjacent field during construction.

EBENEZER

Rev. R. Hadcock Inducted S.S. Picnic Braves Rain

Ebenezer Church was well filled for the induction service, when Rev. Robert Hadcock was inducted into the Ebenezer pastoral charge.

Rev. Sherwin of Guelph, who was on the pastoral relations board, spoke a few words of welcome to Rev. and Mrs. Hadcock.

Rev. Connor of Rockwood delivered a very inspirational address, the theme being "We must walk humbly with God." He counselled the people of the

charge saying, that being helpful and less critical was a good motto.

Ross Gordon, layman representing presbytery, read the scripture and Rev. A. E. Black of Guelph performed the induction ceremony.

After the induction ceremony Rev. Hadcock spoke a few words and said he felt they should be very happy on the charge and that he hoped everyone would work together for God. A get acquainted gathering in the basement with refreshments followed the service.

S. S. Picnic
Ebenezer Sunday School picnic was nearly rained out. However, the sun came out for a short time and the dinner and races were run off in a hurry. The picnic was at the Water Falls playground and a very good turnout despite the weather.

The race results are as follows: boys and girls, 5 and under, Elleda Ward, Brian Wilson; girls 6 and 7, Jan Mahon, Leslie Dunbar. Girls 8 and 9, Rosemary Patterson. Boys 8 and 9, David Dunbar, Ray Chappelle. Girls 10 and 11, Carol Thomson and Sharon Britton; boys 10 and 11, Robbie Blyth; girls 14 and 15, Susie Richardson, Pat Smith.

Boys 12-14, David Ward, Dean Moffat; girls 15 and over, Joy Hayward, Margaret Marshall; boys 14 and 15, Bill Diamond, John Bewley; boys 15 and over, Allan Hayward, Doug McLean. Everyone enjoyed swimming in the rain.

OBITUARY

Served on Council 17 Years E. Ford Active in Community

A wide circle of friends and relatives were greatly shocked to hear of the passing of Emerson Coyne Franklin Ford at Milton District Hospital on Thursday, July 27, 1961.

He was the youngest son of the late Mr. and Mrs. John F. Ford of Trafalgar and beloved husband of Eva E. Fee, dear father of Earl E. Ford of Seattle, Washington and Joan (Mrs. Herbert Callihoe), Calgary, brother of Wilbert E. and J. A. Clarence Ford of Milton and Estelle M. Ford, Reg. N., of Toronto, grandfather of Lynn Marie Ford and John Herbert Callihoe.

Served 17 Years
Mr. Ford, a prominent dairy farmer, always had the welfare of the community at heart, giving of his time unselfishly, serving for 17 years as councillor, deputy-reeve and reeve of Trafalgar township. While reeve, he was a member of the Oakville-Trafalgar high school and Oakville-Trafalgar hospital board, besides many other organizations.

Still Active
At the time of his passing, he was a member of the Trafalgar committee of adjustment, one of the directors of the Halton Fire Insurance Co. and a member of the Masonic Lodge.

Mr. Ford was a faithful and active member of Bethel United church, Drumquin, where for many years he served as superintendent of the Sunday School. He was an elder of the church at

THE 1961 MODEL CLEANUP

If there is one consistent tradition among North American car buyers, it is that the best buys in new cars are to be obtained in the two or three months before the introduction of next year's models.

The reasons are common knowledge with today's informed motorists - dealers are anxious to clear the decks for the incoming '62 models and are prepared to offer better deals on cars that are still as new as they were at the turn of the year but which space and finance restrictions make it necessary to move off their lots.

1961 offers one significant difference from the last few years though: cautious reaction to the upswing in our economy of the last few months has resulted in dealer stocks being much lower than in previous years. Factory production, for instance, is an average 28% below the first six months of last year.

In a word, there are fewer new cars on hand in dealer stocks or still on order this year than for years past. The early bird, will get the best selection.

In addition, the used car market of the past few months has been a good one. This means that a dealer can secure a better price on resale for your old car and is therefore prepared to offer you more.

Trafalgar Motors is planning early clean-up of its 1961 models with liberal allowances, accompanied, of course, with the same reputable dealing and service follow-up as usual.

Film Reveals Milton Industry To Nassagaweya W.I. Members

Mr. and Mrs. T. C. Amos welcomed the members and visitors to the regular meeting of the Nassagaweya W.I. on Wednesday evening of last week. For this meeting, the conveners of Canadian Industries, Mrs. A. Gates and Mrs. I. Richardson presented a very interesting film "Something for Uncle Ben".

Mrs. M. Moffat, the President, called the meeting to order in her usual interesting way. The members answered the roll call by telling "How I use Cheddar Cheese in Our Home". During the business discussion it was decided to buy two new 16 cup coffee percolators to be placed with the kitchen equipment at the Hall.

A booth for Ivan Richardson's sale was arranged.

The Fall Fair committee reminded the ladies of articles to be brought in for the display. Leaders for the next 4H club and for the Senior project "Sew to Save dollars and make sense" will be decided at the next meeting.

Mrs. Gates explained that the film she had obtained showed the kind of work being done in the county at Milton at The Matthew Memorial Bronze. "Something for Uncle Ben" was the

TIPS ON A FAST, SAFE START FOR CALVES

Heifers on the Purina Farm calve 4 to 8 months ahead of average. That means they give around 3,000 lbs. of milk before most heifers have even started producing. Why don't you try it!

1. As soon as the calf is dropped, cut off the navel cord about 2 inches from the calf's body and soak the stub in iodine to prevent infection.
2. For the first three days leave the calf with the mother so it can get the first colostrum milk which helps regulate the digestive system. Milk to even pressure in all 4 quarters, but do not empty udder completely. Guard calf against draughts and dampness.
3. For the next ten days, keep calf in an individual pen. Pen should have clean bedding and be disinfected with Purina Disinfectant before calf is moved in.
4. On the fourth day start feeding Purina Nursing Chow in gruel form 1 lb. replaces 1 gal. milk. Continue for four weeks. Calf should have clean water and rock salt available free choice.

5. Self-feed Purina Calf Startena from 4 days to 4 months, adding bright leafy hay at 2 months.

6. After 4 months change to a Purina heifer growing program.

Why not give me a call, or drop in at my Store with the Checkerboard Sign and let me tell you how Purina feeding has been paying off for many of your neighbours.
