is another big difference in **Electrohome TV!**

Other TV manufacturers talk about trouble free service. But Electrohome GUARANTEES it! This is no publicity stunt. The plain fact is that Electrohome sets are more dependable. Why? For one thing, they are designed that way — with only the finest, most durable components. For another, they are hand assembled by trained technicians. Then EVERY set is performance tested by a trained engineer.

You'll like the difference in Electrohome cabinet styling too. They're created by Deilcraft — the fine furniture division of Electrohome.
