

## Executive of Halton U.C.W. Guests at Ballinafad Church

About 60 members and representatives from locals attended the executive meeting of Halton Presbyterian United Church Women in Ballinafad church on Monday. Mrs. Don Smith, the local president, welcomed the ladies who came from Burlington, Cooksville, Milton, Fort Credit, Bronte, Carlisle, Hornby, Georgetown, Frelton, Oakville and Streetsville.

Mrs. Earl Sovereign presided with Mrs. K. McMillan opening the morning session with a beautiful devotion. The hymn of praise, "All creatures of our God and King, Lift up your voice and with us sing" was sung and for the Scripture she chose several passages starting with "In the beginning, God created the heavens and the earth" and ending with Rev. 21; verse 5 — "Behold I make all things new". As a closing prayer, the hymn "O Jesus grow thou in me" was sung softly.

Reports were heard from finance, supply, nominations and leadership training secretaries before the noon hour when all present enjoyed a pot luck luncheon served by the Ballinafad ladies.

The afternoon session was in

charge of Mrs. P. Spence, chairman of Christian Citizenship and Social Action, who spoke briefly on immigration and the new book "Breaking the Barriers", which is the report of the Presbytery on Evangelism and Social Service. Assisting Mrs. Spence were Mrs. Sangster who gave the annual report of the Victor Home, Mrs. Thurston who told a little of the work done amongst Canada's 200,000 Indians, and Mrs. Ralph Wilson who spoke about the work of the C.N.I.B. and "The Eye Bank". She recommended the pamphlet recently published, A Miracle of Sight, and she also mentioned two stories that had appeared recently in the press concerning people who had given their eyes so that others could see.

Mrs. Sovereign thanked all those who had assisted in the program for the day and especially for their hospitality. She paid the ladies of the Ballinafad group tribute to Miss Beatrice Hiltz, the oldest member present who so ably assisted the local president in receiving the guests of the day in the church where she has served so faithfully for many, many years.

## Home, School Purchases 3 Paintings Hears Guidance Talk on Teaching

By Mrs. William Watson

On Tuesday evening April 21 the Kilbride Home and School Association met in the school auditorium. A committee composed of Miss Florence Meares, George Logan, Mrs. Bradford Clements and Mrs. William Trenwith presented three paintings which had been purchased from the 1962-63 home and school funds. The pictures were painted by the Canadian artists, Thos. Thomson, Cornelius Kreighoff and James Morrice and will be placed in the hall of the school.

Marsha Zuest and David Harbottle, finalists in the Kilbride school public speaking contest gave their winning speeches. Guest speaker of the evening was C. Cantelon, Hamilton Teachers College, who gave an address on the training of today's teachers. Grade 7 and 8 students were invited to attend this meeting as this topic related closely to their guidance course. All in attendance enjoyed having the opportunity to hear Mr. Cantelon speak and to learn how the teaching profession has changed over the years.

The shield and award was won by Miss Meares' room. Refreshments were served by Mrs. Gilmore's room. Grades 7 and 8 presented the Friday morning assembly with Burk Harrison as chairman. The opening hymn was Fairest Lord Jesus, followed by a Scripture reading by Doris Robertson. The class choir entertained with two selections, Old Black Joe and John Brown's Body.

Several of the students then gave a demonstration of tumbling. The concluding number was a play in rhyme, The Pied Piper, which was written by Robert Browning the famous English poet.

**Film Showing**  
Walt Disney's exciting adventure-filled Swiss Family Robinson film was enjoyed Saturday.

April 25 at all three showings in Carlisle Community hall. This was the last program for the season and it will be decided if it will be worthwhile to continue to bring in outstanding family movies next winter.

These programs have been put on by the Carlisle United Church Couples' Club to help raise money for the church building fund.

**Old House Burns**  
One of the area's oldest houses burned to the ground Tuesday evening, April 21, after being struck by lightning. Mr. and Mrs. Wilford Klickerman, 7735 McNiven Road and their two children Chris 12, and Robert 3, escaped unharmed but were unable to save any of their belongings.

Milton and Burlington firemen were summoned but the home was gutted when they arrived on the scene as heavy fog hampered their attempt to reach the fire in a minimum of time.

The building is said to be 135 years old and was previously owned by the late John McNiven. The Klickerman family spent the night with neighbors Mr. and Mrs. Van Der Voort.

Funeral service was held Saturday at the Kitching Funeral Home, Waterdown for the late William Thompson who passed away in his 88th year at the Joseph Brant Memorial Hospital.

Mr. and Mrs. Geo. Johnson of Glenfern Avenue are the proud parents of a daughter Melanie Jane, born April 20 at the Joseph Brant Memorial Hospital. A sister for George and David.

A Tupperware demonstration was held at the home of Mrs. George Hardsand Monday evening.

Birthday greetings and best wishes go to Mrs. Andy Wetherelt and Charlie Hepburn Jr. May 3, Barbara Nicholson April 30, Nancy Hiscock, Susan Coulson and Doug Watson May 6.
