Thank You!

FRIENDS; after long deliberation (and much consultation) I find that I must relinquish my Auction Service, a most honourable and pleasant rewarding profession, due to a restriction of the Ontario Government, Real Estate Branch. Therefore I wish to acknowledge the kindness and confidence placed in me by my many friends for whom I have conducted Auction Sales:

To Mr. Roy Hindley of Everton, a proven Auctioneer of 50 years for his assistance and advice.

To Mr. Frank Petch of Georgetown, another 50 year auctioneer, for his support and assistance.

And of course, to my Auctioneering partner Mr. Jack Elliott of Milton for his patience and perseverance and without whose guiding assistance I could not have enjoyed the great pleasure from Auctioneering.

To these people my grateful thanks.

JACK HOLMES, Auctioneer
