Legion Notes

by Charles Scott

W.V.A.

Some new literature has come through to the branch regarding War Veterans' Allowances and is in the hands of our Service Officer, Charlie Anderson. When I have had the opportunity to go over this, I will be able to give you more details. I understand that these entitlements concern not only Canadian veterans but Imperial vets too, something which is not generally known.

CENTENNIAL FUND

As mentioned in last week's notes, Bev Nixon, our Centennial Fund chairman, is already at work with his fund raising. His first venture is a dance later this month in the Legion Hall. The best encouragement for Bev in his big job would be to have a full attendance at this. The date is Friday, October 29 (Hallowe'en time). Try to keep it free for the dance.

GENERAL MEETING

At the monthly general meeting of the branch on Monday last, two new members were initiated. They are Ted Foster and Bob Few. Four new applications for membership were accepted and 10 notices have gone

out to successful applicants for initiation at the next meeting.

The Ladies' Auxiliary has been granted the use of our facilities for a third night in the week in which to carry out their extended sports program, i.e. darts and shuffleboard.

SUCCESSFUL SOCIAL

The Couples' Club held the first of their weekly social evenings on the third floor on Saturday night and it was remarkably well attended by a very lively number of couples. The accordionist did a first class job of entertaining and there wasn't a dull moment all night.

The next monthly dance by this same group will be held on October 23 and it is hoped that it will be as successful as the September dance. Tiny Hopkins' orchestra will play for this.

A WELCOME VISITOR

Comrade Jimmy Green from the Welland branch has been visiting friends in Milton for the past week and dropped in to see us on a few occasions. He regrets that he was unable to stay long

enough to join in the Decoration Day parade last Sunday. Next time you visit Milton, Jimmy, you are welcome to call on us again.

SPORTS

The Industrial Darts League gets off to a start on Wednesday, October 6, at 8.30 p.m., in the clubroom. Anyone interested in the game and wishing to play is welcome to attend. Contact John Kennedy.

BUILDING PERMITS

Building permits valued at \$20,400 were issued in Nassagaweya Township during the month of September. The permits were issued for a \$14,000 residence, one cottage at \$3,500 and two garages at \$2,900.

—Don't forget the open house at Milton Fire Hall and Saturday evening of this week. The open house is part of the Milton Fire Department's fire prevention week activities.

Property damage estimated at \$28,870 resulted from 43 accidents investigated by Milton O. P.P. during September. The accidents resulted in 17 injuries and boosted the year's injury total to 145. Property damage caused by a total of 406 accidents now is \$214,255. There have been eight fatalities.
