"On Our Doorstep" Study Book Topic of Knox Women's Society

The autumn activities of the Robertson Auxiliary W.M.S. began on a cheerful note and with a goodly number of enthusiastic members present. In her opening remarks, the president, Mrs. Amis, gave a few words of timely help entitled "Time with God." Reports were received, invitations to attend thankoffering services in other societies were accepted, and the various items of business were dealt with.

Missionary to Visit
 Miss Audrey Lawrence, missionary home on furlough from Africa, will be guest speaker at the October meeting and will show slides concerning her work.

the program, told of the new study book entitled "On Our Doorstep." She asked members to look at themselves as she gave the number of women in the church, then the number of women in each group of the Ladies' Aid, in the Sunday School, the Choir and the various organizations and concluded with "What kind of service does each one give?"

Mrs. Bradley and Mrs. Wilson, from a short talk given in a book, told of the feeling each got from meeting in a church group and of the results that followed. There was a discussion as to how to make meetings more interesting as well as more profitable.

First in History

Special Stamp For Christmas

The first special Christmas stamps in Canadian postal history will go on sale October 14. It was announced today the Hon. John R. Nicholson, Postmaster General. There will be two stamps of similar design, a blue five cent denomination and a red three cent issue.

the scene in a Canadian environment. It is also intended to tie in with the study of the family's place in contemporary Canadian life which was held last summer under the sponsorship of the Governor General and Madame Vanier.

Dozens of Sketches

The present design had been decided upon, Mr. Nicholson said, after studying and rejecting dozens of sketches and drawings by a variety of Canadian artists.

Although in 1898 Canada produced a stamp bearing the words "Xmas 1898", the 1964 issues are the first Canadian postage stamps intended especially for use on Christmas mails. The three cent

denomination is the stamp normally used for unsealed Christmas cards and the five cent issue is the usual rate for first class or sealed letters. Although the special issue will be honored postage any time, the stamps will be withdrawn from regular sale at post office wickets immediately after Christmas.

Raiders End Season Drop Deciding Game

By Bob Watkins
 The third and final game of the semi-final series with Ancaster was played last week at Woodlands Park, Hamilton. The Ancaster outfield finally caught up with the Raiders' bats, as centre fielder and left fielder made at least half a dozen sensational catches each to snuff out Milton rallies.

Ancaster took advantage of several Raider errors in the opening inning to grab a 12 run lead and wound up with a 21-14 victory. Fine defensive work by her teammates helped Dot Britt pick up the win as she again pitched a steady game. Liz McLure started for Milton with Marsha Waldie relieving in the third. Illness forced Waldie to leave the game in the fifth with McLure coming back to finish. The Raider defense tightened up, but it was a shade too late as Ancaster was able to coast home on their early game lead.

Thanks Umps
 So now it's back to the books for the Milton Rotary Raiders, until the hockey season starts in November. Our thanks to Sharon Houston and Lil Kaszycki for coming out with the team and to Cliff Houston, Don South, and Len Ste. Marie for their fine umpiring, especially in the playoffs.

TAKE TIME
 Here's a warning to Pedestrians from the Ontario Safety League. Lots of people in a hurry to cross a city street, never complete the trip in their lifetime. Take a few extra seconds to stop and look both ways before you step off the sidewalk.
