## Mohawk's Excitement Pleases Miltonians

(And It's Right on Our Doorstep)

"EIGHTH PLACE AGAIN, seems I always pick the ones that finish out of the money, even when there are seven winners," says Marg Nicholson, as she tosses her proof of a loss into the air. Harness horse followers are a determined lot and though they might lose their shirts one night, they're wearing minks or smoking cigars the next day.

MEMBERS OF THE MILTON LIONS CLUB and their wives were guests at Mohawk Raceway last week. Shown enjoying their supper in the Reservation room are left to right, Mrs. Mowbray, Mrs. Gervais, Chuck Gervais and Gus Mowbray. Several local clubs have been invited to the track for a dinner meeting and a night's racing as guests of the Jockey Club.

THE SEVENTH RACE at Mohawk Raceway on September 16 was named in honor of the Milton Lions Club. About 20 members and their wives attended and enjoyed the dining facilities in the Reservation Room. Shown prior to the presentation to Jim "Red" Holmes of Milton who won the race are Bob Kanerva, Lions president Chuck Gervais, Mohawk Raceway's publicity man Jim Lampman and Lions Gord Strain and Dave Brush.

APPAS TAPPAS can pick his horses, says Don Joyce, I'll rely on my own luck. Don is all concentration when he gets to the track and his money's on the line.

TWO ON WHOSE NOSE? wonder Van Mauro, Reg Latham and George Clements, as they wait in front of one of the betting windows. The boys, like most others at the track that night, enjoyed the racing but hoped for a little better luck next time. Each is a member of the Milton Lions Club.
