STUDENT COUNCILLORS for Milton high were elected on Monday and pretty Grade 13 student Marie McNeil was selected as president. John McGee was named vice-president and Jenny Riddell was elected secretary. This group, plus representatives from each grade and faculty adviser, will be in charge of student activities throughout the year. Secretary Jenny Riddell, seated, is shown checking the books while John McGee and Marie McNeil look on.

Elect Marie McNeil President Of High School Student Council

Posters and slogans decked the halls of Milton High as the nominees and their campaign members began a week's vigorous electioneering for Student Council executive positions. The campaign culminated last week with assemblies at both the Martin Street School and the Williams Avenue School. All candidates were given an opportunity to state their platform and express their views.

Elections were held Monday morning. After a touch-and-go race for president Marie McNeil was elected. The other nominee was Larry Gardhouse. Elected as vice-president was John McGee. The other nominee was Anne Schenk. Jenny Riddell won the office of secretary and she defeated Wendy Murphy and Maud Bryce.

After the election the newly-elected executive thanked all the members of their campaign committees for their enthusiastic and active support.

Our Readers Write
SCOTCH BLOCK STORY

Dear Sir:
I read the article "Struggles of Scotch Block Pioneers" appearing in the August 20 issue of The Canadian Champion with great interest.

The many residents of the Belgrave district in Huron County who have ancestral connections with the Scotch Block in Halton County appreciate your willingness to feature this historical sketch which is of so much interest to all concerned.

Yours sincerely,
Peter M. Scott, Barrie.

HIGH SCHOOL HIGHLIGHTS

By Marie McNeil

Students at Milton High are impatiently awaiting the first school dance of the year which is to be held Friday October 2.

The mighty Milton Senior Mustangs travelled to Appleby College yesterday for the first football game of the season. Reports are that Appleby Seniors are a tough team to beat.

Twenty girls are trying out for cheerleaders to lend the teams support throughout the year. Practices are held Monday, Tuesday and Thursday of this week. Last year's head cheerleader, Karen Dredge is instructing the group. Eight will be chosen by teacher judges on Monday.

See Richard II

Grade 13 students will journey to Stratford, Wednesday to see Shakespeare's Richard II. Last year a group of grade 12 and 13 students attended the play Troilus and Cressida and from all reports they enjoyed it immensely.

In conclusion — a warning — progress reports will be issued in October.
