

Competitors Set 24 New Records At Annual P.S. Track, Field Meet

On Wednesday of last week the Milton Public School Track and Field meet was held. In a total of 37 events, an amazing total of 24 new records were set and another four equalled. Competition was extremely keen throughout, which combined with heavier training schedules, led to such a record-shattering day.

The most outstanding competitor would have to be Bernie Johnson of W. I. Dick School, who, while winning the Junior Boys' Championship set three new individual records as well as anchoring his school's relay team which wiped out the old record. Close behind him in performance would be Phyllis Howard, J. M. Denyes School, the Intermediate Girls' Champion. Phyllis set two individual records and led her relay team to another. Marsha Waldie, Bruce St. duplicated their effort to become Senior Girls' Champion.

Champions
Following are the individual champions.
Junior girls, Susan Vandecan, W. I. Dick; Junior Boys, Bernie Johnson, W. I. Dick; Intermediate girls, Phyllis Howard, J. M. Denyes; Intermediate boys, Brian Brush, Bruce St.; Senior girls, Marsha Waldie, Bruce St.; Sen-

ior boys, Doug Adams, Bruce St. No attempt is made to total school points as this is strictly individual effort and these winners are applauded by all schools. Only in cheering might there be considered interschool competition and each school, led by its fine cheerleaders, did its best to let all of Milton know of its exploits. Here, again, the experts were divided as to the best cheerleader worked as hard as every competitor. Event results-winner's names are followed by the result. The previous record is in brackets. FIELD DAY CHAMPIONS of the three Milton public schools were named Wednesday of last week at the tri-school meet. In front are senior champions Doug Adam and Marsha Waldie. Behind them are the junior champs Bernie Johnson and Susan Vandecan, and the intermediates Phyllis Howard and Brian Brush. Each school entered about 40 contestants in all events, and cheerleading sections represented each school. The jumpers and runners set 24 new records in 37 events.

Plug for Museum
Harvey Currell, writing his regular Thursday feature story in the Toronto Telegram on a "Town and Country Trip" last week recommended Halton County museum. He explains Major Hal Newman came out of retirement to become the curator and hopes to have Canada's most interesting county museum. "I think he'll succeed," says Mr. Currell. "Just to see the work in progress is a fascinating experience."

Steal Car, Cash From Body Shop
The office building and body shop of Milton Auto Body Service, Highway 25, were broken into over the weekend.

Owner Sam Nadalin reports approximately \$300, a car in for repairs and an unloaded 3.8 revolver were stolen. Entry was made through the back of the body shop, then a shop crow-bar was used to pry open the safe and the desk drawers were ransacked. The get-away car was driven out the front door. It was recovered this week in Toronto.

It is not known how the thug(s) got to the body shop. Oakville police and detectives are continuing the investigation.

TRYING OAKS
Jack Price and Larry Shuker, two former stalwarts of Milton Merchants' hockey teams, are reportedly working out with Oakville Oaks this year. They've been trying a forward line with Wally Maxwell, an Oakville veteran.

\$620 DAMAGE
Milton Police Department investigated seven accidents during the past week, with the total damage of \$620. The most serious of these concerned Kenneth Bailey and Peitro Mascarin. Mr. Bailey was driving south on Bronte street when his car collided with Mascarin's who was backing out of a driveway. Total damage to the two cars was \$305.
