Legion Notes

Monday night is annual election night at the Branch and gives every member a chance to turn out and vote for the man he thinks best suited for a position. There are some 89 nominations for 18 positions and while many of these are repeats, a good part of the membership is represented in the nominations. The usual dinner starts at seven o'clock and the meeting starts at 8.30, so if any members want to come down just for the elections, be there at 8.30.

Santa Here
 Santa Claus arrived Saturday amid a lot of fuss and mass confusion as is usual with an affair of this type, but the expressions of the youngsters along the parade route and in the arena must certainly give the men who spend many hours of their time organizing and presenting the big show, a real gleam of satisfaction. The question has been put forth in other years as to whether it is a good idea to use the arena when it is always packed for the show, and it cropped up again this year. Certainly it tops off a fine effort by these gentlemen and while it likely would take a lot of work off their shoulders by not using the rink and passing the candy out along the street, I imagine

they will still continue to use it to the delight of the young crowd especially. Not only that, it is the only time when the arena is packed to over flowing.

DARTS
 Marty Caputo's O.S.P. team is tops in the Industrial Dart League this week with 24 points after taking 10 against Howell Hopkins' Rebels.

Fallingbrook and Legionnaires, captained by Harry Watt and Dooney Evans respectively, tied for six points each and remained tied in the standings with 20 points each. Norm Pocock's Rivets claimed eight points against Nipper Maskell's Ledwiths to move into a tie for the next position with 18 points. Champion Boppers tied George Winney's Wildcats 6-6 to stand at 16-16 in the standings and in last place the inexperienced Rebels squad has 12 points.

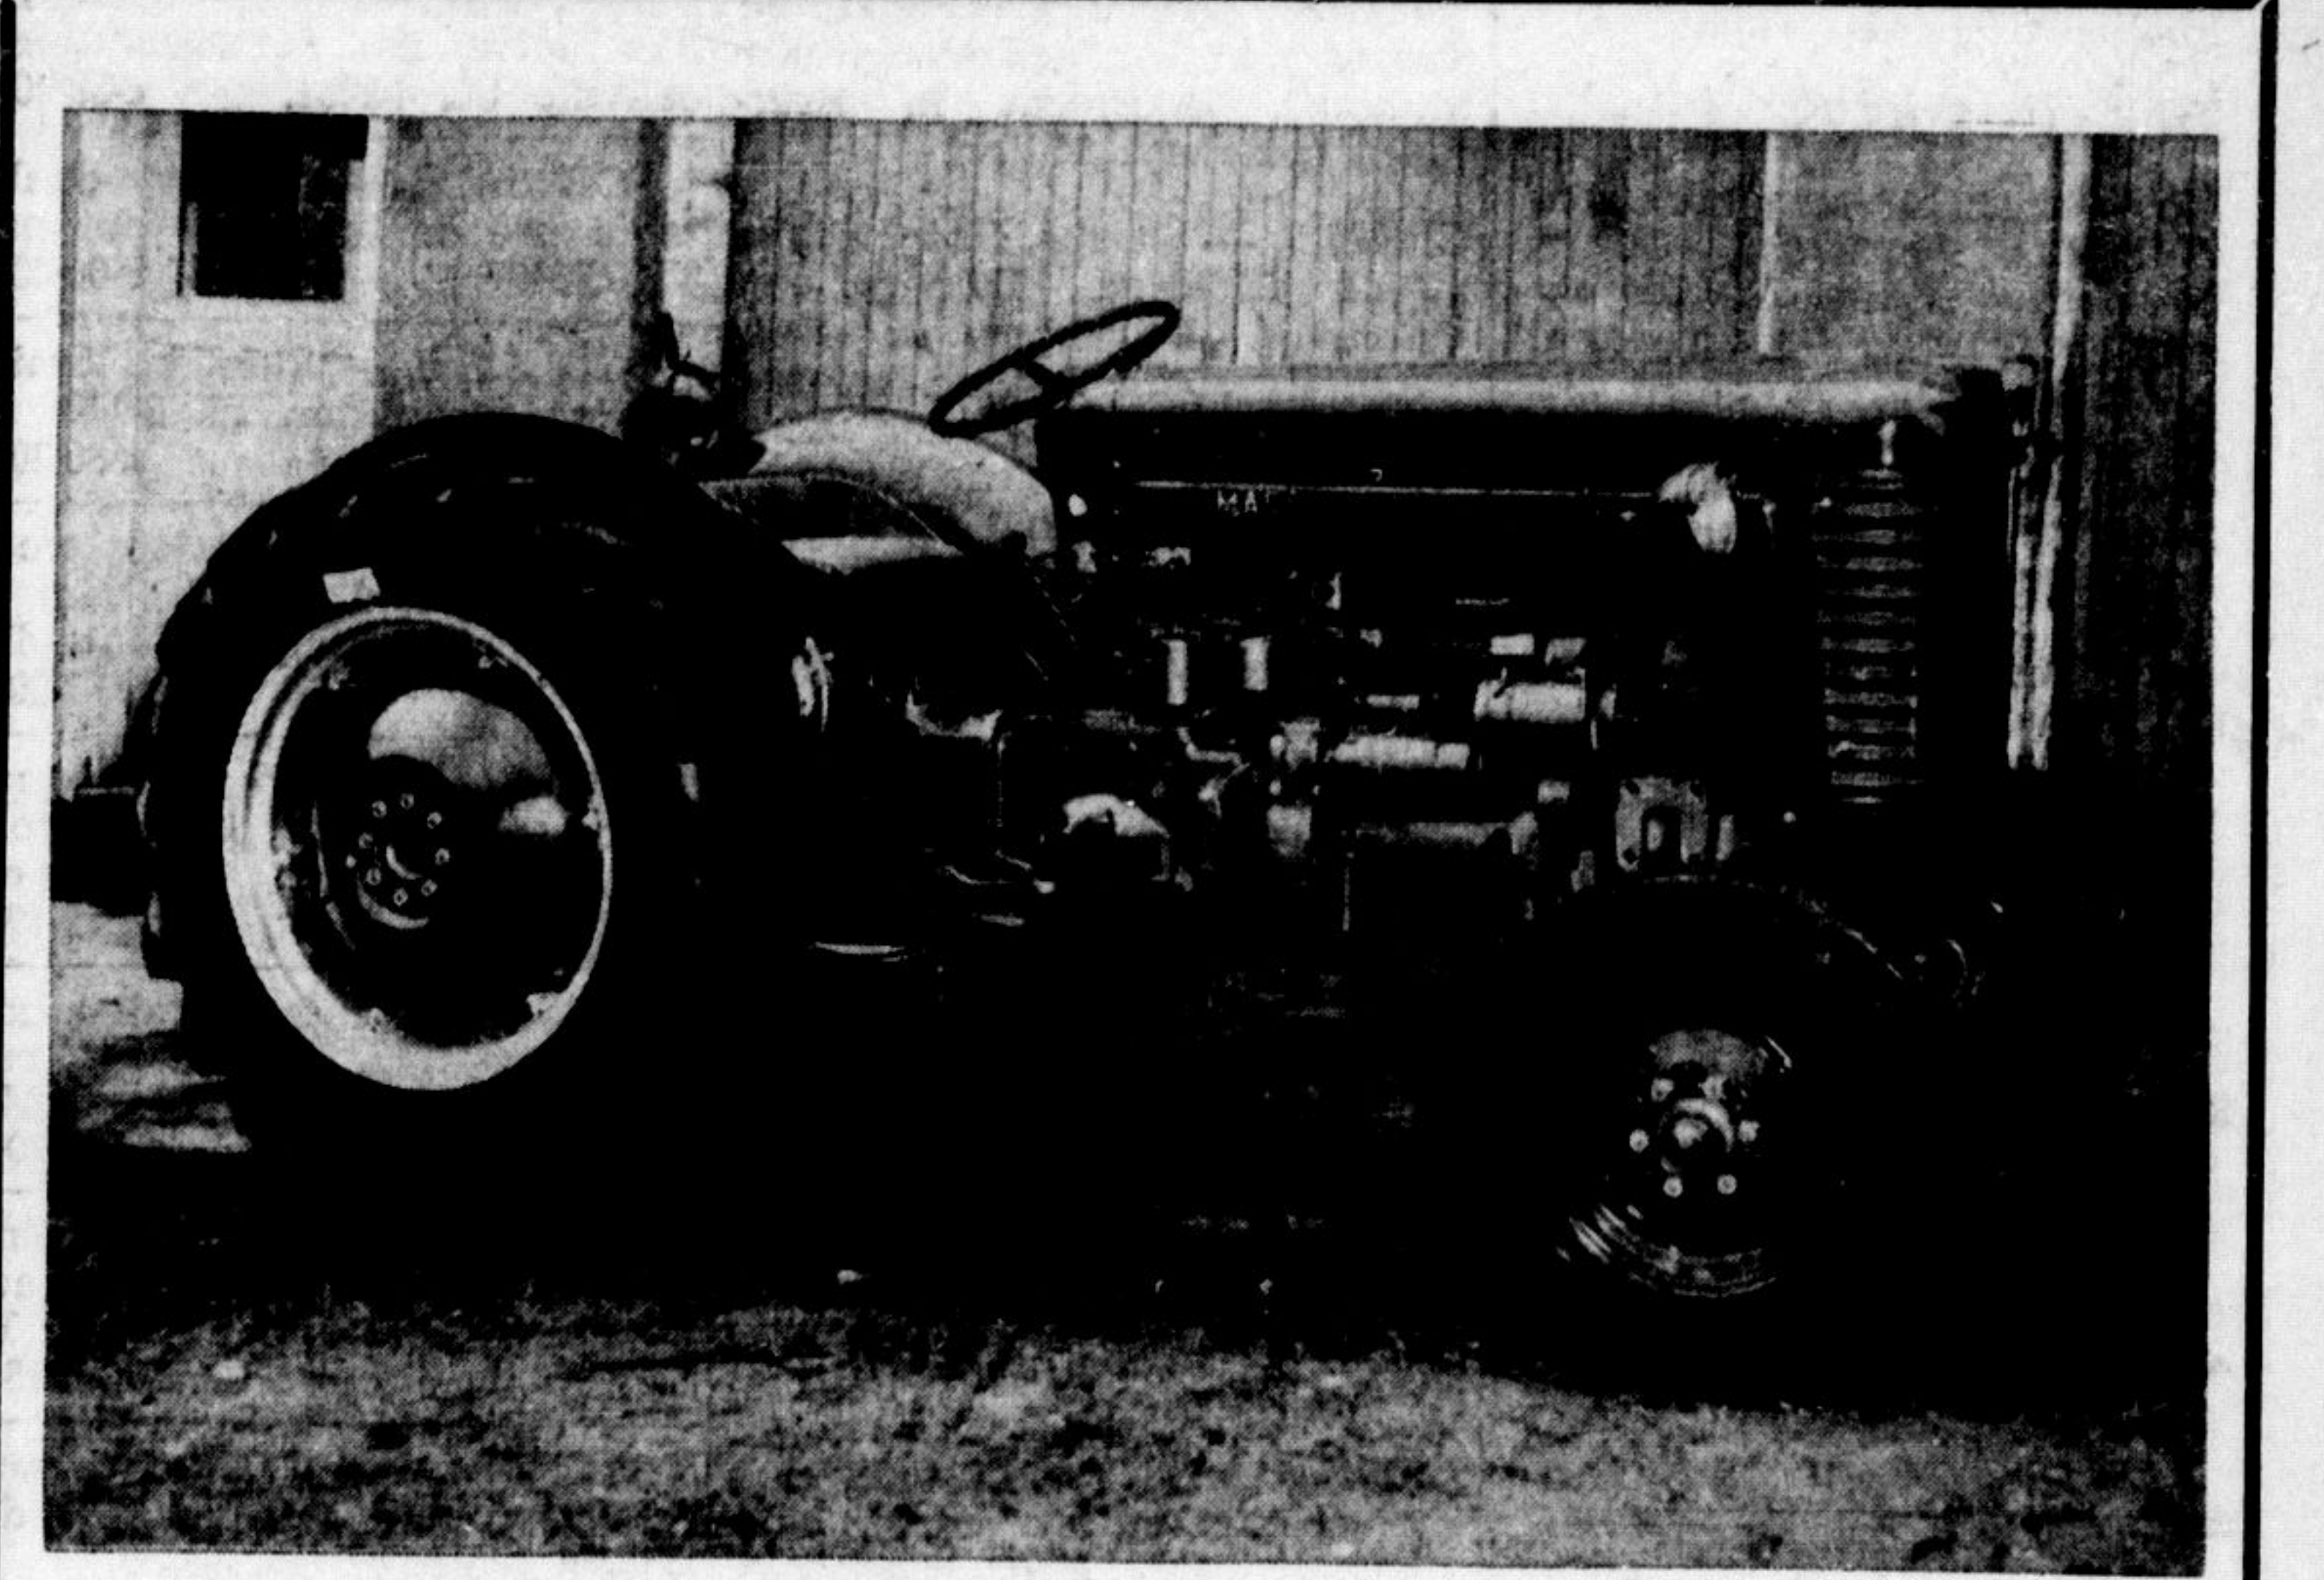

EUCHRE
 O.S.P. 1 team, captained by Jimmie Smith, sits atop this 10 team loop after last Tuesday's play, with 74 points. Don Joyce's O.S.P. 2 team still continues to challenge for the leadership with 69 points while back in third position sit Harold Agnew's Blues. Bill Kelman's Old Sweats have 64 points, while Russ Robertson's Old Pros who tied the Sweats on the night are next with 62. Lombardis, mostly on their leader Peter Tonelli's fine play, are next with 58 points followed by Bob Krantz' Happy Gang and Bob Clements' Can. Tire Service tied with 52 each. Tigers with Dennis Rowley as captain have 47 points and in last but not the least position is Lawrence King's Old Vets.

NOTES: The Zone B7 Curling title will be fought for at Erin this Sunday starting at 10 a.m. Branch 136 will be represented this year again as in the past. A total of 40 turkeys go on the block for the winners in the annual Legion turkey night next Friday, December 15. Keep that date open, it is always a big night in the club room with everyone welcome. Club 25 is holding the first of its dances this Friday night in the Legion auditorium and you may attend, couples only, by purchasing tickets from one of the members. I believe Bernie Simms can give you information on this function. Okaying of Sunday sports will

mean the commercial softball league will likely hold two games every Sunday afternoon next summer in a legitimate manner. No word at the moment on the floodlights for the new diamond.

Reg Marshall, aiding in getting the clowns dolled up for parade duty Saturday, found his coat missing when he went to leave and wonders if someone picked it up by mistake. The only problem is they didn't leave one there for him to wear so Ross Pearen had to vacate his for Reg. The coat is navy blue fleck tweed with a red lining and Reg would appreciate getting it back. Remember comrades, election meeting Monday, December 11, dinner at 7, leave word at the clubroom if you plan to attend and elections at 8.30.

OBITUARY

Johathan Neilson Interred at Milton
 Scotch Block lost another of its aged citizens in the passing of Johathan Neilson at the home of his daughter Mrs. W. Greenlees at Campbellville, early Saturday, November 25. Born February 7, 1878 in Esquesing Township, he was the second of seven children of Daniel and Samantha Neilson.

Before his retirement to Peru, near Milton, he farmed for over 20 years on the fifth line, Esquesing, where he took pride in his Percheron horses. Being a general handy man, he did his own blacksmithing or carpentering as the need arose.

In 1907 Mr. Neilson was married to Mary Anne McEwen, who predeceased him in December of 1924. He is survived by his second wife, Mary Ellen (Mollie) Stark, whom he married in 1938, and two daughters, Mrs. A. W. Benton (Isabella) of Limehouse and Mrs. Wilfrid Greenlees (Charlotte) of Campbellville. Four grandchildren and two great grandchildren, one sister, Mrs. G. Pearson, (Mary) of Milton, and a brother, William Neilson of Hillsburg also survive him.

Funeral in Milton
 The funeral at the MacNab and Son Funeral Chapel, on November 27, was conducted by Rev. B. Nevin, minister at Boston Presbyterian Church, of which he was a member. Interment followed in Evergreen Cemetery, Milton. Pallbearers were former neighbors, Gordon McGibbon, Gordon

 commercial and residential areas, especially in the south of the township surrounding Oakville, came the need for the larger, centralized schools, larger staffs, a board business administrator, bus facilities and auditoriums.

The first big expansion in the township was the Lorne Skuce school, erected in the late 1940's and named after the inspector who heads the township's inspecting staff.

"Trafalgar has been very good to me" Mr. Merry told The Champion this week on the eve of his retirement. "I have met a lot of very nice people, and my work on the board was a great education for me."

Don't Delay

With only 14 shopping days left until Christmas, shoppers might be advised to complete their list and purchase gifts in order not to disappoint anyone.

Rodney, Alois Reichert, Dan Allen, Gordon McCready and Roy Currie. Floral tributes were carried by grand children, Neilson, Albert and Glenda Benton, Marianne and William Elliott, Lois and John Wood.

Mosquitoes, Potatoes - This Must be Sept.!

Mosquitoes have been reported lurking in wait for any unsuspecting by-passer on the Base Line west of town as late as December 1. Mrs. Heer of R.R. 3 Milton, reported to the Champion that she observed a group of the creatures in her neighborhood last week.

Monday, a Queen St. resident picked a blooming Forsythia from her garden and took it in the house to a warmer climate. It was just in time, judging by Tuesday's weather.

There has been a report of strawberries still in existence as late as this week. Healthy new potatoes are also reputed to exist.

—The Christmas candy canes and colored lights on hydro poles are really brightening up the Main St. these days.

To the Voters of the Township of Nassagaweya

We wish to thank you for your support and election to your township school area board, for another term, in Monday's election.
