

# Hockey Roundup...

(Continued from Page Four)  
 The Tirenmen into the semi-final series with Milton Lumber, starting next Saturday morning. Roger Rowley singled and set up Kirby Munro for first frame scores for the Tiren team. In the last period, Bryan Kent completed a combination from Dave Simpson and Darryl Graham, and Harold Merry also hit from Simpson. Bob Waters passed to Stirling Buckley for the lone Plumber tally.

 B. Nijholt ..... 3 3 6  
 K. Mountain ..... 2 2 4  
 R. Bradbury ..... 2 1 3

**Bantam**  
 Local 4970 topped Milton Department Store 2-1 to close out the regular season for the Bantam section. Next Saturday morning these two teams hook up in a semi-final series, while Milton Police meet Green Fuels in the other round.

Ray Evans tallied the first frame marker for the Steelworkers and passed to Scott Williamson for their last period score. Jack Fletcher netted a pass from Norm Biggar to avert the shut-out.

**Bantam Scoring**  
 G A Pts.  
 G. Naylor ..... 26 8 34

 B. Beeton ..... 8 5 13  
 A. Lewis ..... 7 6 13  
 J. Perry ..... 5 8 13

**Novice Playoffs**  
 In the second round of quarter final play the underdog teams staged valiant efforts but only Mowbray Fuels made good their bid for semi-final action.

In the curtain raiser on Saturday morning Little Pontiacs came out skating and surprised the over-confident Milton Junior Firefighters with a 3-1 lead early in the game. Dave Robertson doubled with the help of Ken Fay and Brian Lyons and Doug Ford soloed to put the Motormen in front. Wade Bekar got one back for the Firemen on a solo effort and then Steve Ste. Marie rapped in a rebound from Ricky Bridgman to close the gap to 3-2. Late in the final frame, Firemen wrapped up the game within a two minute span, as Wade Bekar hit for three goals on passes from Gary Dance.

**Novice Playoffs**  
 1st G 2nd G Pts.  
 Firemen ..... 6 5 11  
 Pontiacs ..... 0 3 3

**Crest Wins**  
 Crest Hardware battled back behind the shutout netminding of Howie Wigglesworth to overcome Beech Brothers 2-0 and eke out a 3-2 total goals score in the second quarter final series. The Beechers fought hard to retain their slim margin as the two teams went scoreless over the opening period. Gary Lawrence finally connected for Crest on a combination from Dave Coulter and Ron Downs at 4:30 of the final stanza to knot the round score. Ten minutes later Graham Bradshaw rapped in the game winner for the Hardware crew. The Beech crew pressed fiercely in the dying

minutes, but time ran out too soon.

**Shots on Goal**  
 For the second season in a row shots on goal decided a playoff series against Rebekah Lodge. Last year it took shots on goal to give Firemen the final playoff series over the Rebekahs and Saturday Mowbray Fuels wrested their quarter final round from the Lodgers by a 4-1 shots on goal margin in the five minute overtime period.

The Fuellers went into the last game with a 3-1 bulge but the determined Rebekahs outlasted their opponents to tie the score as Ron Rowley triggered a rally from Mike Ford and Bruce Ellison and Henry Brynkus soloed. With the overtime period just six, teen seconds old Randy Rogers rapped the puck behind Gerry Sosnowski to put Rebekah Lodge in front. But Mowbrays were not to be denied as Marty Cairns, Steve McCann and Norm Mowbray buzzed around Bill Bradbury in the Lodge goal, with McCann finally dunking the equalizer at 2:30. With neither team being able to dent the twine over the balance of the period, Mowbray Fuels were awarded the decision by virtue of the 4-1 edge in shots on goal.

**Novice Playoffs**  
 1st G 2nd G Pts.  
 Mowbrays ..... 3 1 4  
 Rebekahs ..... 1 3 4

**Pee Wee Playoffs**  
 Ken Rollins picked up his second shutout in playoff action as Industrial Catering handily defeated McCuaig Insurance 3-0 and took their series by a 9-0 count. The Caterers checked McCuaigs into submission while their top line provided the scoring punch. Benny Nijholt popped a pair with the help of Ken Mercer and Kim Mountain, and Mercer capped the scoring on a relay from Mountain and Nijholt.

**Pee Wee Playoffs**  
 1st G 2nd G Pts.  
 Ind. Cat. .... 6 3 9  
 McCuaigs ..... 0 0 0

**Lumber Wins**  
 Milton Pharmacy again gave Milton Lumber a run for their money, before dropping a 4-3 decision, and bowing out of the playoffs by an 8-6 count. Pharmacy opened the scoring via the stick of Bob Bradbury, but Jim Sales evened the count for the Lumbermen on a solo effort. Buddy Thomas from Denny Harnden and Ricky McTrash from Sales added two more Lumber scores in the first period. Jim Death put the Druggists back into contention with an early second stanza marker but Dave McKee set up Buddy Thomas 10 minutes later for what proved to be the clincher. Two minutes later Bob Bradbury's second tally narrowed the gap, but the Pharmacy rally fell short with time running out.

**Lumber Wins**  
 1st G 2nd G Pts.  
 Lumber ..... 4 4 8  
 Pharmacy ..... 3 3 6

—Although March 21 was the first day of spring on the calendar, Spring arrived a day early this year — at about 3 p.m. Saturday. With this weather, we wonder?

## "Wishy Washy Convention"

### Halton Men at O.B.A. Annual

Thirteen representatives from Halton County attended the annual O.B.A. convention in London on the weekend. Campbellville Merchant manager Len Andrews attended the convention as a Halton County Baseball Association delegate and he described it as being "wishy washy". Halton County submitted three proposed amendments that could have caused a little controversy but the O.B.A. refused to have the amendments on the agenda because they arrived after the prescribed deadline.

The amendments proposed by Halton County were: to again have Intermediate "A" Major; to have the certificates of affiliated teams from outside the association processed by the association in which they are playing and, to do away with the difference in fee between senior and intermediate umpires.

**New President**  
 Wilfred Johnston of West Lorne was acclaimed president, replacing Jim Waldie of Milton, who served as president for the past two years. Halton representatives at the convention included Len Andrews, Al Barrows, Tom Byers, Andy Anderson, Frank Burke and Ollie Johnson of Oakville, Jim Waldie and Bill Randell of Milton, Don Hargraves and Reg Locke of Burlington, Bill Richmond and Bob Lane of Georgetown and Earl Nicholson of Watford.

## Form New League For Fastballers

Freezing temperatures didn't prevent the birth of a new fast-ball league last Tuesday evening. A group of softball supporters from Acton, Georgetown, Milton, Hillsburgh, Glen Williams and Omagh attended a meeting in Glen Williams and decided to form "The Intercountry Senior Fastball League," for the 1965 season.

So far teams from Acton, Georgetown, Milton, Hillsburgh, Glen Williams and a combination of Omagh and Hornby have been entered in the new circuit and it is possible additional entries will be received from Lowville, Palermo and Brampton. A second meeting has been planned for March 30 and at that time more definite arrangements will be made.

Veteran softball hurler John Willmott represented Hornby at the meeting with teammate Graham Gillies and Dave Smith president of the Milton Fastball League represented the County Town. Ted Pope and Harry Lawson represented the Acton Softball Association.

John Willmott reports the league will be far stronger than the old Halton Rural Softball League. It was decided at the meeting that 18 players could be signed by each team, but that all players must be signed by the start of the seventh game of the schedule. There will be no restrictions on signing players.

## DEER KILLED

Hunting deer with a gun is still forbidden in Halton, but motorists are enjoying the new game: hunt them with cars. Ironically, Halton's deer kill by automobiles is rapidly approaching the toll of any open season. Another died Friday morning when it ran in front of a Hamilton man's car on Highway 25, near Highway 401. The car received \$50 damage.

—Streets are slushy. Drive carefully and avoid splashing pedestrians.

## Bags...

(Continued from Page One)  
 The town should buy the bags at \$2.11 and sell them to merchants for this price — suggesting a limit of \$2.75 or \$3.00 per box of 50 as a retail price. Cries of "price-fixing" followed this idea and it was quickly dropped.

**Give 'Em Away**  
 Councillor Addison had another idea which was quickly talked down. He wanted to distribute one box of free bags to every resident and put the cost on the tax bill, but it was argued this would cost \$3,000 and the residents who used the bags wrote on the questionnaires they didn't favor this method.

The arguments wore on, and at last councillor Best threw his hands in the air and said, "If this is the way you are going to carry on, you might as well give up looking into any new projects. Councillor Charles Johnson threw in one more attempt to get the bags given away free, before a motion was finally carried.

So the bags go on sale shortly at the town hall at \$2.25 for a box of 50. Council indicated it would still like to hear from a service club, organization or individual willing to take over the distributorship.

## O.K. Capital Projects

The proposal did not pass unanimously, but Milton Councillors at Monday's meeting approved going ahead this year on three major projects and applying to the Municipal Works Assistance Program for a \$100,000 loan to assist in the three jobs.

The projects are the Town Hall renovations at \$65,000, the Main St. repaving, and the moving of the works department to a new building at the sewage plant.

Councillor Gerry Addison refused to vote on the motion until he found out more about the town's capital works expenditures. He also objected to spending so much money on the town hall renovations "when the roads in town are in such a terrible condition."

**Roads "Terrible"**  
 "I know we still spend money on a bit of tar and stones, but these roads are terrible," he suggested. "How much can we afford?" Mayor Syd Childs answered there was \$5,000 in the roads budget this year, but more could be apportioned.

Reeve C. A. Martin also objected, and said he had never heard the \$65,000 cost estimate on the town hall renovations before. He pointed out several other large capital expenditures are slated for this year. "We should ask the Ontario Municipal Board how

—There were late suppers and many didn't even bother trying to get home from work Wednesday evening during the latest snow storm. Local hotels were full of Highway 401 travellers who decided to bed down here, rather than risk an accident.

## 3 Years Accident Free

### M. Currie Joins 25-Year Club At Supersweet Safety Dinner

Employees of the Supersweet Formula Feeds, a division of Rob-in Hood Flour Mills, Milton, were treated to a dinner and dance Thursday evening of last week in recognition of passing the three-year mark without a lost-time accident.

Supersweet's general manager Ed Thompson from Montreal attended the dinner. About 55 enjoyed a dinner prepared by the Legion Ladies Auxiliary, and dancing to Keith Miller's orchestra.

**HONOR DIRECTOR**  
 The Halton Holstein Breeder's Club is planning a testimonial dinner at St. Paul's Church on Friday evening, to honor Ross Segsworth of Burlington. Mr. Segsworth has been a national Holstein director for 13 years and has just completed his term as president of the Canadian association.

—Seen in town last week: a convertible with the top down. Spring weather shouldn't be far away now.
