

MILTON GIRLS' PIPE BAND led Legion, L.A. and Milton Fire Department marchers on Sunday afternoon, when they paraded to the Cenotaph in Victoria Park and to Evergreen Cemetery for the annual Decoration Day parade. A small crowd attended the two services.

UNDER SUNNY SKIES Milton Legionnaires honored their comrades at Evergreen Cemetery. Shown is the dramatic moment as Last Post is sounded by the bugler.

Legion Notes

The following events are listed for the interest of members of the Legion.

District 'B' convention is being held at Branch No. 125 at Delhi, Ontario, on Saturday, September 28 and Sunday, September 29, starting Saturday at 2.30 p.m. This is an opportunity to take in the two days and enjoy the full program.

Now is the time to place your name on the dart players' list. Arrangement will be made to have the opening night for the 1963-64 season to start Wednesday, October 2.

The next general meeting of Branch No. 136, Milton, will be held October 7 in the Legion hall starting at 7.45 p.m. This is not a supper meeting.

The Lorne Scots are to be presented with their new colors at Caledon, Ontario at Connie Smythe's farm on Saturday, October 12. Place your name on the list at the Legion clubroom if you are planning to attend.

Another Remembrance Day season is approaching which is observed throughout Canada each year. In November it will be 42 years since the custom of wearing a poppy replica for remembrance was inaugurated in Canada. From the modest beginning in 1921 the custom has become general through the country and this year several million Canadians will be wearing the familiar symbol.

VICE-PRESIDENT

Milton Fire Chief A. E. Clement was this week named a provincial vice-president of the Canadian Association of Fire Chiefs. Chief Clement will act as a liaison man between Ontario chiefs and the national association he said. He served on a committee for the Association last year.

TWO INJURED

Two Milton men received injuries Sunday evening in a one-car accident on Five Sideroad just west of Highway 25. Raymond N. Reid of Campbellville suffered a lacerated forehead and chest injuries, while James R. Finn of Milton had lacerations to the head in the accident, North Halton O.P.P. reported.

EQUIVALENT TO INCREASE

Introduction of a 35 hour work week in industry with no reduction in take-home pay would be the equivalent of a 14 per cent increase in wages.

Historic Campbellville Company Purchased by J. Murray Mahon

Officials of Murray Crawford Ltd. of Campbellville announced this week that the firm has been sold to J. Murray Mahon, effective October 1. The firm will retain the name of its founder and be known as "Crawford Lumber and Coal", the new owner said.

Founded in 1890 by the late Murray Crawford, the mill's name was changed to Murray

Crawford Ltd. in 1919. It was primarily a sawmill and retail coal dealership in the early years, but in 1955, the firm added building materials to its products. The sawmill burned down in 1957.

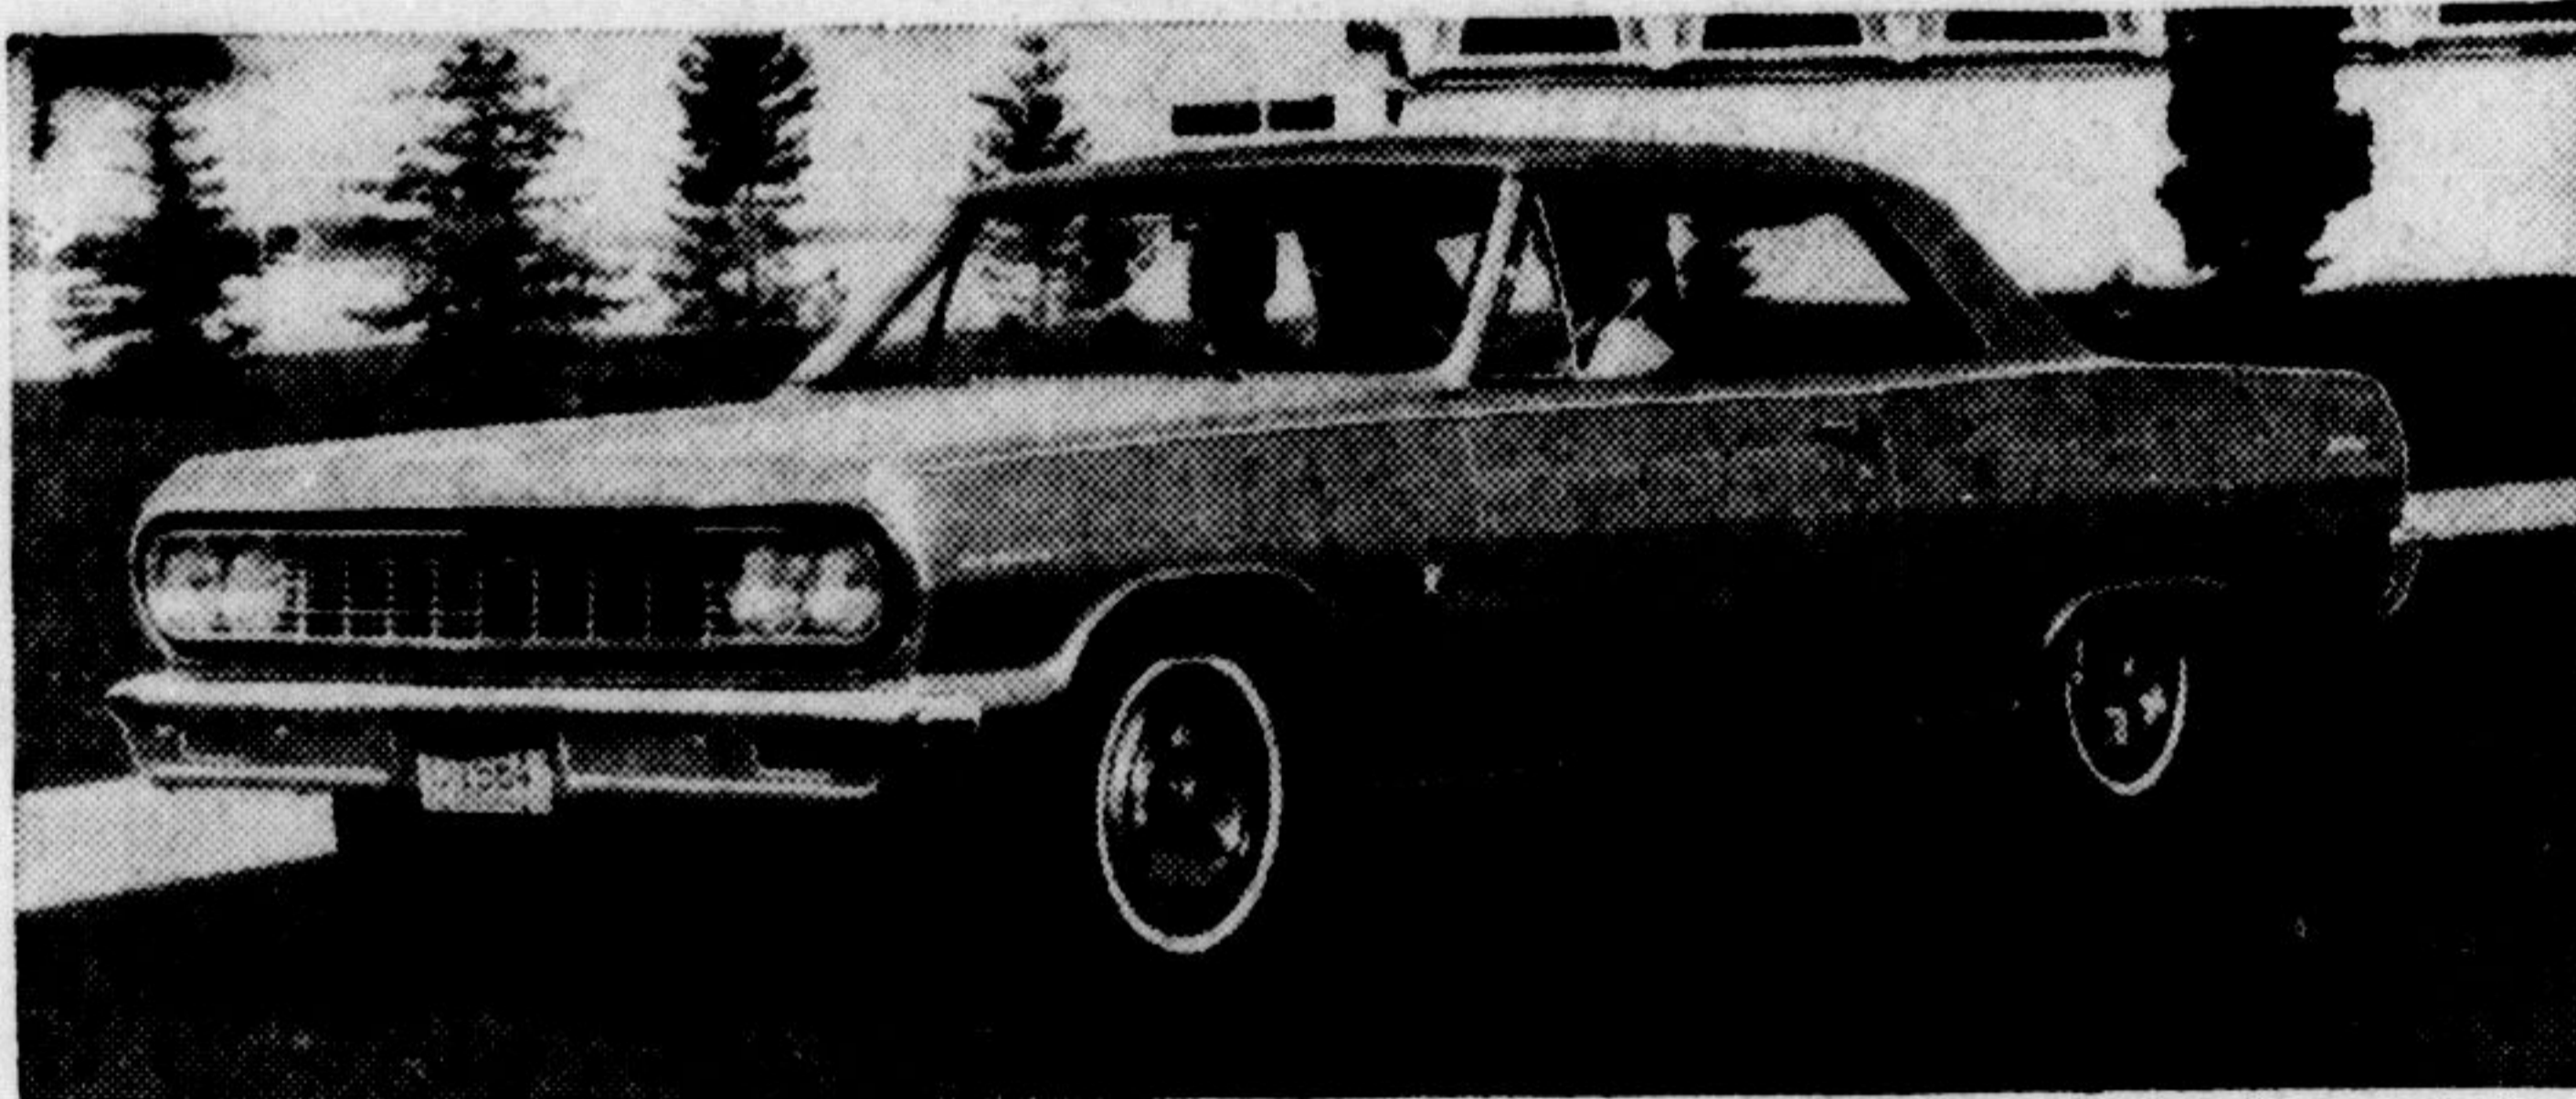

The present owners are Lloyd Crawford, president; Lt.-Col. J. K. Mahon, vice-president, and E. D. Mahon, secretary. J. Murray Mahon worked in

the sawmill for 20 years, and left it to farm in the district about five years ago. He promised to continue the firm's policy of offering the finest materials and excellent service in the future.

1964 CHEVELLE

THE STRIKINGLY BEAUTIFUL new line of Chevelle cars combines new smartness and luxury with new size and price range. Built on a 115-inch wheelbase, four inches shorter than regular models, Chevelle is shorter, narrower and lower than the regular car, but most Chevelle interior dimensions are well within one inch of regular 1964 models. Chevelle introduces a new type perimeter frame engineered for each of the four basic body styles. Shown here is the Chevelle Malibu Super Sport coupe.

THE COLOR PARTY'S FLAGS frame the monument at Victoria Park during Sunday's service of decoration held there by the Legion. The Branch placed two wreaths on the cenotaph in memory of the fallen of the wars.
