McCUAIG INSURANCE were eliminated recently from Pee Wee playoff action. Six teams competed in Pee Wee activity this winter. The McCuaig Insurance entry is coached by Don Wilson. Mr. Wilson is shown here with some of the members of his team.

## High School Highlights

by  
CAM  
ALLEN

Milton High students are counting the days to Easter. Spring fever can be felt throughout the school. The Chess and Checker club reports that the Checkers division leaders are Wayne Densmore, Ron Newell and Anthony Dewhurst. The chess division has Wayne Densmore in first with David Real and Grant Schuyler following. Last week there was an error in the report on the Formal. The date is the ninth, not the 18. The formal committee is hard at work in preparation for the big dance. The decorations have been made in the gym every noon for the last week.

### Sports

In sports Mr. Claremont, the physical education teacher, has announced the track and field meet for the school will be held on May 4 and that the CWOSSA

Meet will be two days later on May sixth in Guelph.

The Junior Team after coming through well against Orangeville has run up against stiff competi-

tion with Simcoe. But we are still strongly behind them and hope they come up with some big wins.

### Social Notes

Mrs. Meldrum Stark and Miss Glenna Stark, R. R. 5 Milton, have just returned from a holiday in Kentucky.

Robert Joseph Macrae Gooch was christened at Grace Anglican Church on Sunday, April 4. Following the christening a buffet lunch was served at the home of his parents, Mr. and Mrs. Joseph Gooch, 66 Robert St., Milton. About 37 friends and relatives of Toronto, Oakville, Grenville and Milton attended.

**WORK PROGRESSES** on the large addition at the Ontario School for the Deaf, Milton, as workmen keep up the activity throughout the winter months. Frid Construction of Hamilton won the \$4,543,000 contract to construct the addition, which includes the senior and vocational school, student residences, and a double gymnasium plus three staff houses. In the top photo work on the school building is in progress, with the administration building shown in the rear. In the lower photo an underground heating pipe is shown.

### The Bahai World Faith

Let your hearts be filled with the strenuous desire that tranquility and harmony may encircle all this warring world.

LEDWITH'S SUPER-SAVERS advanced to the Midget finals in house league playoff action under the leadership of coach Joe Lewin. The smooth skating Super-Savers will be tough to beat, Midget league followers report.

## Smoking Survey Shows Quitters

During the past year The Canadian Cancer Society, in conjunction with the Department of Education, conducted a survey to evaluate the effectiveness of the filmstrip, "To Smoke or Not to Smoke", which had been distributed throughout a great number of the secondary schools of Ontario.

Students who saw the filmstrip felt that it explained the facts clearly and it indicated that smoking was a dangerous habit.

It was also of interest to note that the survey showed that 25% of the students in Grades 9 through 13 smoked. In analysis, this seemed a very low figure and further investigation might

indicate a different percentage.

One of the most revealing points of this survey was the fact that 34% of those who had seen the filmstrip and had previously been smokers had now changed their smoking habits.

As a result of this survey, the Sub-Committee on Smoking and Health, which comprises representatives from the Department of Education, the Department of Health, the Ontario Medical Association, the Medical Officers of Health, the Ontario Tuberculosis Association, and Canadian Cancer Society, has suggested that there is a need for new and additional materials with which to

carry on a continuing educational program in this subject area. The Ontario Division of the Canadian Cancer Society is now preparing these new materials for distribution.

It has also been indicated that the need for education on the harmful aspects of excessive cigarette smoking should be aimed at a much lower age group. Future programs will be developed for elementary as well as for secondary school pupils.
