By Mrs. Cecil Patterson (Intended for last week)
Congratulations to Mr. and Mrs. Fred Lister, now of Palermo, on celebrating their 25th wedding anniversary on Nov. 27. Eucre was enjoyed and a delicious lunch was served.

The December service sponsored by the Drumquin Recreation Committee was quite successful on Thursday evening, December 2, held in McCurdy's Centre.

The committee was pleased at the response. Twelve tables were in play and others joined later in the evening for the drawing of prizes. Eucre winners were Mrs. J. Madill, Mrs. J. Hamilton, Andy Law, Alfred Ball.

Tickets have been sold for three draws and these were pulled by Mrs. C. May, who had donated two of them. Ticket number 405 was held by Jim Hoey and it was a painting.

Steve Treets' ticket No. 664 won a transistor radio, and ticket No. 532 on a teen age doll and wardrobe was held by Rosalind Merry.

Meet Your Candidates Nite was most successful on Dec. 2 at Percy W. Merry School, with a good attendance of ratepayers and candidates. Ken Giles of Palermo was chairman for the evening.

A two-car rear-end collision on Highway 401 going east, on Sunday evening caused traffic to be backed up and held some time.

The accident occurred at the Fifth Line overpass. The first car slowed down to observe another car in apparent trouble and was hit from back. One young man, a passenger in the second car was cut about the head when he went through the windshield. An ambulance rushed him to hospital. Passing nurses rendered him first aid and possibly saved his life.

Hornby South 4-H Club held their sixth meeting in the work room on Dec 4 with 11 members present. Diana Dolbey conducted the business. It was carried that the club hold a Christmas party and names were drawn for an exchange of gifts. Further plans are to be made for entertainment and food.

Roll call. "Tell how to remove one kind of stain from a garment" was well answered. A discussion and notes were given on storing clothes for protection from moths.

Mrs. K. Kiernan demonstrated putting on a zipper. Each member was given a sample of material and instructed on doing invisible mending. A sample of this must be in the record book.

At the next meeting leaders will demonstrate making a bound button hole and complete the lessons on making a wollen skirt.

Rocks, Fossils I.O.D.E. Subject

The November meeting of the John Milton Chapter I.O.D.E. was held recently at the home of Mrs. T. A. Hutchinson. The Regent Mrs. W. C. Rowney conducted the business meeting, finalizing the projects assumed by the Chapter in 1965. There were approximately 30 members present.

The guest speaker Mrs. Marshall Pyatt of Campbellville enlightened the ladies on the subject of rocks and fossils. Mrs. Pyatt displayed a fascinating collection of rocks and semi-precious stones which are native to Canada, many of which she has located here in Ontario. Within the last few years she has extended her hobby to include the polishing and setting of such stones in jewelry.

During the serving of a delightful lunch members were able to examine more closely and model some of the finished jewelry on display.

Roads were slippery Saturday night and Sunday as a blanket of ice formed after freezing rain.

Now that all the federal and municipal elections are over, we can start to enjoy the Christmas festivities.
