 Following doctor's orders and due to the difficult labor situation, Mr. McClure has regretfully decided to disperse completely this good farmer breeder herd, which was established in 1932. Building this herd was practically a lifetime project for Mr. and Mrs. McClure and many creditable ROP records have been made under ordinary conditions.
 This is a relatively young herd with well-balanced, sound udders and although no classification has been done in recent years, you will find good quality dairy cows. We believe that purchases can be made, knowing these animals will do even better for you than they have for the McClures. Central Unit Sires are well represented with offspring, with the main service sire in the past year being Glenvue Sky Chief —.15 head due in the fall and early winter.
 Immediately followed by the Ninth Rockwood International Consignment Sale. Choose from our offering of good quality fresh and springing young heifers and cows, all personally selected to meet your requirements. Also open heifers to grow into profit.
 Sales will be held at the Georgetown Sales Arena.

Letters to Editor

A TASK FOR PARENTS
 Dear Editor:

Speaking for myself, I am very pleased with Milton Police Force and believe it should have more parental support.

Let's make a resolution (in August!) to give Chief Address the support he requests.

Let us have less of the attitude "my Johnny wouldn't do that". That's not fair to the children, old or young.

That's not to say believe him guilty of every accusation. Give him a chance to a private talk to vindicate himself, but make sure he clearly understands right from wrong. We have a tendency to remark, "they know right from wrong" but do they really?

We should know where they are and what they're doing at all times. We are responsible for their actions, good or bad. Let's set a good example and give the police force more help.

Mrs. J. P. Burton.
