Decorations Demonstration Given to Scotch Block W.I.

By Mrs. E. M. Davenport
The home of Mrs. Robert Dredge was festively decorated for the Christmas meeting of Scotch Block Womens' Institute. The roll call was answered by the members giving a Christmas verse.

Miss Charlotte Turner gave a demonstration on making table and door decorations for the festive season and showed how to make bows with the different types of ribbon. Mrs. Pearl McKenzie prepared the motto "It's home, love and little things that make Christmas great" which was read by Mrs. David Lawson.

The sick and shut-ins were to be remembered with gifts for Christmas. Mrs. C. Service invited the ladies to the Hospital Auxiliary membership tea to be held at Mrs. K. Dick's home in January 6. The 60th anniversary luncheon of the Womens' Institutes of Ontario is planned for February 19 and will be held at the Queen Elizabeth building, Exhibition park, Toronto.

Christ's Birthday For Grace Children

Sunday evening children of Grace Anglican Church conducted their annual nativity service and birthday party for the Christ child, replacing the former Sunday School party.

A candlelighting ceremony by junior choir members, a young people's special worship service, the lesson from Luke 2 read by chorister Jim Mercer, an address by Rector Rev. D. A. Powell, and the presentation of gifts for the Christ child were highlights of the celebration. Afterward the congregation went to the Parish Hall where all the children received a Christmas stocking of candy.

The special offering is being used to assist in the cost of educating a divinity student in India.
