

Minor Hockey

Continued from Page Four
 Firefighters to gain a 2-1 decision. Kirby Munro potted a passout from John Hopkin to open the scoring, but Dave Simpson deflected a shot by Les Wilson to knot the count five minutes later. At the fifteen minute mark, Roger Rowley combined with Jim Robertson and Rickie Ormond for the tiebreaker.

Hot in Cage
 With the whole team playing heads up hockey, Rebekah Lodge came on strongly over the last ten minutes of play to down Crest Hardware 2-0. Richard Murray pulled the trigger to complete a passing play with Bob Waiters and Jim McDonald, followed by Pat Devlin who dunked a Don Leslie passout. We hereby officially credit Phillip Collen with two assists that were omitted in last week's writeup. Credit goes to the mentor of the Trafalgar Motors club for pointing out this oversight.

PEE WEE
 Milton Pharmacy were torpedoes 4-1 by Fay Plumbing, who retained their top standing by a slim one point margin. Bob Martin and Charlie Reed garnered a goal and an assist each, while Don Fay and Brian Wilhelm singled. Peter Marsh set up Jack Surbey for the Pharmacy marker.

Crisci Stars
 McCuaig Insurance consolidated their second place position, as they submerged Milton Lumber 6-1 with a five goal second session shower. John Crisci was the big gun with three goals, followed by Peter McCuaig with two goals and an assist. Alan Lewis counted a goal and Jack Durante drew two assists. Rickie Colbeck scored for the Lumbermen, who have missed the guiding hand of their coach for the past several games.

BANTAM
 Industrial Catering again displayed devastating firepower, as they shelled Local 4970 by a 7-2 count. Jack Fletcher triggered three goals with the help of Tony Barr, who also hit for one from Fletcher. Barry Ferguson and Dave Smith combined for a goal and an assist each, while Dave French soloed. Ron Dunsmore and John Hampson were the saving grace for the Steelworkers.

Lawrence Stars
 Two last period goals by Steve Lawrence were a big factor as Canadian Tire came back to overcome Milton Department Store 4-2. Dave Ford and Jerry Duncan were the other marksmen. John Ervin, and Barry McTrach from Murray Poole had given Department Store the early lead.

By virtue of a better passing display than has been their wont, Milton Police handcuffed Green Fuels for a 5-0 sentence in the Monday night fixture. Wayne Arnold opened fire at 3:40 of the first frame, and twenty seconds later set up Dave Morley for another. Garry Andress rapped in the third counter four minutes later. Don Griswold singled early in the last period, and within three minutes a Morley to Mike McGrath combination wrapped up the scoring.

Edged in Two Contests

Virtually Out of Lg. Playoffs

Two 4-3 losses this week virtually eliminated the Milton Charles from their group playoffs. Friday night in Acton, the Charles bowed to the hometown Tanners 4-3, and Tuesday night in Elora, the same score proved their downfall.

The losses all but mathematically eliminated the Charles from the playoffs, with Acton having to win only one of their four remaining encounters, to clinch a playoff berth. This elimination means that the Charles may have to wait until the Orangeville Dufferins have completed their league playoffs, before the Milton club can resume action. Orangeville and Milton are the only teams in the league that are classified in the "A" division for playoff purposes.

Hot in Cage
 Spectacular goaltending by Don Anderson in the Tanager cage, resulted in the downfall of the County Towners Friday night. Time after time Anderson thwarted Charles' attacks that seemed destined to result in goals. The game was a wide open, free skating affair with both goaltenders being left to fend on their own for much of the contest. Don Clarkson in the Milton cage played a remarkable game, felling the Acton attackers consistently.

Acton opened the scoring in first period but the Charles quickly went ahead on two goals by John Bell, before Bud Haines scored to knot the count late in the period. In the second frame, Acton took the lead on a Fred Kentner tally, but Art Melanson cashed in relays from Stu Hannant and Glen Dance to even the score. Stu McDonald scored the winning goal midway through the final stanza.

Local 4970 12 5 5 2 12
Green Fuels 12 4 7 1 9
Dept. Store 12 1 9 2 4

MIDGET
 Needless penalties paved the path to perfection, as Ledwith's Food Markets gave up a 4-1 beating to settle for a 4-4 deadlock. Doubletons apiece by Rick Rowley and Terry Cairns, with the help of Jim Ervin, Stew Brown and Allan Jones overshadowed John Keilty's first period score for Knight's Men's Wear. Over the last twelve minutes Steve Gervais spearheaded the Tailor attack, setting up Craig Riddell and Wayne Bell for markers, and netting a pass from Riddell to force the tie.

Hit Win Column
 Milton Sport and Cycle hit the win column again, taking a 2-1 decision from Tri-County Athletic Supplies in a contentious affair that threatened to erupt on occasion. Pat Carr hit for Tri-County at the .50 second mark of the initial stanza, but Maurice Miljour knotted the count twenty-five seconds later. Early in the second, Miljour donned the hero's mantle, beating Paul Foster again, for the tiebreaker.

Sport & Cycle	13	3	8	2	8

Four Standouts
 The game was a hard hitting, rugged affair, with the referees calling 17 penalties, 10 to Milton. John Bell, Stu Hannant, Art Melanson and young Merv Fletcher were standouts in contest. A last minute pull-the-goaltender move by coach Erio Sceliszi narrowly missed, when one shot hit the post and a second was crossing

MILTON Minor Hockey News TRI-COUNTY ENTRIES

NOVICE
 Trafalgar Motors team played Acton in a home and home series this week and had little trouble in disposing of their opponents by scores of 7-0 and 8-0. The Acton club showed very little offensive strength but despite the scores played well defensively to keep the scoring opportunities to a minimum.

In the Wednesday game at Acton, Billy Wilson opened the scoring on a pass from Jim Marshall and then the line of Hugh Marshall, Ricky Mitchell and Gary Young took over to add the last six goals. Ricky Mitchell registered a goal and an assist; Hugh Marshall two goals and an assist and Gary Young three goals and three assists.

Eight Share Scoring
 The game in Milton on Saturday was much the same story except the goal scoring honors were evenly divided among eight of the 9 players. Blinking the red light for Milton were Hugh Marshall, Mike Frame, Craig Smith, Gary Young, Nigel Ferguson, Jim Marshall, Billy Wilson and John Wheelihan. Picking up extra points for assists were Nigel Ferguson with two and Billy Wilson, Hugh Marshall and Gary Young with one each. Although he was kept off the score sheet, Buddy Thomas played one of his best games and was a real asset to the team on defence.

Leads Attack
 The standout of the game for his all-round effort was Billy Wilson. He played an excellent game defensively and continually came up with the puck to lead the attack. Last but not least was Billy Brouse in the net who added two more shutouts to his already impressive record. The team played without the services of Stuart Robertson who is recovering from a case of the mumps.

PEE WEE
 Opening the second round of their playoffs in Hespeler, the Kinsmen Pee Wees emerged on the bottom side of a 2-1 cliffhanger. With the score tied and less than five minutes of play remaining, Milton pulled their goalie in favor of two extra attackers, as Hespeler had incurred a penalty. Shortly disputed goal resulted, but was disallowed, the referee's ruling that it had been batted in by a high stick. Then with just twenty-five seconds left, Hespeler managed to net the winner. Don Hearn's notched the Kinsmen

the goal line when Anderson sprawled on it.
 Tuesday night action in Elora, saw the Charles fall behind 2-1 at the end of the first period, and unable to muster a strong enough attack to make a comeback. Hughes scored twice for Elora, and Art Melanson bagged a Ron Phillips pass to narrow the count to one goal.

SCHOOL FOR REFS

Seven members of the Milton Referees Association attended a "Referee's Forum," sponsored by the O.M.H.A. and held at the Williams Avenue High School last week.

Gordon Hawes of Whitby, representing the O.M.H.A. spoke to the group of over 30 in attendance, and explained and demonstrated the different facets of officiating.

Attending from Milton were Arn McDuffe, George Fletcher, Wayne Timbers, Burt Dancocks, Clay Jubb, Ken Peddie and Murray McConnell. Murray Hood provided the group with refreshments following the discussion. Others in attendance were from Georgetown, Acton, Brampton and Oakville.

NAME OFFICERS
 Joe Hendricks was elected chairman of the Milton Liberal Association this week. K. Y. Dick was elected as honorary chairman; Jim Bell as vice-chairman; Mrs. K. Y. Dick as secretary and Joe Lewin as treasurer.

WHAT IT COSTS TO STAY IN STYLE

It happened recently that a well-endowed young matron had dressed for a party in one of those expensive, low-cut fashions and presented herself for approval to her engineering-minded husband.

"I'm confused by that dress," he said. "Are you inside trying to get out or outside trying to get in?"

It's plain that you just can't please everybody. If the car makers were sure of being 90 percent right they could save millions.

Here's what happens to a car body style before you get a chance to turn your nose up at it on the street.

Stylists working with thousands of variations for three years finally decide on twenty. These are made into clay mock-ups at \$25,000 each. Then the pick of these, with the best features of others, are made out of plaster or fibre glass. Add another \$25,000 each. Then the one you finally get is built by hand around \$100,000 before the multi-million dollar tool-up begins.

Styling expense comes out finally to about \$4.00 a car with mass production, which isn't too bad. Engineering changes average \$58.00 per car.

Nobody really knows what style is except that it goes in one year and out the other. Human nature doesn't change though. People still want honest and fair treatment when they buy a car and good service after that doesn't cost too much.

A dealer who supplies them will outlast the styles.

Queenston Hold Lead P.L.R. Drop Two More

Queenston Motors stretched their industrial hockey league lead to two points this week, by virtue of a tie against Spectorator and a win against P.L.R. The Rams took sole possession of second place with their two wins, one over P.L.R. and a second over Spectorator. With only five games remaining in league play, the battle for first place is still tight.

Last Thursday the Rams downed Spectorator 7-3 and Queenston doubled the score on P.L.R., 10-5.

Two in Night
 Tuesday night, Dave Murray of the Spectorator, fired the tying goal at 9:44 mark of the third period, for his second goal of the night. Other Spectorator scorers were Ron Fireman with two, Ross Tuck with one and Leon Walker with one. Doug Leggett, Joe Franson and Brian McMillan each netted two for Queenston.

In the second game Tuesday night, the Rams trounced P.L.R. 15-3. Bud McKay with five, Glenn Osborne with three, Gary Hughes, Ken Pollock and Cliff Goodale with two each and Max Lang with one, scored for Rams. Gord Greer with four, Bruce Bell with two and Carl Kingston and Jim Tarves with one each scored for P.L.R.
