tal on Friday and is improving rapidly.

Organizations Conduct Services Residents See Game in August

By Miss Muriel Thompson
The residents of the Manor are indebted to two organizations for having arranged church services in the Chapel for all the Sundays in July and August. These organizations are the Gideons of the Oakville-Milton Camp and the Christian Business Men's Committee of Oakville.

On Sunday afternoon, August 6th, the Christian Business Men were in charge of the service. Garfield Brown led the singing, with Mrs. Brown at the organ. George McAllister delivered the sermon, the theme of which was Christ as the Good Shepherd. He drew upon verses in Chapter 53 of Isaiah and Chapter 10 of St. John's Gospel, as well as Psalm 23 to describe what a good shepherd in Biblical times did for his sheep and what Jesus, the Divine Shepherd, can do for us today.

Salvation Army
The service on Sunday afternoon, August 13th, was conducted by the Oakville Corps of the Salvation Army. Andrew Dalby, a member of the Oakville Gideons, was on hand to introduce Lieut. and Mrs. C. H. Williams, the officers in charge of the Corps, to the congregation.

The Army brought its own hymn book, Songs of Salvation, with it and a number of familiar hymns were sung. These were accompanied by Gordon Castle at the organ and by a small band of seven instrumentalists. Two young girls also played the timbrels for some of the hymns.

Musical Numbers
Six ladies belonging to the Army sang the musical number, "Heart-aches," a male quartette sang the hymn "When I Survey the Wondrous Cross" and the band played several numbers.

A very welcome guest was Mrs. Don Ballantine of Windsor, Ontario, who is a sister of Lieut. Williams. She sang a very fine solo, a new setting of a familiar hymn, "What a Friend We Have in Jesus".

Personal Testimonies
Mrs. Williams offered prayer and several personal testimonies were given. Lieut. Williams based a brief sermon on Verse 8 of Chapter 13 of Hebrews, stressing the thought that Christ is the same yesterday, today and forever.

At Softball Game
On Sunday afternoon, August 13th, a number of the men residents attended a softball game at the Meter Plant, diamond in Milton. It was a game between the Bell-Air and Meter teams, both of which belong to the Milton Industrial Softball League. Transportation was provided and every care was taken of the residents.

Each resident was presented with a cigar during the afternoon.

The residents enjoyed the game very much and appreciated the generosity of the men and ladies who made such a pleasant afternoon possible.

Chapel Service
On Sunday afternoon, August 20th, Mr. Dalby was again the welcome leader at the Church Service in the Chapel. He introduced Rev. M. Christensen of the Highway Gospel Church in Milton as the speaker. Mr. and Mrs. John Cheeper, who are members of the same church, provided the music for the service. Mrs. Cheeper played the organ for the singing of the hymns and accompanied Mr. Cheeper when he sang a very enjoyable solo, "The Old Rugged Cross". Mr. and Mrs. Cheeper also sang a fine duet, "I See a Crimson Stream".

Mr. Christensen delivered an interesting and consoling sermon with the theme "Asking", which he based on Verse 14 of Chapter 14 of St. John's Gospel.

Mr. Christensen pointed out that in this verse Jesus was speaking to His disciples and in the same way He speaks to us today, telling us that if we ask a favor in His name, it will be granted to us.

Gideon Service
Four staunch friends of the residents came to the Manor on Sunday afternoon, August 27th, to conduct the Church Service in the Chapel. These friends were three Gideons, Stanley Wright, A.

Dalby and Norman Hare, and one lady, Mrs. Norman Hare, who played the organ. Mr. Hare sang two very enjoyable solos, "In Times Like These", and "The City Four Square".

Mr. Wright was the speaker, and before delivering his very earnest sermon, he read part of Chapter 9 of Isaiah. He based his sermon on this portion of Scripture and on verse 2 of Chapter 12 of Isaiah.

Second Coming
Mr. Wright explained that Isaiah foretold the coming of Christ some eight hundred years before Christ's birth. Christ often spoken of as the Prince of Peace, yet in our present age, nearly two thousand years after His birth we have more fear, more turmoil and more wars than ever before. Peace will come only when Christ comes again, and so the hope of the nations is in the Second coming of Christ.

Rain Cuts Water Use No Restrictions

Thanks to oodles of rainfall this summer and a new million gallon town reservoir, residents have made it through the summer without any water restrictions.

Town foreman Bruce McKerr said "we see no need for restrictions this year." Because of the ample rainfall residents haven't needed to hose the lawns and gardens as often, and because of the larger reservoir of water on the mountain, the pumps have never been overworked.

Hornby South Chefs 4-H Girls Represent County at Toronto

By Mrs. C. Patterson
Wednesday August 23, was a big day for 4-H Homemaking girls of Ontario for on that date 173 girls from 16 counties and nine districts from the far north registered at Margaret Addison Hall for a three day visit to Toronto and the C.N.E. Wednesday morning was taken up in registering and setting up displays in the Maurice Cody Hall on Bloor St.

14 Counties Exhibit
For the afternoon session Miss F. Eadie of the Women's Institutes Branch welcomed the girls leaders and other friends attending, after which a program was given. Fourteen counties had exhibits and each commentator gave a three minute talk on her club exhibit. Eleven counties had demonstrations. In this case a team of two girls working together would explain and demonstrate their given subject. These were all well prepared and very interesting.

Hornby South Debuten chefs had the honour of being chosen to represent Halton county at this event. The exhibit was "various ways with one fruit" and the commentator was Miss Betty Lawrence.

Interviews Girls
During the afternoon George Atkins of the C.B.C. radio visited the meeting and brought greetings and congratulated the girls on their success. Later he interviewed girls from five counties on their displays. These were taped and the recording was played on the Junior Farmer programme on Saturday August 26, at 12.30 p.m.

Halton county representative Betty Lawrence was one of the girls he interviewed and friends in this district were pleased to hear Betty on the air.

At C.N.E.
At 4.30 p.m. on Wednesday the girls were given passes to the C.N.E., tickets for a tasty chicken

supper and tickets for the grandstand show. Councillors and chaperones were in charge of groups of girls. Thursday morning was spent in judging and later all attended the exhibition. Three glorious, happy holidays well worth striving for and these are given each year to 4 H girls who qualify and are deemed worthy. A girl must be sixteen years of age and have taken six units. Several young ladies from Halton attended this year. The ones from this district are Miss Barbara Break and Miss Betty Lawrence, both are from the Hornby South Debuten chefs. On their return they reported having a wonderful time.

Halton First
Halton was the first county to have the new project "Featuring fruit." This was completed in the spring unit. The Star photographer took a picture of Miss Joanne Patterson as she assisted in setting up the display from the Hornby South club and this was in the women's section of the Toronto Star on August 24.
