DON CURRIE, king sized Milton athlete, is spending summer evenings playing ball with the Guelph Royals of the Senior Inter-county League. Don, at 21, is one of the younger players in the league and has been giving a good account of himself. Saturday evening we got a chance to see him in action and he made several key plays in the outfield as well as reaching base once. The previous night, Friday, he travelled to London with the club and sparked them to a victory over the powerful London Lords, with two singles and a home run.

Last winter Don saw hockey action with the Burlington Mohawks, a Junior "B" team. Near the end of the winter he learned that he had been put on the negotiation list of the Chicago Black Hawks, and expects to attend a tryout camp this fall.

Another Currie, Don's younger brother Bill, is also making quite an impression in baseball circles. Bill joined the Milton Red Sox recently and has been steadily producing hits. Sunday he picked up a single and a double and last week in two games against Georgetown, he collected two singles and a triple.

In the winter, Bill is also very active in hockey, having played for the Junior "B" Kitchener Greenshirts. Not nearly as heavily set as his brother, but just as tall, it's said that Bill has a fine hockey future ahead of him. One observer who got to see several Greenshirt games last winter noted, "at the first of the year he really looked bad, but near the end he was one of the best players on the team and was getting better every game."

SOFT WHISPERS from an apparently dead ghost, could bring tennis back to this fine town, and no doubt many would welcome it with open arms. A meeting was held at the home of Dr. J. W. McCutcheon and much enthusiasm was shown, although nothing definite was settled.

We must admit that we have never donned the sneakers and played a serious game of tennis, but it would be interesting to see just how awkward we really are. At all costs we would like to see the ghost return, show a little life, and put the game on the courts.

IN AN ATTEMPT TO SNEAK away from the turmoil and heat of the holiday weekend, we decided to go to Sauble Beach, located just west of nowhere and 124 miles from Milton. The idea itself seemed reasonable except that it was proposed 15 miles from Milton at 9 p.m. Sunday evening. So promptly at 9.05, we started on our journey, five in the car, with nearly a dollar and a quarter each. The journey was tiring, but boy, what didn't happen after that? Well to make a long story short, and skip a possible vagrancy charge, we'll now begin on a brief question (and we'll provide the answer) period.

Been swimming lately? We had our first dip of '63 season early, early, early, Monday morning and it felt good, good, good. Truth is, however, what we went through prior to the swim would make even the very worst of evils seem bearable. Following the end of the journey (and a few other things) we attempted to make a slight acquaintance with an elusive fellow named Sleep. Nine of us took up rest in an insect-infested cabin for nearly two hours before being wrenched from our floor by an angry bunch of mosquitoes. We're still not sure what made us all decide to vacate the home of the insects at once, but somehow I can't help but think it was more the screaming smotes and the stinky feet, rather than the mosquitoes that took us from our haven to a baptismal in Lake Huron.

Following a short dip in the water, we took a sojourn along the beach and then came the worst of events. We feasted on burnt weiners, rolled in stale buns and somehow covered with rancid smelling relish. Following this banquet of delight we made our peaceful way home and prepared for another restful week of work, just like so many million others who go to the beach for a restful and fulfilling holiday.

P.S.—If our luck holds, we'll likely be back to the same beach this weekend.

Big Victory for Merchants Topple Oaks 12-5, Monday

Campbellville won a big one when they defeated second place Oakville 12-5 before a large holiday crowd in Campbellville on Monday afternoon. Played in almost 100 degree weather, the game was relatively tight until the eighth inning when it broke wide open and a total of 13 runs were scored.

Five Runs
The score remained at that until the eighth when with one out, Lawrence singled down the third base line and then Trudell slammed a home run over the right field fence to make it 4-2. Ham-ilton walked the next man and then departed in favour of Roberts who gave up a double to Mendyk who then went to third when Dryden was safe on an error by Bvers, who had walked, scoring. Champagne's double sent Dryden to third but a squeeze play went wrong when McKay missed the ball and Dryden was out at the plate. McKay then doubled to drive in Champagne with the fifth run of the inning. Henderson came in to strike out Kane and end the inning with Oakville leading 5-4.

Seven Innings
Harry Hamilton started for Campbellville and hurled a great seven innings. He weakened in the eighth leaving the game with a 4-2 lead. In seven and a third innings he allowed 2 runs off 6

batter loaded the bases and then Elliott's single drove in the two runs. Stan Henderson's long home run over the left-field fence in the fourth made it 3-0 and back-to-back doubles in the fifth by Wingrove and Price produced another to make it 4-0.

Villagers Shut Out Sox Field Hurls One-Hitters

Campbellville defeated Milton for the third time this year on Saturday afternoon as they coasted to a 10-0 win against a rather makeshift Milton team. The victory gave the league leaders an 11 won, 1 lost, 1 tie record for the season, which is now more than half completed.

One Hitter
Gary Field chalking up his sixth win of the year without a

defeat, went all the way for Campbellville as he gave up only one hit, walked one and struck out fifteen.

Campbellville took a 3-0 lead in the first inning on four errors in the Milton infield followed by Bill Elliott's single. In the fourth Campbellville counted five runs to make it 8-0. Field doubled and Moore, King, and Wingrove all singled in succession. Then after an infield pop Henderson doubled and Elliott, Joyce, and Field all singled to complete the damage.

It was Field again who started the trouble off Hopkins in the seventh when he opened the inning with a single. King's single and an error loaded the bases and then Earl Cairns' double off

Milton Pee Wees In Second Place

Two more victories this week firmly entrenched the Milton Pee Wee All-Stars in second place in their Pee Wee League, behind undefeated Burlington. Thursday in Waterdown the locals won 4-1 and Friday in Brampton they trounced their hosts 10-4.

Ray Evans hurled the distance against Waterdown. Dan Evans had a triple and a single to pace the local's attack, with Keith Higgs contributing two singles and Gary Naylor, Ted Hood and Ken Barton singles each.

In the Brampton game, Ray Evans came to Gary Naylor's rescue in the sixth inning to preserve a Milton victory. With the bases loaded and none out, Evans came into the game and retired the side in order. Naylor had a home run and a single for the winners. Parton and Hood two singles each, Don Hearn's a double and a single and Ray Evans and Ken Rusk single safeties.

the centre fielder's glove plated two runs to make it 10-0 and complete the afternoon's scoring.

With one out in the eighth, Doug "Doc" McCutcheon singled through the box and over second base for Milton's only hit. Gary Field with a double and two singles led the Campbellville attack. Stan Henderson doubled and singled, Stu King and Bill Elliot singled twice, Earl Cairns doubled and Al Wingrove, Don Joyce and Ken Moore all singled.

FOOTNOTES —Campbellville worked in fourteen of their eighteen signed players. Besides McCutcheon's hit Milton only got two balls into the outfield — flys in the fourth and ninth. It was another poor crowd on the last scheduled Saturday game in Campbellville. It is to be hoped and expected that the Sunday games will be more popular with the fans.

Red Sox Defeat Cardinals Move Into Fourth Position

A two run seventh inning ignited by Bill Currie's double and capped by Wayne Hilton's triple, allowed the Milton Red Sox to surge ahead and finally defeat Hamilton Cardinals 12-9, in a Halton County Intermediate game played at the fair grounds Sunday afternoon. Hilton, who relieved starting pitcher Butch Riddell with one out in the fourth inning, tripled home Currie to tie the game at 9-9 before scoring on Ron Shannon's sacrifice fly. In the eighth inning the locals added two insurance tallies on a single by Doug Hyatt, a triple by Ron Phillips and Glen Dance's sacrifice fly.

Sweltering Heat
The game played in sweltering heat, attracted a small crowd that witnessed the Sox's third win in their last five starts. The win moved the Cliff Houston managed club into fourth place, ahead of Georgetown and Dundas.

Butch Riddell started on the hill for Milton and was charged with seven runs while allowing six hits and three walks. His mates committed one error. Hilton came on with one out in the fourth, retired the side without a hit and went on to post his second victory of the season. He allowed only two hits and two runs over the final five and two-thirds innings, walking one and striking out one. His mates committed three errors.

Hamilton scored two runs in the first inning on a single by Iannuzzi, a double by Bill Rowe, a passed ball and a sacrifice fly. In the bottom of the inning the Sox narrowed the count to 2-1, when Shannon singled and was forced at second, Hyatt was safe on an error, and Ron Phillips singled.

Both clubs were shut out in the second inning but in the third the Cardinals scored three times when Iannuzzi singled, Rowe was safe on a fielder's choice, Maniaci singled to score a run and an error by the Red Sox shortstop allowed two more runs to score. In the bottom half of the inning the locals tied the count scoring four runs on singles to McCutcheon, Hyatt, Phillips and Dance, a walk and an error.

In the top of the fourth the Steel City crew scored twice to go ahead 7-5, but in the last of the inning the Sox netted three tallies to go ahead 8-7. Shannon started the local rally with a single, McCutcheon got his second hit of the game, Ingles singled scoring two runs, stole second and came home on Hyatt's single to score the third and final run of the half inning.

In the top of the fifth, two Red Sox errors, a fielder's choice and a single scored two Cardinal runs and put the visitors ahead until the seventh inning.

Two righthanders shared the pitching duties for Hamilton, Mike Lynch the starter and Bob

Delaney the loser. Lynch hurled three and one-third innings. Delaney pitched the final four and two third innings.

15 Hits
Doug Hyatt and Ron Phillips paced the 15-hit Red Sox attack with three hits each. Doug had three singles and a triple. Bill Currie had a single and a double, Ron Shannon and Doug McCu-

techon two singles each, Wayne Hilton a triple and Glen Dance and Blake Ingles singles each.

AROUND THE DIAMOND: Sox manager Cliff Houston was ejected from the game in the fourth inning when he disputed a call with Percy Robinson the temper-

Three Game Reports For Little Leaguers

The Milton Little League baseball schedule was shortened for this week, due to the holiday weekend and only three games were reported on.

In the 'B' league action last Wednesday, the Red Sox trounced the Senators 21-9. Wade Baker and Billy Clark pitched for the winners and Brian Rusk and Hugh Marshall saw mound duty for the losers. For the Senators, Hugh Marshall had two hits including a double. Steve Johnson had four hits for the Red Sox, two singles and two doubles and Robert Lawrence had two singles and a triple for the winners.

In the 'A' league, Ken Rusk pitched the Pirates to an 8-6 win last Wednesday night over the Cardinals. M. Bradshaw pitched for the losers.

Thursday evening in the 'A' league, the Pirates beat the Dodgers 11-4. John Crisci was the winning pitcher. Maurice Cassidy took the loss. E. Bonni had a double and three singles, to qualify as the top hitter in the game.

Jockey Club Ltd. manager J. J. Mooney has announced that many horses racing at Greenwood Raceway in Toronto this summer will be stable at Mohawk Raceway, Campbellville, and vanned to the races at the Jockey Club's expense. Woodbine Park stabling that is usually used, is under repair.
