MR. AND MRS. LORNE ARTHUR are shown signing the register following their marriage at Boston Presbyterian Church on September 15. Mrs. Arthur is the former Joanne Finn, daughter of the late Ernest Finn and Mrs. Finn, of Milton.

## Lorne Arthur, Joanne Finn Wed In Ceremony at Boston Church

Joanne Adele Finn, daughter of Mrs. Ernest Finn and the late Ernest Finn of Milton was married to Lorne Robert Arthur, son of Mr. and Mrs. Robert Arthur of Summerside P.E.I. on September 15 at Boston Presbyterian Church. The double-ring ceremony was performed by candlelight by Rev. B. A. Nevin. Miss Audrey Brown was soloist, and sang The Wedding Prayer and O Perfect Love, accompanied by Mrs. Harry Sloski at the organ.

The bride was given in marriage by her uncle, Walter Hayward. She wore a gown of white faille taffeta, styled in princess lines with lace sleeves and bodice extending into a front panel, with a full bustle in the back. Her sequin crown headdress held a fingertip length veil in place and she carried a bouquet of white gardenias and trailing stephanotis.

**Sister Attends**  
The matron of honor, Mrs. Janice Sver of Welland, sister of the bride, wore a pale blue brocade taffeta dress with matching headdress, a veil and gloves and carried tiny red roses.

Sam Nadalin, a friend of the groom was the groomsman and James Finn and Ronald Finn, brothers of the bride, were ushers. The men all wore white jackets and black trousers.

### Hold Reception

At the reception at the Sunday school hall, the bride's mother received wearing a pale green knitted wool dress with brown and gold accessories and bronze roses. Guests attended from Welland, Stayner, Fergus, London, Langton, Creemore, Elora and Milton.

For the wedding trip to Summerside P.E.I., to see the groom's parents, the bride chose a grey wool suit with red accessories and white gardenias. On their return they took up residence on Sarah St., Milton.

## Horticultural Trip Sees Ottawa, Historic Village

On Saturday, October 6th, a group of Milton and district horticulturists left on their annual three day bus trip. Most of the time was spent in Ottawa where there were many interesting things to do and see.

Some of the holidayers visited the Parliament buildings where guided tours were held at intervals during the day. From the Peace Tower many enjoyed a view of the city and the Ottawa River.

Others attended morning service in their respective churches.

**Guided Tour**  
During Sunday afternoon, two members of Ottawa Horticultural Society joined the group to act as guides for a bus tour around the city. Ottawa is truly a beautiful, clean city with spacious parks, towering trees clothed in their autumn beauty, lovely drives by the river and canal, modern homes, and the stately legations of foreign countries.

A short visit was paid to the Ottawa Experimental Farm with special attention placed on the arboretum where every kind of tree is grown.

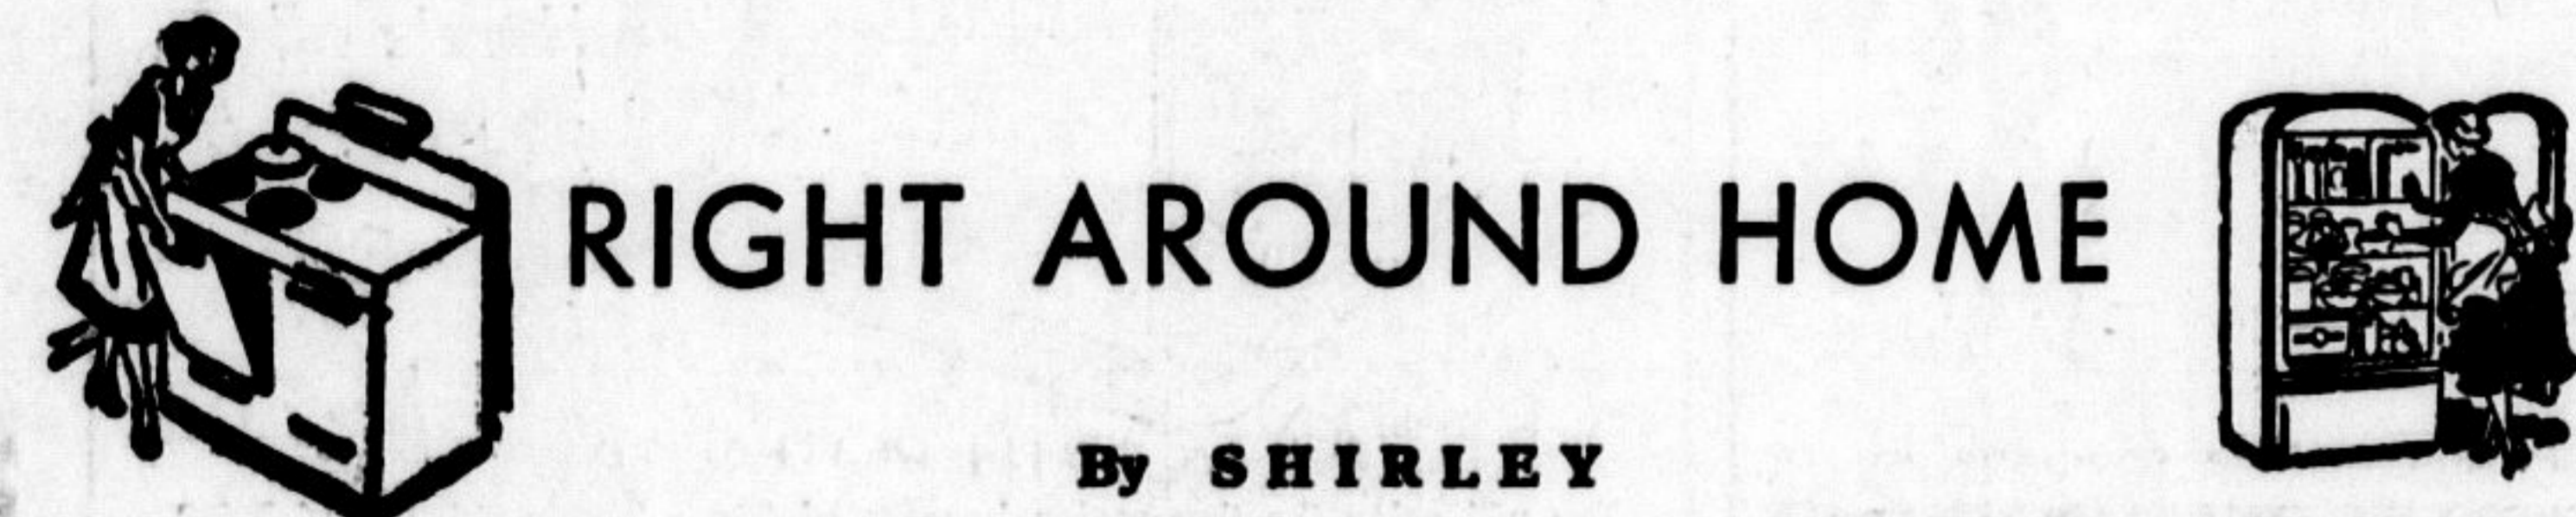

**See Gatineau Hills**  
Next, the Gatineau Hills proved to be an artist's paradise. The innumerable maples, rich with bright yellow, orange and red were a sight long to be remembered. The rounded tops of the hills with many colors intermingled could be seen clearly from the lookout high in the Gatineau.

On Monday, several hours were spent at Upper Canada Village where interested spectators viewed the splendid display of pioneer equipment and the crafts of former years. Many of the buildings had been moved to their present site from the flood-area in Lake St. Lawrence.

Much credit is due to Mrs. Delbert Downs, who organized the Horticultural trip. The tired, but happy passengers were sufficient evidence of her efficiency.

### Fete Bride

Prior to her marriage to Lorne Arthur, Joanne Finn was honored at a family presentation in Welland given by her sister Mrs. Ken Sver. Miscellaneous showers were given by Carol Sargent at the home of Peggy McPhail and by Mrs. George Penson. A cup and saucer shower was given by Mrs. Jack Finn. When honeymooning in Summerside P.E.I., Mrs. Verna Coulson held a shower for the bride.

## RIGHT AROUND HOME

By SHIRLEY

Thanksgiving, Hallowe'en, football games, leaves changing color, frost in the air, walloons fresh from the mothballs, the trunk reluctantly closed on summer clothes — as any Canadian knows, this couldn't possibly describe anything else but October.

October is also a month that should challenge the imagination of even the most indifferent cook. With a wide array of colorful fruit and vegetables on the market interesting menus should be easy to plan.

One reason the French and Chinese are such fine cooks, is their talent for turning small odds and ends of food into a magnificent meal. Many classic dishes were once the result of a housewife's ingenuity with a few vegetables, odds and ends of leftover meat and assorted handy seasonings.

Today's recipe is called Tuesday's Meat Ring because it's just about this time of week that the Sunday roast looks such a shambles, it can't possibly be served as it is. Of course, using leftovers in a meat loaf is not a new idea, but we think you'll agree that today's recipe is different in both appearance and flavor.

Minced, cooked meat and pieces of chopped bacon are combined with a number of interesting flavor ingredients, including tomato juice, which keeps the ring nice and moist, and bread crumbs, which gives a light texture. The mixture is then baked in a ring pan over a topping of fresh tomato slices. Before serving, the centre is filled with a vegetable medley cooked in mushroom sauce.

### Tuesday's Meat Ring

- Yield — about 6 servings
- 1 average-sized firm red tomato
  - 6 slices side bacon
  - 4 cups minced cooked meat (from weekend roast)
  - ½ teaspoon salt
  - ¼ teaspoon pepper
  - 2 tablespoons grated onion
  - ¼ cup chopped parsley
  - 2 cups coarse soft bread crumbs
  - 2 eggs
  - 1¼ cups tomato juice
- Preheat oven to 325 deg. F. (rather slow). Generously grease a 6-cup ring pan. Cut tomato into rather thick slices; cut each slice in half and arrange them in bottom of prepared pan.
- Cut up bacon and fry until crisp. Add bacon and dripping to minced meat; sprinkle with salt, pepper, grated onion and parsley; lightly mix in coarse soft bread crumbs. Beat eggs slightly and stir in tomato juice; add to meat mixture and combine. Turn into prepared pan and pack lightly. Bake in preheated oven 50 to 60 minutes. Stand meat ring in its pan in a warm place for

10 minutes, then loosen around edges and turn out onto a heated chop plate; fill centre with the following Vegetables in Mushroom Sauce.

- Vegetables in Mushroom Sauce**  
Yield — about 6 servings
- 1 can (approx. 10 ounces) cream of mushroom soup
  - ¼ cup cream
  - Few grains grated nutmeg

- 1 teaspoon grated onion
  - 3 cups suitable mixed cooked vegetables (sliced carrots, green peas, green beans, kernel corn, tiny onions, cut-up celery, etc.)
- Turn mushroom soup into top of double boiler; blend in cream, nutmeg and grated onion. Mix in vegetables. Cover and heat thoroughly over boiling water.

## For Parents Only

### Parents and Hallowe'en

by Nancy Cleaver

"My Mum thinks Hallowe'en is one awful nuisance! She'll be glad when it is over!" Tommy said sadly, "What does your Mum say?" John looked horrified at his chum's remarks, and then answered frankly: "Oh, we have fun at our-house at Hallowe'en!"

A nuisance — or fun — what a contrast in the atmosphere in Tommy's and John's homes towards the end of October! What is your attitude to special days in the calendar like Hallowe'en? It makes all the difference to family good times if the parents, especially mothers, look at the plans and nonsense which are associated with the eve of All Saint's Day with kindly eyes.

## Manor Auxiliary Planning Party

The October meeting of the Halton Centennial Manor Auxiliary was held in the auditorium last week with a good attendance. The president, Mrs. Allen opened the meeting with prayer.

A bus trip for the residents was planned for October 9 to enable them to take in the beauty of the countryside at this time of year. This project had been a wish of the president for some years, so through the efforts of the auxiliary, and the kindness of Maurice Poole in supplying bus and driver, this is being accomplished. The residents will derive a great deal of pleasure from this trip.

A Dresden plate quilt, donated by a kind Milton citizen in the spring, was left in the capable hands of Mrs. W. Hayward to be quilted. A draw will be held at a later date. Smocks are to be ordered, a rose shade was the preferred color.

A Hallowe'en party will be given the residents on Tuesday evening, October 30 at 7.30 in the auditorium. There has been a committee chosen to judge the costumes of the residents, and prizes will be given. There will be a great deal of planning and anticipation among the residents for this, for this is one party that is always looked forward to. Mrs. Allen gave a fine report on the convention held in Simcoe in September. The Auxiliary meetings are held on the first Wednesday of each month at 2 o'clock

in the auditorium, and all ladies in the county are most welcome to attend.

### Keep Them Busy

Busy children are happy children and most mothers of small children know that investment in handcraft supplies is money well spent. Sheets of orange and black cardboard can be cut into pumpkins, witches, black cats, and all sorts of designs or silhouette scenes. Large, soft wax crayons with a paper covering are easy for little fingers to grasp and large sheets of wrapping paper or pages from an old wall-paper sample book can give the young artist many enjoyable half hours. Colored chalk and a blackboard or pastel crayons and colored drawing sheets are appreciated by school age youngsters for their Hallowe'en drawings. But small jars of poster paints each with its own brush and large sheets of paper provide the best fun of all!

Hallowe'en is "dressing up time!" Wise is the mother who has a trunk or a large carton filled with articles of clothing which can be used on just each occasion! All sorts of things come in handy — gloves, scarves, purses, bits of lace and ribbon, artificial flowers and feathers as well as old dresses and suits.

Children love to pretend and there is nothing which many of them enjoy more than acting in a play. Sometimes Hallowe'en costumes start them on a series of Saturday afternoon dramatics planned and produced by a neighborhood "gang." It doesn't seem to matter if the number in the audience is very few — what each child wants to do is to be in the play for some part, long or short!
