Two Newest Councillors Welcomed at Inaugural

Two new councillors, C. F. (Pat) Patterson and Thomas Hill officially began their duties as Esqueping Township councillors Monday of last week, at a brief inaugural meeting at the Township office. Clerk K. C. Lindsay swore them into office, along with returning Reeve George Leslie, Deputy-Reeve Wilfred Leslie and Councillor Currie.

The devotional period and dedication was conducted by Canon J. E. Maxwell of Hornby and Stewarttown Anglican Churches. Following a dinner, councillors returned to the hall, rolled up their sleeves, and began the township's business for 1966.

Council heard a request for permission to erect a water gauging station on Five Sideroad between the Third Line and Fourth Line, to measure water flows in the area.

Members learned a subdivision planning a 19-acre housing area is seeking to have the township negotiate with the Town of Georgetown for sewer services. The "Briarhill" subdivision is to be a 90-acre development on the former Cromar farm near Georgetown.

Members agreed to inspect senior citizens' housing projects in nearby Erin and Orangeville before meeting with the Georgetown Kinsmen, when plans for a Georgetown project will be discussed. The town owns the land but it is situated inside the township.

Thomas Hill was appointed to the Ballinacree Community Hall Board, Cliff Wigglesworth, W. Carney and George Currie to the Hornby Parks Board, Wilfred Leslie to the Credit Conservation Authority and George Currie to the Halton Region Conservation Authority.

"Tiny's Night" Pays Tribute To Sergeant C. G. Wilkinson

It was "Tiny's Night" in Milton's Union Hall Friday evening when about 100 fellow police officers and other friends held a farewell get-together in honor of Sgt. C. G. "Tiny" Wilkinson, head of the 26-man Milton O.P.P. detachment for almost six years.

Sgt. Wilkinson has been transferred to head the 31-man Oakville O.P.P. detachment and will take over his new duties there this weekend. Cpl. Jack Parkinson and Constables Dave Hardy, Larry Kneale and Bill Bennett of Milton O.P.P. arranged the stag party, and the corporal presented a new wallet containing a \$100 bill as a token of the esteem in which Tiny's friends held him.

Not Far Away
"We are all sorry to see him leave the Milton detachment, but he's not going far," Cpl. Parkinson said. Sgt. Wilkinson accepted the gift and thanked the committee in charge of the surprise party. He thanked fellow workers in the detachment office, the court officials and the No. 3 District senior officers including Superintendent I. R. Robbie, Inspector Rogers and Sgt. Major Wilson, for the co-operation and assistance they have given him over the years.

He concluded with one of his —Sunshine School students from Hornby began weekly Monday skating lessons at Milton Arena this week.
