Paperweights

The Milton Paperweights hosted an All Star squad from Georgetown to an exhibition match last Saturday morning and dropped a close 2-1 decision. This was the first time the Milton crew had been together and the mixture of House Leaguers and Monday - Niters produced many comical situations. Despite not having had practice time, the Milton club exhibited lots of spirit and fire with Normie Mowbray and Brent Murray especially showing well offensively. Little Billy Bradbury had a busy time in goal and was responsible for keeping Milton in the game, as his rookie defence left him quite lonely at times.

Milton opened the scoring when Scott MacKenzie converted a pass from Brent Murray after 12 minutes of play. McFall set up Kewley for the tie-maker at the five minute mark of the middle stanza and with 35 seconds left in the game, Kewley put Georgetown ahead on a pass from Becker. I'm sure that referee Alan Bouchard was just as frustrated and perplexed as the coaches, especially during the

line changes. Next Friday night, a return match has been arranged for 6
