BOLTON COMMUNITY CHOIR presented a varied two hour program in the Milton District High School on Saturday evening under the auspices of the J. M. Denyes Home and School. Members of the Home and School executive, Jim Scofield and May Johnston are shown chatting with choir director Mrs. D. Addison, as are Mrs. Betty Gwinn and Noel Holland.

Concert by Bolton Community Choir Is Professional-Type Singing, Acting

The two hour performance of the Bolton Community Choir, at the Williams Ave. High School on Saturday evening, attracted a crowd of 200.

The 35-voice choir, under the direction of Mrs. D. Addison, presented their program in three acts. Far from being a formal choir presentation, the program was laced with acting, backed by costuming, that lent a professional-type touch to the two hour program.

Sponsor of the event was the J. M. Denyes Home and School Association.

Scrapbook Memories Titled "Scrapbook 1964", the

program was made up of show highlights of the group dating back to 1953. Narrator Laura McMillan wove the events together as the group staged numbers like musical comedy highlights, Mike McGilligan's Ball, Stephen Foster memories, Christmas in the rural school and religious numbers.

An 83-year-old member of the choir, Barry Steele, sang *Gone Are the Days* in the Stephen Foster selections, and a group of teenagers, Bonnie White, Marnie Thomson, Jean Goodman and Sharon Bean contributed *The Lonely Goatherd* from Scandinavian Night.

Rural Schoolroom
Christmas in the Rural School complete with recitations, readings, solos, group songs, and members of the choir arranged in fidgeting school room rows was one of the show highlights.

A duet by Len McDooling and Mrs. Jean Smith from *The Gypsy Rover* as well as other individual and group numbers were show features.

Pianist for the event was Sadie Small.

Members of the cast were entertained with coffee and donuts following the show at the J. M. Denyes school.

110 Academy of Music Students Give Accordion, Guitar Recital

Accordion and electric guitar music filled the auditorium of Milton District High School Monday evening, as approximately 110 Milton and district students of the Canadian Academy of Music presented their annual recital.

About 300 parents and friends sat in on the performance, and were thrilled by solos, duets and group orchestra numbers. Featured visiting artists were Lloyd Bank, renowned TV and radio guitarist, and Joe Macerollo, the 1964 Canadian accordion champion.

Members of the faculty participating with the students, included E. Geroux, T. Nemeth, A. Niziol and R. Sreblowski. Music director was G. Dublick.

Soloists on the program were Doriano Poloni, Robert Nevin, Peter Svilans, Larry Buckley and Sharon Liddle. Johnny Curk and John Hampson performed a duet. Indifference Handicap in TB Fight Stress Need for Continuing Education

"Indifference is still our greatest handicap in the battle against tuberculosis," Mrs. C. W. McKim reported, at the annual meeting of the Halton County Tuberculosis and Health Association in Oakville last Wednesday evening. "The battle against tuberculosis would make much greater strides both in Canada and throughout the world," Mrs. McKim concluded in her representatives report, "if the public at large could absorb and remember the information published in papers and books concerning TB."

In 1963, 19 new cases of T.B. came to light in the County, 15 of which were found by family

physicians, bringing family doctors well to the fore as case finders. The four other new cases were found by clinics which have been operating in Acton, Milton, Georgetown, Oakville and Burlington. During the year the total attendance at the chest clinics was 991, a marked increase over the attendance at clinics during 1962, when 474 attended. One death in the County during 1963 was caused by T.B.

19 New Cases
In submitting his Health and Education Committee Report, chairman W. Savage suggested, "of the 19 new cases and the one death in the County, every single one could have been prevented by proper education at the right time. Have you had an x-ray in the last 12 months? If not, call your doctor and arrange for a free chest x-ray."

During the meeting, Association officers for 1964-65 were elected, with E. F. Carberry of Oakville re-elected as president, W. J. Benson of Acton remaining as past president, H. A. Brearly of Oakville returning as vice-president, J. H. Simpson of Oakville returning as honorary treasurer, Mrs. Jack Rennie of Oakville back as social worker and Mrs. M. E. Lunau of Oakville returning as Association executive secretary.

Directors for the coming year include E. G. Adamson, Mrs. J. Curran, Dr. D. A. Dixon, Harold Serebrin, W. D. Savage, Mrs. C. W. McKim and A. C. Marnoch of Oakville; Mrs. Horace Blyth of R.R. 1 Acton and Mrs. R. R. Parker of Acton; Dr. A. F. Bull, Halton County Medical Officer of Health, Dr. L. M. Stuart, Assistant Medical Officer of Health for the County, and Mrs. Lloyd Davis of Milton; E. C. Foster of R.R. 3 Campbellville; C. L. McFadden and Dr. W. C. Procter of Burlington and Mrs. E. Sanford of Limehouse.

150 at Meeting
More than 150 attended the meeting at the Pine Room of Oakville arena and heard president Ewart F. Carberry report, "we are making tremendous

strides in the prevention and cure of tuberculosis in our area. The existence of T.B. is not localized however, it is a world wide problem. At least 15 million people suffer for infectious T. B. and at least three million people die each year because of this dreaded disease."

Thanking the executive and the public for their help during the past year the president noted the group lost one of the most valued and faithful members, by the death of Mrs. George Somerville of Acton. "For many years she contributed freely and fully of her time for the success of this association."

High Returns
A. C. Marnoch, Christmas Seal Sale Chairman, reported the highest returns in our history, which represent an increase of 5.5 per cent over 1962. As a result of the sale of Christmas Seals, \$35,931.50 was raised for the fight against T.B. The per capita figure amounted to 29.3 cents, the second highest in Ontario and the return per contributor of \$2.88 and the return per letter sent out of \$1.22 were all above the provincial average.

Social Service and Rehabilitation worker Mr. J. Rennie in her report, noted "those who have been aided by the Halton County Tuberculosis and Health Assoc-

iation have expressed their thanks and are grateful to know such services exist in the County. To any patient or family who may need us, we are always available."

The audited and approved financial statement for 1963-64, showed a present bank balance of \$47,973.24, presently available for the 1964-65 campaign.

Guest Speaker
Guest speaker for the evening was Bertha M. Reynolds, the

chief attendance officer and coordinator of the Child Guidance Clinic for the Toronto Board of Education.

Dr. Campbell MacArthur, chairman of the Medical Advisory Committee, summed up the aims of the Association in his report, stressing that "eradication of tuberculosis is now our goal through the implementation of good health measures and with the co-operation of everyone in Halton County."

Six Major Projects Construction Boom

Construction is literally "booming" in Milton today, with six major projects now underway.

Workmen are digging on the site of the \$50,000 Main St. stores and offices of W. Ollen, on the former Gowland property. A bulldozer is levelling the Millside Plaza site of the new \$90,000 curling rink beside the Brewers' Retail store.

On Williams Ave., workmen are nearing completion on 13 new single-family homes worth \$126,500 along the west side of the road north of the High School, while a \$23,000 addition to International Co-operative Co. is also nearing completion on Main St.

The first floor is up and three are to follow, at the \$165,000 Ontario St. 30-suite apartment building to be known as Maple Glen Apartments. On Mill St. G. Chase of Blenheim is erecting a cement block building to house an appliance store, worth \$9,000.

ONE-NIGHT BLITZ

Support your community swimming pool. Be at home with your cheque book ready when a volunteer calls for your donation next Tuesday evening, May 19, during the one-night blitz. Only \$10,000 is needed to pay off the new pool.

BEAVER PROBLEMS
Nassagaweya Council has beaver problems on the Fifth Line between 20 and 25 sideroad, and has asked the Halton Game Warden to remove the beavers. They have been building dams and flooding the culverts at the roadway.
