The welcome party and shower was arranged by Mrs. Steve Trencs, Mrs. Jack Trischler and Mrs. A. Trischler of Hornby and Mrs.

LATER D.S.T.?
Whoops! Daylight Saving Time is confusing enough, without The Champion adding to the confusion. Our story last week reminding residents to turn their clocks forward Sunday, was wrong when we suggested you make the change "before midnight Sunday." Everyone knows (except, perhaps, our reporters and proof readers, maybe) you change them at bedtime Saturday — the official time in Milton is 2.00 a.m. Sunday.

Mr. and Mrs. Lloyd Bayley spent the weekend with Mr. and Mrs. Murray Oldfield in Toronto. Hardy Purdy Jr. spent the weekend with friends in Welland.

Attend Evening Service
Many from St. David's Presbyterian Church attended the Guelph Line Ministerial service in St. George's Anglican Church on Sunday evening at Lowville, when Rev. Kenneth Griffiths took the sermon "Riding in a boat on Turbulent seas".

Happy birthday to Stanley Price, Vivian Cramp, Mrs. Lorne Mitchell, Ann Mitchell. Wedding anniversary greetings to Mr. and Mrs. Stanley Henderson, and Mr. and Mrs. George Mahon.

Our Readers Write

Dear Sir,
I read with great pleasure in your last week's edition of the wonderful idea for the Nassagaweya Township offices and centennial project.

In these days when to save the taxpayer's money seems to be the last thought of our local council, it is inspiring to see such a group of public spirited women coming forward to propose such a far-sighted, economical and enterprising idea.

We Nassagaweyans should give them our whole-hearted support and encouragement.

An Interested Taxpayer.

The Editor:

As members of the stronger sex, we certainly should all take off our hats to the Women's Centennial Project Committee of the township, for coming up with such a practical yet imaginative idea for our centennial project.

Let us all get behind them and make this an event to be remembered. Who says that women don't know how to save the money?

Gordon E. Agnew,
Campbellville.

Sir,
"Bravo", and every success to Mrs. M. Newton and those ladies working so diligently to make the restoration and alteration of No. 3 school in Nassagaweya our centennial project. The use of this fine old building as Municipal Offices will undoubtedly save the taxpayers thousands of dollars.

I only wish people of the calibre of these enterprising ladies would run for office in the next municipal elections, Nassagaweya badly needs people with imagination, initiative and the power to get things done, both on the Council and on the School Boards.

Sincerely,
W. A. Johnson,
R.R. 2, Rockwood.
