

## High School Highlights

By CAROL FORBES

On Friday afternoon an assembly was called so candidates for the new student council could address the student body. Awards and bars were also presented to students.

The grade nine classes had prepared a short skit as entertainment, but because of the length of the first part of the program, it was postponed until the following week. The student council executive is made up of a president from grade 12, a vice-president and a treasurer from grade 11 and a secretary from grade 10.

Each candidate running for a post presented a short speech on their aims and qualifications. All the candidates were girls and this is the second year that the boys have shown little interest in student council activities.

The voting was held Monday morning and the results showed next year's executive to be: president, Susan Brown, vice-president Barbara Guay, treasurer Shirley Ella and secretary Cory Ford.

**Athletic Awards**  
With the presentation of awards, bars were given to the inter-class volleyball, soccer, basketball and baseball winners, the inter-school basketball teams, the literary and drama clubs and the glee clubs. Leadership bars went to students, who have served on the student council and athletic executives and to those who have performed other leadership duties such as serving on the produce-food committee or on the awards system.

A special presentation of bars and jackets was made to our hockey team by Mr. Claremont their coach. The top boy student, Jim Forbes received the trophy for 1961-62 and Don Currie for 1962-63. Kaye Marsh was awarded the girl's trophy for both years. Kaye was president of the athletic society this year and has been outstanding on all our school and class teams. Besides her extensive participation in sports, Kaye also maintains high marks and certainly deserved the trophies.

## Travelling Gravel

### Road Keeps Disappearing

If there appears to be plenty of gravel on Commercial St., and very little on a narrow laneway between Main and Pearl Sts., town foreman Bruce McKerr has the answer. It's a surface water drainage problem.

"You can grade it every day of the week, and if we get a rain, all the gravel will be washed right out onto Charles St. the next day," he told town councillors Monday, when they asked what could be done to

### Evening Branch Meets Hears Talk on Church

By Mrs. Harry Richardson

On May 16, the Evening Branch held their meeting at the home of Lois Harris with 13 members. The president, Dorothy Powell, opened the meeting and Doreen Rouse read the Scripture. Doris Grant gave the "Thought for the Day." Roll call was a plant for the sale.

June Andrews gave a splendid talk on "The church position in our Day." A donation for badges was voted to the G.A. girls. Gwen Jeffares gave some of the highlights of the sermon given by the Bishop of Hong Kong in St. George's Church in Quebec recently. It was agreed to have a collection of rags for sale and a committee was appointed for the chicken barbecue to be held on June 29.

An invitation to attend a tulip tea was accepted. The hostess was thanked and a plant sale was held after which a social time was enjoyed over a cup of tea and lunch served by the committee in charge.

Mrs. J. Gorman and David of Hamilton called on Mrs. McKenzie and Nancy on Sunday.
