Vol. 102.—No. 25.

MILTON, ONTARIO, THURSDAY, NOVEMBER 2nd, 1961

Second Section

HORSE SHOW ENTRIES in the annual Halton Plowing Match on Friday kept alive the idea of jointer plows but there were only three teams entered, Stan and Lloyd May of Halton and Herb Jarvis of Agincourt. Here Lloyd's team is seen working on a slight grade on the farm. A banquet was held in Stewarttown hall Friday evening for the presentation of awards.

HUNDREDS OF SPECTATORS visited the Seventh Line farm of Fred Nurse on Friday to witness Halton's annual plowing match. Although the day was cool and the ground quite dry, the annual event was considered a success and drew plowmen from many neighboring counties. Above a few of the tractors are seen drawing furrows in the sod.

St. George's Lowville is Scene Of McCartney-Twiss Wedding

White chrysanthemums decorated the church of St. George's Lowville, Saturday October 14, for the marriage of Marilyn Elizabeth Ann Twiss and Murray Alan McCartney. The bride is the daughter of Mr. and Mrs. Reginald Twiss of R.R. 3 Campbellville, and the groom is the son of Mr. and Mrs. Fred McCartney of Carlisle.

Rev. R. J. E. Jeffares officiated at the ceremony. Organist was Mrs. John Farrow. Given in marriage by her father, the bride wore a floor length gown of peau de soie under organza and French lace with lace and iridescent sequins trimming the neckline, and chapel train. A crown of seed pearls held her veil. She carried a cascade of tawny gold roses with ivy.

Three Attendants

Matron of honor was Mrs. Myrna Twiss, sister-in-law of the bride, who was gowned in moss green peau de soie with matching headpiece and carried a cascade of bronze and yellow chrysanthemums. Brenda Twiss, sister of the bride, and Alice Tansley, friend of the bride, were her other attendants wearing

dresses of autumn brown peau de soie with matching headpiece, and carried cascades of chrysanthemums in yellow with bronze. They wore cultured pearl pendants, a gift of the bride.

Best man was Donald McCartney, brother of the groom. Ushers were Gary Twiss, brother of the bride and William Cairns, brother-in-law of the groom.

Following the ceremony a reception was held in the church hall. The bride's mother received wearing a sheath dress in willow green lace with brown accessories and a corsage of tawny gold roses. She was assisted by the groom's mother wearing a gold colored brocade sheath with brown accessories and a corsage of tawny gold roses.

Leaving on a trip to Washington and New York, the bride wore a brown wool suit with gold and green accessories.

The bride's grandparents, Mr. and Mrs. Harry Richardson of Lowville were among the guests present. Guests were present from Puslinch, Morriston, Hamilton, Toronto, Palermo, Carlisle, Freeton, Burlington, Milton and Lynden.

MARRIED OCTOBER 14 in St. George's Anglican Church, Lowville, were Mr. and Mrs. Murray McCartney. The bride is the former Marilyn Twiss, daughter of Mr. and Mrs. Reginald Twiss of R.R. 3, Campbellville. The groom is the son of Mr. and Mrs. Fred McCartney of Carlisle.

Halton's "Little International" Held Friday on Fred Nurse Farm

Halton County's "Little International" plowing match was held Friday at the farm of Fred Nurse, Seventh Line, Esquesing. Early morning sun disappeared during the afternoon and a cool wind chilled a large crowd of spectators who attended to see the mouldboard competitors struggling to carve fine furrows in dry ground.

Entries were up slightly from previous years and the farm implement and equipment display was the largest in the history of the show. Two steam engines were on hand — one to run a sawmill and one giving free rides for the children. Hornby W.I. served the noon lunch and operated a booth on the grounds.

Three Horse Teams

Again this year, there were only three entries in the horse classes. The banquet and presentation of awards was held at Stewarttown Hall on Friday evening.

Winners were as follows: jointer plows in sod, open, H. R. Jarvis, Agincourt, Stan May, Hornby, and Lloyd May, Milton; tractors in sod, open, Doug Reid, Brampton, William Hostrawser, Malton, Donald Dunkeld, Claremont, and Bill Speck, Hornby; open mounted plows, two furrows or more, W. K. Thomas, Thornton, John Wilson, Norval, Bob Armstrong, Brampton, Keith Leslie, Georgetown, and Wayne Herod, Caledonia.

John Wilson of Norval won

the Esso Champions tractor plow special and the Milton Milling award for the highest contestant at the recent junior match. The Bank of Nova Scotia special for the best ridge in the mounted plow class went to Murray Harris of Milton, and Murray, for the third year in a row, was named youngest Halton contestant for the George E. Elliott special. Ron Brander was second.

Stan May was first in the horse show with H. R. Jarvis second and Lloyd May third.

JOHN WILSON OF NORVAL, best plowman at Halton's Junior Farmers match in September, was awarded the Milton Milling Co. silver tray at the annual Halton Plowing Match on Saturday. George Swann of Milton Milling, right, makes the presentation.

THE BIBLE TODAY

Seventeen Gospels in nine different languages were printed last year under the auspices of the Austrian Bible Committee. Kar Uhl, the general secretary, stated at the annual meeting of the committee that one or more Gospels were printed in Nyiha (East Africa), Toba (Argentina), Gora (India), Masana (Cameroun), Gogo (Tanganyika), Luvia and Iamba (Kenya), Macedonia (Yugoslavian) and Nepali (Nepce).

The cost of printing, about \$10,000, was met by the Austrian Bible Committee, with assistance from the Evangelical Missionary Society of Stuttgart, Germany, gifts made by a youth group in Stuttgart and an inter-

national youth conference held in Hemeln in Germany.

This printing by the Austrian Bible Committee will help with the increasing circulation of scriptures, particularly in Africa. The million Gospel campaign begun in 1960 is still in operation. Over 3,000,000 Gospels in 96 languages have now been distributed.

Keep Kettles Free of Lime

Your electric kettle with an automatic shutoff can be a serious fire hazard unless the element is kept free of lime deposits. Halton Fire Prevention Bureau warns.

Recently two fires in Trafalgar Township homes were blamed on common electric kettles that failed to shut themselves off when the water boiled. Investigation by the Bureau found a thick lime deposit on the elements of the kettles, which prevented the automatic shutoff from working. Both kettles boiled dry and the heat eventually set fire to the table or cupboard where they sat.

Keep the element free of lime by using one of the various cleaning solvents that are available, and keep the kettles off tables, counter tops or other combustible materials, the Bureau officers warn.
