Work is progressing nicely on the new house being built for Misses Lexy and Maggie Douglas at Boyne.

Mr. and Mrs. Eddie DeBoer and family returned home from

EBENEZER Large Attendance at Church Service

An unusually large congregation greeted Rev. W. Leeman on Sunday morning, after his refreshing holiday in Parry Sound district.

Mrs. Frank Armstrong from St. James United Church, Montreal, was guest organist. Mrs. Murray Hayward sang "Are you kneeling when God answers prayer?"

Mr. Leeman based his remarks on St. John 19: 13-27. John, the beloved disciple had always to be near Jesus. It was a privilege for him to be entrusted with the care of Jesus' earthly mother. It is a tradition that she continued to live as an honored guest in John's home for eleven years.

The elders and Sunday school teachers and officers are reminded of the meeting at Eden Mills next Sunday evening, to discuss the new curriculum.

—There were \$9,700 worth of building permits issued in Nasagaweya in July, including one residence at \$8,000, a garage and a residential addition.

a week's vacation with their relatives near Pembroke, Ontario.

Medical Services Streamlines Claims

Claims handling at Halton Co-Operative Medical Services has taken on a "new look", president Sam Finnie reports. The claims-handling procedure has been streamlined to meet increasing demands and soon all Halton doctors who have patients in the Co-Op plan will receive new claims cards.

The Medical Service is also issuing new descriptive folders and poly envelopes are now in use for all contracts.

4-H Club Sees Film

A regular meeting of the Halton 4-H Corn Club was held in the Agriculture Extension Branch Offices in Milton on July 30.

After business meeting, which was handled by Jeff Nurse and Marge King, Bruce Huff taught the group a lesson in fertilizer requirements and the importance of soil analysis.

A film was shown on the economics of corn production and the low cost per bushel of a high yielding corn crop.

Following the film the group split into two smaller groups which alternated between judging a class of barley and identifying ten forage seeds.
