

# Pro-Am Hockey Stars Continue High Scoring

John Bell netted a hat trick to pace the Green attack on the Whites. Stan Roberts had one goal and George Chisholm had two, to round out the scoring for the winners. Bell contributed two assists and Buck, Roberts, Clear and Turner had one each. For the losers, Garry Timbers had a hat trick and two assists, to figure on all the goals. Larry Arbic and Nip Gervais rounded out the scoring and Gervais added two assists.

Pro-Am puck chasers continued on their high scoring ways this week, but this time the games were considerably closer, with only a 7-2 decision for the Maroons over the Dark Blues, being a run-away. On Friday evening the Light Blues decided the Greens by a 9-8 count. In Tuesday night action the Maroons walloped the Dark Blues, the Crimson edged the Orange 4-3 and the Greens eked out a 6-5 win over the Whites.

In the Friday night fixture, Hamilton scored three times and assisted once to lead the Light Blues to victory. McLatchie and Cain tallied two markers each and McDonald netted two goals and four assists. Taylor drew one assist for the winners. Stan Roberts starred for the losers with four goals and an assist, while George Chisholm netted two goals and four assists. John Bell and Buck had one goal each. B. Fletcher had one assist, Buck two assists and John Bell one assist.

Doug McCutcheon tallied three goals and assisted on another three, as the Maroons bombed the Dark Blues. John McLean and Carl Hiltz added singletons and Isnor scored twice for the winners. Ted Kennedy had four assists, Carl Hiltz two assists, McLean one assist and Serafini one assist. Jack Duimstra and Hamilton scored the only goals for the losers and Duran and Gaeton assisted.

A third period goal by Aseleton on a pass from Schell, gave the Crimson their 4-3 win over the Orange on Tuesday. Anderson scored twice for the winners and Nyholt assisted once and scored on another occasion. John White had two goals and an assist for the losers. Nicholson had a goal and Peddie had two assists.

# BELL LINES

by Arnold Blachford, your telephone manager

**UPCOMING TV SPECIALS**

Lovers of good music will want to watch for two television treats to be sponsored by the Bell over the CBC-TV network in the next few weeks. On Wednesday, February 19, at 9:30 p.m., six recognized young stars of the music world, including the assistant conductors of both the Montreal and Toronto Symphony Orchestras, will be featured in a program entitled "Young Canadians in Concert." Then, two weeks later — Wednesday, March 4, at 9:30 p.m. — the Bell will sponsor the TV presentation of the Montreal Symphony Orchestra performing Richard Strauss' "Ein Heldenleben" (A Hero's Life) under the direction of Conductor Zubin Mehta. Filmed and recorded at Montreal's proud Place des Arts during the 30th anniversary concert of the Montreal Symphony Orchestra, the program captures a full richness of sound for 47 minutes of uninterrupted music, and also highlights an interview with Conductor Mehta.

**ANSWERER**

Whenever you're looking for information, you have a variety of sources to turn to, depending on the nature of your quest. There's the dictionary or encyclopedia . . . newspapers and magazines . . . radio and TV . . . maps, cookbooks, bus schedules etc. etc. etc. . . . AND, of course, the telephone. And it's the telephone you reach for most often when you want information in a hurry — information such as is Mary Ellen's birthday tomorrow (horrors!) or next week? . . . how do you get to the Johnson house? . . . what's the latest stock quotation? . . . what time does the movie begin? . . . who is going to bring the youngsters back from the party? Isn't it a fact, though? Day after day it's the telephone that helps you get the answers you need to schedule your activities and keep you informed.

**QUESTION**

The hospital switchboard operator advised the caller that the patient in 618 was not yet receiving calls.

"Well, can you tell me how Mrs. Smith is getting along?" inquired the caller.

"Surely," replied the operator. "She had her operation this morning and is doing extremely well, according to my card. May I tell her you called, please?"

"Oh, that won't be necessary," came the answer. "This is Mrs. Smith in 618. I just wanted to find out how I am. Thank you."

# Pee Wees Tounce Orangeville Take Opener in Playoff Series

The Milton Kinsmen Pee Wees opened the second rung of their Tri-County playoffs with a decisive 7-2 victory over Orangeville. Peter McCuaig opened the scoring at 8:15 of the first period, rifling in a goal mouth pass from Jack Surbey. Two minutes later, and by Orangeville shorthanded, Ricky Mitchell flipped the puck over the Orangeville goalie, making the score 2-0. Ray Evans assisted.

Evans showed his skating ability in the second period, as he out-skated the Orangeville defence and fired a low shot past the startled netminder. Milton continued to press until Nigel Ferguson was able to dent the twine with Ray Evans and Mike Frame assisting. Jim Marshall finished the scoring a minute later with Gary Young and Ray Tonelli assisting. The second period ended with Milton sporting a 5-0 lead.

Orangeville, however, seemed to pick up speed in the third period. David Sver and Tom Doyle scored quickly in the opening minutes and the game took on a new look. Orangeville continued to press and Terry Cole was called on to make three difficult saves on breakaways. The Milton team finally became untracked and Jack Surbey teamed up with Ray Evans to lengthen the hometown lead.

With 30 seconds left Nigel Ferguson scored his second goal of the night with Gary Young setting him up with a beautiful goalmouth pass.

The Pee Wees travel to Orangeville for the second game of the total goal series tonight (Thursday). If all goes well, they will play Hespeler in Milton on Saturday. Game time is 5:30.

**Dividend . . .**  
Continued from Page Three

Officers were also named, with Jim Harkin elected as vice-president, Jim Langedyk elected as secretary for three years, Charles Cairns elected to the publicity and education committee for two years, and Dr. W. C. P. Wright named to the publicity and education committee for one year. Mr. Langedyk is also on the property committee.

Credit Committee members include Peter De Grath for three years; Gaston Teilmans for one year; Harry Frost was named chairman of the supervisory committee, Charlie Thomas as secretary of that committee and Lorenz Maier as a member of the committee. Jules Fryters of Acton is the treasurer.

**WRONG WATTS**

In the list of blood donors in last Thursday's Champion, the name of Mrs. Patricia Watts was incorrect. It should have read, Mrs. Primrose Watts.

**THE DURABLE FIRE ENGINE**

The world's largest fire engine factory, as you might imagine, uses a lot of red paint. About 6,000 gallons of it are delivered every year to the American LaFrance Co. at Elmira, N.Y., which must be a wonderful place for goggle-eyed boys. It's the factory that turns out almost half of the 1,200 fire engines made annually in the United States.

**Red is the most popular color for fire engines, of course, but a lot of other shades are used too, for cities that want something different. White is the second most popular color, then green. LaFrance has also made fire trucks in black, blue, chocolate and elegant gold. And there was one famous truck that was ordered in a shade of lilac (Must have been a female majority on THAT town council).**

How fast can a fire engine go? Well, the big 275 horsepower, 12 cylinder LaFrance aerial truck ladder will pull its tremendous load at 92 miles per hour. Most newer models, however, have a governor on them limiting speed to 65.

Fire engines are durable pieces of machinery that are maintained in top condition. LaFrance estimates that at least 15,000 of its 20,000 motor-driven fire trucks are still in use. It made its first gasoline fire truck in 1910 and it's still in service.

Used car buyers are always prepared to pay premium prices for cars in "fire engine" shape. That's why care and conscientious servicing of your car will pay you back in superior resale value as well as "fire engine" performance.

Don't forget Boy Scout paper pick-up this Saturday. The Boy Scouts do a good job for us on this and deserve the support of all of us.

Notice of Application to the Ontario Municipal Board by the Corporation of the Town of Oakville for Approval of a By-Law to Regulate Land Use Passed Pursuant to Section 30 of the Planning Act.

TAKE NOTICE that the Council of the Corporation of the Town of Oakville intends to apply to the Ontario Municipal Board pursuant to the provisions of Section 30 of the Planning Act for approval of By-Law number 1963-152 passed on the twentieth day of November, 1963. A copy of this by-law is furnished herewith. A note giving an explanation of the purpose and effect of the by-law and stating the lands affected thereby is also furnished herewith.

Any person interested may, within fourteen (14) days after the date of this notice, send by registered mail or deliver to the Clerk of the Town of Oakville, notice of his objection to approval of the said by-law together with a statement of the grounds of such objection.

The Ontario Municipal Board may approve of the said by-law but before doing so it may appoint a time and place when any objection to the by-law will be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection.

The last date for filing objections will be February 27, 1964.

**DATED AT THE TOWN OF OAKVILLE** this 13th day of February, 1964.

S. A. Featherstone, Clerk,  
The Town of Oakville,  
P.O. Box 310,  
Oakville, Ontario.

**THE CORPORATION OF THE TOWN OF OAKVILLE**

**BY-LAW NO. 1963-152**

A By-Law to amend By-Law 1958-48 of the Township of Trafalgar (Sites for future use by Public Authorities and road frontage).

**THE COUNCIL OF THE CORPORATION OF THE TOWN OF OAKVILLE ENACTS AS FOLLOWS:**

1. Subsection (D) of Section 3 of By-law 1958-48 of the Township of Trafalgar as amended by By-law 1960-118 thereof is amended by substituting the following therefor:

"Subject to subsections (E) and (F), no person shall establish a parcel of land which does not abut a street and comply with all relevant provisions of this By-law."

2. Section 3 of By-law 1958-48 is amended by adding a new subsection (F) thereto as follows:

"(F) Where land has been acquired for the purpose of accommodating municipal work such as services, drainage or road widening or by the Hydro-Electric Power Commission of Ontario or other authority for the purpose of a power transmission line, railway, pipeline or the like and such acquisition has deprived a property or a part of a property of its frontage on a public road, the land so deprived shall be deemed to have retained its frontage for the purposes of this By-law and for this purpose the front lot line will be deemed to have been moved back to the property line between the lands remaining and the lands so acquired in respect of the land or the part thereof which has been deprived of its frontage."

3. This By-law comes into force when approved by The Ontario Municipal Board.

Wm. Anderson, Mayor,  
S. A. Featherstone, Clerk.

READ and third time and passed this 20th day of November, 1963.

Wm. Anderson, Mayor,  
S. A. Featherstone, Clerk.

**Summary of Restricted Area By-Law 1963-153**

**Purpose of the By-Law**  
To ensure that where land has been acquired for Federal, Provincial or Municipal purposes along the frontage of a parcel of land that such acquisition does not deprive the property of its frontage on a public road.

**Effect of the By-Law**  
The land losing its frontage will be deemed to have retained its frontage on a public road. The frontage will merely be moved back from the present property line to the depth that was acquired by the aforementioned authorities.

**Location of the Lands Affected**  
All of those lands lying south of the Road Allowance between Concessions 1 and 2, North of Dundas Street, and located in that area presently known as the Town of Oakville but involving only those lands located in the former Township of Trafalgar.
