M.M.H.A. House League

# HOCKEY ROUNDUP

## FOUR TOWN TOURNAMENT

The coaches have been set for the Novice, Pee Wee and Bantam teams for the forthcoming Four Town Tournament to be held in Milton, March 6. In this tournament the House League All-Stars get a chance to show their stuff against similar teams from Acton, Fergus and Georgetown. The biggest problem for the coaches is cutting the teams down to size as there seems to be so many fine players in the House League this year. In the Novice section there are six good goalies and its going to be quite a decision to pick two for the team.

Another major problem is practice time and we hope that the All-Star teams will co-operate in making available ice time to the Four Town teams.

Tickets went on sale last weekend and the players have all been given several books to sell. Milton Minor Hockey Association has underwritten the cost of this tournament, including ice time, advertising, officials, prizes, meals for the players and other expenses. The only source of remuneration is from the sale of these tickets. Your support is sincerely solicited to help make this year's tourney a success.

## NOVICE

Gerry Sosnowski held Little Pontiacs scoreless as Mowbray Fuels stormed to a 4-0 victory. The Fuellers carried the play for most of the way scoring two goals a period. Marty Cairns counted twice and set up Tom Elliot for a marker. Steve McCain soloed for the other.

Rebekah Lodge came back strongly in the final frame with two goals to manage a 3-3 deadlock with Beech Brothers. It's interesting to note that Rebekahs have tied five of their 12 games while only losing three. Craig

Brown, Randy Howden and Ken Austin singled for the Beech boys while Mike Ford, Scott McKenzie and Ron Rowley hit for the Lodgers. Henry Brynkus and Ford drew assists.

Little Firemen had quite a tussle as they battled back in the last period to gain a 2-2 split with Crest Hardware. Crest started strongly, with Gary Lawrence and Paul Sproat firing early game goals. The Firefighters finally got untracked in the final period, as Steve Ste. Marie and Maurice Curtis found the range. Billy Bradbury turned in a fine performance in goal for the Firemen when their regular goalkeepers were unable to play.

## PEE WEE

Canadian Tire Corporation came up with a potent attack to overpower Milton Pharmacy 7-2. It would seem that the Druggists could do with some help on the front end. Dave Simpson tripled for the Firemen and set up Dale Graham for a counter. Harold Merry, Kevin Smith and Roger Rowley notched the other goals with assists going to Dave Austin, Kirby Munro and Merry. For the Pharmacy crew Rickie Low hit from Bill Clarke and Clarke dunked a pass from Bob Bradbury.

Milton Lumber hopped into sole possession of third place in the standings by upsetting Industrial Catering 5-3. Tom Willis in the Lumber nets was the key to victory, as he foiled the Catering attackers on numerous occasions. Buddy Thomas led the lumbermen with a hat trick, assisted on one by Dennis Harnden. Jim Sales soloed and set up Fred Vandervliet for a score. In the Catering cause, Dave Heipel tallied twice for their third marker.

Phillip Bailey came up with a fine effort in goal for McCuaig Insurance as his teammates up-ended Fay Plumbing 4-2. Don Leslie and Phil Colleen were the lone marksmen for the Plumbers. John Hopkins passed to Wayne Emms for one of his two tallies, and Emms made the play for Garry McDougall's goal. A solo effort by Phil Ramshaw wrapped up the scoring.

## 217 Signatures Churchill Book

To date there are 217 signatures in the Town of Milton's "book of condolences" for the Sir Winston Churchill family, and it has been decided to keep the booklet on display at Milton Public Library until this weekend.

If anyone wants to have their names included in the book, drop into the Library any time during Library hours between now and Saturday evening.

## Merchants Virtually Clinch Important Playoff Position

Two key victories in the past week virtually clinched a playoff spot for Enio Selisizzi's Milton Merchants, as they topped Hanover last Tuesday and sixth place Orangeville in an exciting game in Milton on Friday night. The two victories brought the Merchant's season record to 12 wins and 15 losses, good for 24 points and a tie for seventh place in the 11 team Central Ontario O.H.A. Junior "C" league.

Top scorer on the squad is smooth skating Dick Marshall who has managed at least one point in each of the team's last nine games. Alain Bouchard also shares this record. Leon Stickle, who joined the team after the start of the season, has moved into a second place tie in the scoring.

## MIDGET

The Tri-County defence displayed some loose clearing tactics, as Knight's Men's Wear forechecked to a 7-2 victory. Rick Rowley fired a pair for the Tailors and combined with Ron Patterson for a marker by Barry McTrash. Pete Andrews, Bob Colleen, Ian Watters and Patterson also tallied with Jim Ervin, Murray Inglis and McTrash gaining assists. Larry Buckley and Alan Walker scored for the Suppliers, with Wayne Casson and John Keilty setting up the plays.

Alan Few came up with a number of fine saves as Ledwith Food Markets dropped Harris Stationery by a 5-3 count. Pete Massey connected for a hat trick for the Super-Savers with Gary Andress and Rupe Coffen adding singles. Assists went to Andy Berry (2), Jeff Cookson and Ron Dunsmore. Doug Foster, Tim Gooding and Russ Mountain were the Harris marksmen with Phillip Brush and Gooding gaining assists. Mountain's marker came off a penalty shot at the five minute mark of the last period.

## NEW HEARING AID POLICY OFFERS NEW HOPE FOR DEAF

Mr. John Leckie, President of Leckie Hearing Aids Limited, Ontario's largest distributor of hearing aids and electro-medical instruments, has instituted a new policy for people who are considering hearing aids. To remove all barriers from the hearing aid business, this company, through its local agent, Kerr's Rexall Pharmacy, is prepared to fit a hearing aid according to the patient's own loss — on a 30 day trial period!

Doctors and institutions for the deaf are applauding this new move in the hearing aid field. Often reluctant to recommend a costly outlay to a patient only to find that an aid is not satisfactory, they now feel free to suggest this no obligation trial period.

This new policy has helped eliminate unethical high pressure sales tactics and unsatisfactory results with aids that have been purchased only to be found un-

suitable because of poor fittings or where the patient can not be helped with any type of hearing aid.

Doctors feel that this is the only fair way to purchase a hearing aid to ensure complete patient satisfaction.

The company carries 79 models, the largest selection of hearing aids in Canada. This allows each professionally trained consultant a greater range for proper fittings, which is not possible where only 3 or 4 aids are available, and also offers greater selection of prices.

For cases where patients have their doctor's audiometric prescriptions, these recommendations are adhered to in fitting the hearing aid!

For further details or a convenient appointment drop in to KERR'S REXALL PHARMACY or call TR 8-4492.
