

# Local Dealers Unveil New '65 Cars in Milton Showrooms This Week

Milton car dealers are rolling out the red carpet this week to unveil the new 1965 models. Most of the new cars will be displayed tonight (Thursday) and Saturday.

G.M. products will be on display Thursday evening at the Reed-Redfern lot on Ontario St. To mark the dealer's anniversary a free barbecue complete with hamburgers, hot dogs and coffee plus free pony rides for the children, a huge bonfire and a searchlight are planned.

Bell Bros. Limited will be introducing the new 1965 Dodge and Chrysler and marking their 33rd anniversary under the same management and at the same location. John Bell recalled this week it was on Milton Fair day 33 years ago that the business was opened.

Chuck Beeton and his staff at Trafalgar Motors are introducing the 1965 Ford line, beginning Thursday evening and continuing to the weekend. Tommy Renzetti will be on hand to provide musical entertainment as guests inspect the new lines of the '65 models.

At Milton Motor Sales Ltd. the staff will be unveiling the 1965 Pontiac, capping the usual period of secrecy that attends all new model introductions. Refreshments have been arranged for the special once-a-year event. Johnson Bros. have completed showroom renovations in time

for the introduction of the 1965 Plymouth and Chrysler lines. Charlie Johnson points out the Johnson name has been associated with service to the motoring public for more than three decades. Bill Cross of Bill Cross Service Station will be introducing

a new car to the local market this weekend. The skoda will be exhibited to the public at Milton Fair this Saturday according to plans detailed in this week's issue. Plaza Motors at Milton Plaza will be displaying the 1965 models of the Volkswagen this week-

end. Owner George Commens stresses the basic features of the cars like economy and body lines are still contained in the new models. Whatever your choice of cars, you'll find them in Milton showrooms and dealers will be happy to show you the new '65's.

**24 "OLD SWEATS" FROM MILTON** and district gathered together for a reunion Saturday, to mark the 50th anniversary of the start of the first World War. Milton Branch 136 of the Royal Canadian Legion treated the first war vets to a reunion dinner in Brampton, attended by over 200 veterans from throughout the Legion Zone B7. During the day they participated in a memorial service at the cenotaph in Brampton, enjoyed a dinner and program, and spent most of the time talking over old times and singing favorite songs. The group from Milton, shown above, includes Charlie Kennedy, R. M. Clements, Elgin Beck, Bill Randell, Bill Coates, George Bayliss, Elio Mattiussi, Jack Montgomery, Martin Rigo, Frank Thompson, Fred Jeffries, Bert Giddings and John Ford in the rear row; Bill Gallagher, Roy McDowell, Clare Williams, Jack McLaughlin, Robert Brooks, William Wylie, George Williams, Basil Smith, Richard Kemp and Charles Lecocq in the front row. Five of the veterans came from Halton Centennial Manor.

## Milton Fair on Weekend

It's fair time in Milton this weekend — the 112th for the Halton Agricultural Society.

The tented city that forms the midway is already set up... the rides are being assembled... the grounds are spic and span... or the crowd of thousands expected to attend... the directors are busy completing last-minute details around the grounds... the farmers who provide the majority of displays have been busy weeks preparing their entries... and all is in readiness for the Friday two-day event scheduled for Friday and Saturday.

**Pray for Good Weather**  
Crowds at the recent fairs have been lower than usual, due to inclement weather. Directors are hoping for a sunny weekend with clear skies, to ensure a large crowd this weekend.

The Milton Fair is the county's oldest fair, and its roots go back to 1853. In the early days parades and judging competitions were held on the Main St. Today, the large fair grounds properly includes cattle ties, a half mile dirt track, a grandstand seating

2,000, and four modern quonset-type buildings that house indoor exhibits.

The fair opens Friday morning with placing of exhibits and the judging expected to take until late in the afternoon. The fair is open to the public Friday evening from 7.30 to 10 p.m. Women's work, baking and handicraft classes go in the main hall next to Robert St., hay and grain plus commercial exhibits in the second hall, the 4-H and Junior Farmer displays in the Scout Hall building, and poultry in the fourth quonset-type hall. Under the grandstand are arts and crafts and flowers.

**Achievement Day**  
The 4-H calf clubs hold their achievement day Friday afternoon on the grounds. The midway will be operating Friday afternoon and evening, as well as all day Saturday.

two dashes to each race, and \$700 in prize money for the best drivers.

**Entries are Up**  
The Department of Agriculture, which handles the Jersey and Guernsey and Holstein cattle competitions, reported this week entries are up in the Jersey and Guernsey competitions but the Holstein entries are down slightly. The fair Board is sponsoring a new class for Avyshires for the first time, and there are several entries.

Vince Mountford of Brampton will emcee the Saturday show, in front of the grandstand. Three harness races will be held with

### Police Crack Down On Carts, Bicycles

Milton Police promised a crackdown this week on youngsters who are riding bicycles and driving home-made carts in a careless manner. Police Chief Ray Andress reports that numerous complaints have been received during the past few weeks and he noted, "we're going to put a stop to this silliness even if it means impounding bicycles."

Youngsters have been riding bicycles at night without lights or safety reflectors, and have also been driving home-made carts in the middle of the streets and impeding traffic. Chief Andress stated, "it's really up to the parents to make sure their children are riding bicycles properly and obeying the safety rules, but if they don't we're going to start impounding bicycles. All we are really trying to do is protect the youngsters and prevent accidents."

### AT CONVENTION

Milton Liberal Association members K. Y. Dick and Joe Hendricks were in Toronto on the weekend, as part of Halton County's 13-vote delegation at the Leadership Convention. The Halton delegates started off the convention backing candidate Joe Nixon on a later ballot, and finally put their 13 votes behind runner-up Charles Templeton. Final ballot voting proclaimed Andrew Thompson the party's new leader.

### \$66,394 Bid

The contract was signed Tuesday of this week, awarding the tender for the Jas. H. Matthews and Co. (Canada) Ltd. plant addition, to Ivey-Dreger Construction Co. Ltd., Oakville. The firm's \$66,394 bid was the lowest of three received, plant manager Roger T. Randell reported.

Construction of the 4,600 square foot plant addition and office is expected to begin at once, with the completion date scheduled for January 15. The addition includes 1,400 square feet of office space on the south side of the building, facing Nipissing Rd., plus a 3,200 square foot addition to the plant, on the north-west corner of the present building.

### Agree in Principle

#### Open Deer Season Possible

Halton County Council may declare an "Open Deer Season" in the County this year if Wentworth, Wellington and Peel Counties agree to jointly hold the open season. Nassagaweya Reeve William Coulter reported to county Council on Tuesday that the main concern when deciding on an open season was that a large enough district would be available to hunters so that they would not all converge on one area.

Hunters and Conservation officials in the county have been concerned for several years with the increased deer population in the county, and have repeatedly asked for an open season. In a

## Form Milton Curling Club Robert Reed is President Curling in Mid-November

The Milton Curling Club was officially formed at a meeting of members on Tuesday evening of this week with E. Robert Reed elected the club's first president.

Curling is expected to be underway in the new \$120,000 rink and club rooms by mid-November it was reported, to the 65 present for the first full meeting of a group of 206 members that contributed a total of \$30,900 to a trust fund last February.

Officers elected at the meeting included Mr. Reed as president, Don Stinson as first vice-president, A. E. Millson, secretary, C. Dobie treasurer and directors C. Anderson, M. Ezeard, S. Allen, B. Wheeler, W. Randall and R. Olan.

**"Moving Force"**  
Introduced as the "moving force" behind the establishment of a curling rink, Mr. Millson reported on the activities of the temporary group that got the club going.

He reviewed the attempts to establish a rink as far back as 1958 and the final effort in February of this year. He noted the group organized for a systematic canvass and in 15 days had 196 members who had each contributed \$150 to get the project going.

The site of the curling club, presently under construction on Millside Drive, was chosen for its central location and the availability of services. Visits to many other clubs were made before final plans were completed.

### Hold to Four Rinks

Turning to the question of constructing six rinks or four, Mr. Millson reported the plans were finalized at four rinks when it was learned costs would increase by at least 36 per cent for the two additional rinks.

Total estimated cost of the project is \$119,496.56. Mr. Millson explained, with annual operating expenditures estimated at \$12,586 plus repayment on the principal of a \$90,000 mortgage.

Thirty three pair of curling stones were ordered from Scotland at a cost of \$1,975 and it was expected they would arrive shortly.

David Thompson was named to act as chairman of the meeting prior to the election of the officers. The club was formed on the motion of B. Wheeler and M. Ezeard. Ray Murphy presented the report of the nominating committee.

**Help the "New"**  
President Reed expressed the group's appreciation to Mr. Thompson for his conduct of the meeting and called for a club of "enthusiasm and spirit". He asked those who were named to committees to carry out their work and he called on "old" curlers to help the "new" curlers.

In concluding the president explained another 25 members could now be accepted to achieve the goal of 200 active curlers. Some members who had already joined were not planning to actually curl.

Mr. Millson outlined the work of the committees and directors who had initiated the project. He noted the directors were W. T. Randall, Bob Reed, B. Wheeler, W. Hayward, and A. E. Millson. On the building committee were W. Hayward, I. Slessor, C. A. Martin, S. Allan and A. E. Millson. Finance committee members were G. Hood, C. Dobie, R. Murphy, W. Switzer and A. E. Millson. Membership committee members were W. T. Randall, R. Reed, B. Wheeler, M. Ezeard, C. Anderson, L. McNeil, D. Stinson, B. Knight, D. Merritt, J. Bell, C. Dobie, H. Higgs, R. Murphy and D. Thompson.

**MILTON CURLING CLUB** was officially formed on Tuesday evening when members held their first meeting, formerly approved establishment of the club and elected the first slate of officers. Shown seated are secretary A. E. Millson, president Bob Reed, treasurer C. Dobie and directors M. Ezeard and Charles Anderson. Standing are directors S. Allen, B. Wheeler and W. Randall. The group is shown reviewing forms directed to members to establish teams and prepare for curling in mid-November. Vice-president Don Stinson and Director R. Olan were absent when the picture was taken.

## Oakville Deputy "Sleuth" 12 Omissions in By-Law

Oakville's Deputy-Reeve Lester Whiting presented 12 reasons why a proposed county council by-law was inadequate, when county councillors met Tuesday. The proposed by-law outlined personnel policies and procedures concerning persons receiving county funds, and the establishment of salary policies.

Mr. Whiting reported that after receiving the by-law in a committee report, he was concerned because he didn't really understand it. He then sought professional assistance and made the following conclusions: the by-law failed to state the hours of work and the work rate; it contained no mention of a retirement plan; failed to include disciplinary action; didn't mention employee benefits; didn't mention sick pay; failed to note vacation pay regulations; failed to stipulate holiday regulations; neglected to include car allowances; made no allowances for leaves of absence; didn't mention methods of employee training; failing to provide for employees called for jury duty; and didn't stipulate a stand on garnishees. Mr. Whiting moved that the proposed by-law be referred back to the by-law committee for a complete review.

Although his motion was voted down, members commended Mr. Whiting on his efforts, and requested that his findings be forwarded to the personnel committee.

**HALTON PROGRESSIVE CONSERVATIVES** held their annual outdoor picnic on a wet and foggy day Sunday, at Lowville Park. One highlight of the afternoon was a novelty three-legged race, with Halton M.P.P. George Kerr teaming up with guest speaker the Hon. Alvin Hamilton, left, and beating the team of Halton Warden Gordon Gallagher and Oakville Mayor Allan Masson, right. The Kerr-Hamilton duo won both dashes of the event.

## Endorses Fluoride in Municipal Water "Safest Way to Control Dental Decay"

"Fluoridation is the effective, easiest, safest and most economical way to control dental decay," Dr. Keith Davey, Chief of Dentistry at the Hospital for Sick Children told members of the Bruce St. Home and School Association on Monday evening.

Endorsing the fluoridation of

municipal water supplies, Dr. Davey stressed the importance of the baby teeth in children and their proper care. He explained that at five years of age, 75 per cent of children have some decay. Premature loss of baby teeth can seriously affect the second teeth, by permitting crowding.

### Brush After Meals

In outlining proper oral hygiene, Dr. Davey pointed out that teeth should be cleaned immediately after eating since the most damage was done within the hour and a half after eating.

Fluoridation of municipal water supplies was completely safe, he told the group of parents, referring to the results of pioneer studies in Brantford in 1945. "Fluoridation provides dental care for everyone, not just making it a luxury for a few," the speaker stressed. Such a program benefits not only children, but also as they become adults, he concluded.

The speaker was introduced by Mrs. C. W. Hiltz and thanked by R. Arbeiter.

### Officers Installed

New officers of the Association were installed by Mrs. M. McEachern, a past president of the organization. The officers are

Douglas Cruickshank, president; Mrs. M. Smith, vice-president; Mrs. J. Bousfield, treasurer; Mrs. M. McKee, secretary and directors, Mrs. Leggo, Mrs. Copper, Mr. Arbeiter and Mrs. Winney.

Principal J. Bell announced activities concerning the school and reported attendance at the school was down 10 from last year.

Mr. Bell introduced staff members Mrs. Mackay, Miss Knudsen, Mrs. Chase, Mr. Shier, Mrs. Babcock, Mr. Hier, Mrs. Emms, Mrs. Glover, Mrs. McEachern and Mr. Morrison.

### Doctors Urge Fluoridation

The fluoridation of Milton's water supply was urged this week in a statement released by the Milton District Medical Society.

Medical Society chairman Dr. C. A. Hiltz explained fluoridation was a public health measure comparable in importance to the pasteurization of milk.

"With a new water supply available soon, this is perhaps a good time to start action," the chairman pointed out.
