THREE MILTON HEIGHTS YOUTHS were hospitalized Saturday afternoon when this car left the road and plummetted into a ditch and a field filled with tree stumps. The accident happened around 4 p.m. Saturday on the Campbellville Sideroad just east of the First Line, Esquesing. Hospitalized were driver John Soulier with head injuries; Lloyd Hilson with two broken ankles and a broken foot; and Gerald Arpa with abdominal injuries which hospital officials described as "nothing significant." Their car, a 1956 Ford, was a total wreck.

## Canadian Average: 37.05 miles per gallon

We've always claimed that the Volkswagen 1200 gets 38 miles to a gallon of regular gas. But sticking to our figure hasn't been easy. Some customers say they get 45 mpg. Others report in the low thirties. (It seems to depend on how and where they drive.) So we decided to settle the question once

and for all. We sent questionnaires to VW

owners across Canada. The results are above. (You can double check our average simply by adding the figures together and dividing by 144.)

So much for gas. How about oil? The average is 1500 miles without adding

Tires? The average is 35,000 miles to a set. Trade-in? The average is better than average because Old Faithful never goes out of fashion. There's one more thing we should tell you.

The average Canadian doesn't buy a Volkswagen. But then who wants to be average?
