300 at Travelogue See Alaskan Sights

Despite a heavy downpour of rain nearly 300 attended the second in the travelogue series sponsored by the Rotary Club on Tuesday evening of last week.

Alaska was the subject of Harry Reed's film and narration. He presented a vivid report of Alaska as it is today. Rare animal sequences including the shy caribou, giant moose, bothersome black bears and rare Toklat grizzly were included with pictures of the buildings before and after the devastating earthquake that wrought millions of dollars of damage.

The narrator was introduced by Rotarian David Thompson.

The next program in January will be London to Land's End.

University of Guelph Students Receive Agriculture Scholarships

Three young Halton County students are currently enjoying their first year of studies at University of Guelph affiliated colleges thanks to \$100 scholarships received from the Halton Federation of Agriculture.

'66 Car Markers On Sale Dec. 1st

Ontario's '66 licence plates and vehicle permits will be available from Wednesday, December 1, for passenger cars, station wagons and motor cycles, Transport Minister Irwin Haskett announced today.

The plates and permits will be on sale at all licence issuing offices throughout the province. The 1966 plates will have blue lettering and numerals on a white background.

Expiry date for present plates — and the final day for getting 1966 plates — will be Monday, February 28. Mr. Haskett said there definitely would be no extension beyond this date.

"The three-month issuing period gives ample time for everyone to get plates," Mr. Haskett said. "For their own peace of mind, we hope more motorists will get their plates early and avoid last-minute line-ups."

Arthur Lawson of Milton, Margaret Joubert of Palermo and Mary Moffat of Brookville were each winners of a \$100 scholarship this year. In previous years the Federation of Agriculture donated two such scholarships but this year, according to one director, "there was more money available" and all three seemed deserving of the award.

To qualify, winners must come from a farming background and must prove their interest in farming by their accomplishments in 4-H and Junior Farmer work. The winners must use the scholarships to continue their education.

Three Winners

Arthur Lawson is the son of Mr. and Mrs. David Lawson, R.R. 5, Milton. He recently graduated from Grade 13 at Milton High School and he has completed 24 of the 4-H agricultural club projects. He is enrolled in his first year of the four-year B.S.A. course at Ontario Agricultural College, Guelph.

Mary Moffat, daughter of Mr. and Mrs. Duncan Moffat of R.R. 2, Rockwood, has enrolled in a four-year course at Macdonald Institute, Guelph. She was the second top student in the Acton District High School Grade 13 class last year, and besides her interest in Acton Junior Farmers has won Provincial Honors for completing 12 of the 4-H club projects.

EBENEZER

Flora Moffat U.C.W. Speaker

A number from Ebenezer enjoyed the Soup and Sandwich Luncheon at Campbellville Presbyterian church.

The U.C.W.'s November meeting was a special one at which Miss Flora Moffat from Bella Bella and Queen Charlotte City, B.C., showed her colorful pictures. They included a number of the late Dr. George Darby.

The sympathy of the community is extended to Mrs. Don Simpson in the recent sudden death of her father, William Nightingale; also to Mrs. Carl McGill, who is a sister.

Two new citizens received the rite of infant baptism when William Kevin Diamond, son of Mr.

and Mrs. Bill Diamond, and Kimberley Grace Baillie, daughter of Mr. and Mrs. Sam Baillie, were presented by their parents.

Don't forget our special 50th Anniversary of the opening of the present church on Dec. 12. Old-time supper to follow on Dec. 14.

Ron McLean was winner of the breed championship at the Royal Winter Fair on his dark brown Leghorn single comb Cockerel, as well as other poultry prizes.

The Young People's meeting was held Sunday night. Birthday greetings to Susan Ward.

ANNOUNCING THE 1966 VAUXHALL VIVA!

FROM GENERAL MOTORS

In just two short years Viva has rocketed to outstanding sales success on the small car best-seller list. Everything points to Viva making even greater strides on the 1966 popularity graph. Here's why:

The Vauxhall Viva is built by General Motors to give the small economy car buyer all the features he's looking for, without compromise. Viva offers snappy performance, a smooth ride, firm handling, roominess, comfort, big trunk space and a low buying price, all in a most attractive package. Hard to believe? Consider the facts. **PEPPY PERFORMANCE.** Viva has a 50 horsepower engine coupled to a fully-synchronized four-speed transmission with a floor-mounted shift. **OUTSTANDING ECONOMY.** Viva delivers up to 45 miles per gallon. **SMOOTH RIDING, AGILE HANDLING.** With Roll Control suspension and rack and pinion steering, Viva combines a smooth ride with quick, agile handling. **FOUR ADULT ROOMINESS.** Viva offers ample headroom, elbowroom and legroom for four adults to ride in comfort. **RELAXING COMFORT.** Bucket seats offer exceptional driving comfort and firm support during cornering. When tilted forward to provide access to the rear seats they stay tilted... a most important convenience feature for the family man. **BIG TRUNK SPACE.** Viva's trunk holds 10.76 cubic feet of hard luggage with extra room for rugs, parcels and other soft items of luggage. **LOW, LOW PRICE.** Viva is easy for anybody to own. Just take a look at the price. Then go and visit your Vauxhall-Pontiac dealer.
