EARLY READING

The child who learns to read early in life is well started on his education. Many youngsters can get a head start on reading with the help of parents and older children. As soon as he can master the simple printed word, he should be encouraged to choose his own books at the public library, where there are books for all ages.

—Remember, you can return overdue books to Milton Library without any fines this week. It's Library Week in Canada and the local board has declared an amnesty on overdue books until Saturday.

—Three years ago, Library membership was just 1,748. Today it's 3,177 and growing steadily as more and more residents realize the value of a local library.

Ladies from Chapter Attend Provincial

Regent Mrs. N. D. Martin, secretary Mrs. J. Beverley and Mrs. D. Hill recently represented the Sarah Martin chapter at the annual Provincial meeting in Hamilton, April 7 and 8.

During the opening ceremony over 100 flags, representing chapters throughout Ontario, made up the processional march. The Sarah Martin flag was carried in this procession by standard bearer, Mrs. D. Hill.

Mrs. Morrison, provincial president, expressed pleasure on the presence of over 80 junior members representing the junior chapters.

Following the annual reports, the delegates learned of the great efforts in time and expense which the I.O.D.E. puts towards education, services at home and abroad, immigration and citizenship and the various other charitable works.

During the evening Mrs. Martin and Mrs. Beverley attended a buffet dinner which gave them the opportunity to meet and talk to many of the delegates, learning of their varied chapter projects.

The remainder of that day was spent in group workshops. Here the delegates heard the main conveners and secretaries of the I.O.D.E. and received answers to their many questions.

This annual meeting pointed out the vastness of this organization and impressed upon them that the contributions from each and every I.O.D.E. chapter makes all this work possible.
