Tips on Baby-Sitters

Does your baby sitter know what to do in case of fire or other emergency?
 If you occasionally hire a baby-sitter, you should provide her with the telephone numbers she may need in case of an emergency, say members of Halton Fire Prevention Bureau.
 She should have the telephone numbers of the fire department, police department, the family doctor and the phone where the parents may be reached. The Bureau offers these other suggestions:
Know the Sitter
 (1) Know the sitter. Be sure she is qualified for the job, has a sense of responsibility and likes children.
 (2) Introduce the sitter to your children and any pets and give her a brief period to get acquainted with them before you leave.
 (3) Make sure the sitter understands that in case of fire, she should get the children out of the house quickly, then call the fire department, then notify the parents—in that order.
 (4) Show the sitter two alter-

Make Final Plans For Manor's Bazaar

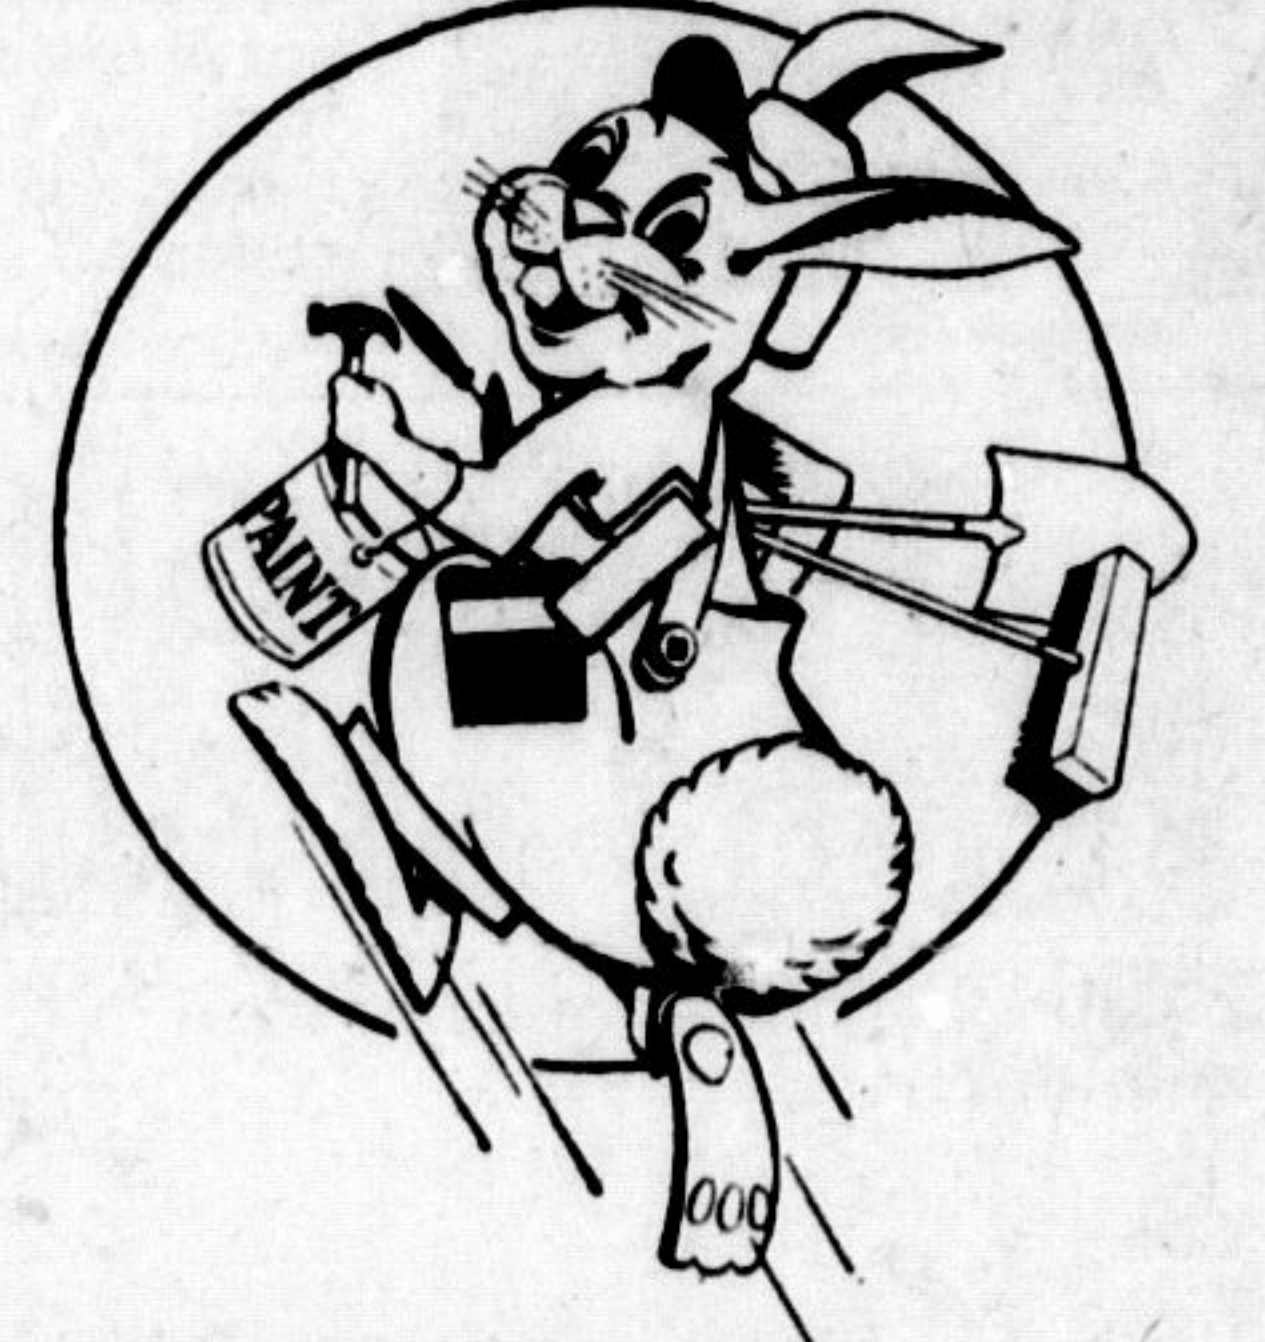

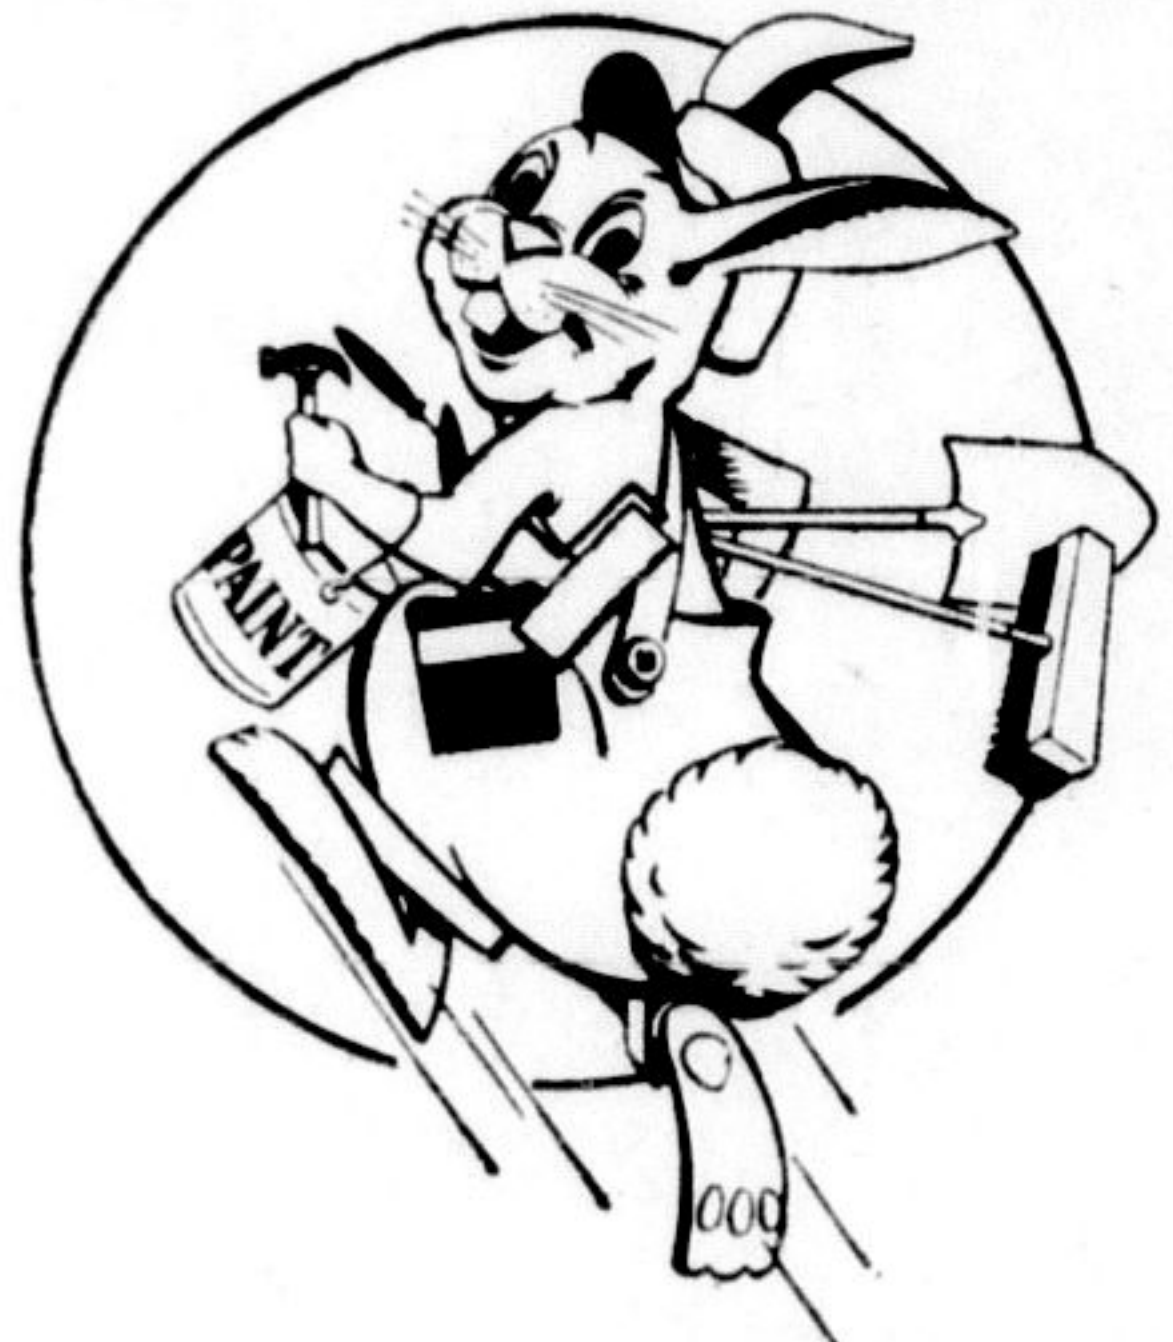

There was a good attendance present at the May meeting of the Manor Auxiliary, with Mrs. Allen presiding. Final arrangements for the bazaar on May 15 afternoon and evening, took up most of the meeting, and there is every indication that this seasonal event will be worth attending, as the residents and Auxiliary members have been busy for months, and the residents' work will be on sale, articles they have been making at the weekly handicraft classes held every Thursday afternoon, under the capable leadership of Mrs. S. Allen and her helpers.
 On April 6, 10 members of Halton Centennial Manor Auxiliary were guests of C.H.I.C. Radio station at Brampton for their program "Queens and Clubs". Several members were interviewed "on the air" regarding the Auxiliary work and two members won prizes. Mrs. Mary Hayward received a lovely cake for having the nearest birthday, and Mrs. Margaret Wilson was presented with a long playing record for being active in the most community organizations. Coffee and cookies were served, and a pleasant hour enjoyed.
 On Monday afternoon, April 22 Mrs. Smith, from the Department of Welfare, visited at Hal-

ton Manor and spoke to the Auxiliary members about the work being done throughout Ontario, at Homes for the Aged, by the various Auxiliaries. Mrs. Smith showed several samples of handicraft articles made by residents of several homes she had visited and gave some very helpful suggestions to members. A social time was enjoyed over a cup of tea and cookies.
