A double-ring ceremony in Holy Rosary Roman Catholic Church, Milton, united Madgaline (Leeni) De Bruyn and John Michael Boughton in marriage on January 29.

Group Hears Mission Plans

The Evening Department, W.M. S., of Knox Church met on February 8 at the home of Mrs. Caruthers. There were 16 members present. Mrs. Marshall opened with a poem "In the Quietness of Prayer", and the hymn "O Lord and Master of us All" was followed by prayer.

Mrs. Schuyler who led the devotions read from the first chapter of Romans, and chose as her theme "Are We Ashamed of the Gospel?" She pointed out that in our modern world Christianity seems to be on the defensive. More and more, the so-called Christians are witnessing gingerly and defensively, almost as if they were apologizing for their faith. Few dare to speak out proudly as did the apostles who went everywhere preaching with boldness. What would Paul say, if he were to talk to the sophisticated skeptics in the world today?

Canadian Missions
 Mrs. McDougall brought the message from the last chapter of the study book entitled "Through the Years in Canada". This dealt with the work of the National Department for the past 100 years, and spoke of the countless dedicated people who gave freely of their time and energy. They worked with the French Canadians, the Indians, the Chinese Canadians, and as deaconesses, doctors and nurses. The Presbyterian Church became renowned in the Canadian West for its medical missionary work.

Roll call was taken and reports were read and adopted. A letter from the supply secretary informed of the changes in the needs of the mission fields. Therefore it was decided by the group to collect money for the bale this year as well as children's clothing and quilts.

Year's Programs
 Mrs. Mackay handed out the programs for the year. She and her committee had spent a great deal of time and thought on this work, and the results should make future meetings interesting and informative.

The president announced the World Day of Prayer meetings, to be held in St. Paul's United Church on Feb. 25. The time for the evening department is 8.00 o'clock.

After the offering was received and dedicated, the hymn "Take up Thy Cross" was sung and followed by the Mizpah Benediction. The hostess, assisted by Mrs. Elliott and Mrs. Brynkus served dainty refreshments and the social hour was enjoyed by all.

Valentine Carnival Is Quite Successful

You could have your palm read, buy a pie, throw a dart at a balloon or try your luck in the fish pond, all under the same roof on Saturday, Feb. 12, if you visited the annual "Valentine Carnival" sponsored by the Junior Auxiliary and the Girls' Auxiliary of Grace Anglican Church.

More than 100 adults and youngsters turned out for an afternoon of fun and games organized by Junior Auxiliary leader Margaret Pevtress and Girls' Auxiliary leader Mrs. Larry Smith. Other adults assisting included Mrs. Gilbert, Bonnie McDougall, Mrs. Eva Wilson, Bob Pevtress, Anne Fraser and Jenny Ferguson.

It was reported the carnival was one of the most successful ever and all youngsters seemed to enjoy the various games including the fish pond, dart game and fortune telling booth.

A small suitcase, one of the door prizes was won by Linda Smith and a "jeep racer" was won by Mrs. Ethel Edison.

Proceeds from the carnival go towards the Junior and Girls' Auxiliary and mission work.

REMOVES VITAMINS
 Vegetables and fruit should be washed, but never allowed to soak for a long time. Too much water in cleansing or cooking can remove or destroy much of the valuable mineral or vitamin content.

DIAL ZERO
 Children can't be expected to remember phone numbers. But you can teach them one rule: dial zero; tell the lady what is wrong and she will help you. Be sure they know their home address. Telephone operators, trained to handle emergencies, may save your child's life in an emergency. So teach your child to dial zero.

Institute "Safety First" Program Emphasizes Accident Prevention

The February meeting of the Nassagaweya Women's Institute was held at the home of Mrs. M. Fraser of Moffat on Wednesday, February 16. In spite of the stormy evening, there was a good attendance of members and several visitors. The president, Mrs. Fred Edwards, conducted the meeting which opened with the Ode and Mary Stewart Concert. The roll call was answered by "What to do in an Emergency". Several items of business were dealt with. The president made a request for volunteers to help with the TB survey in this locality. The secretary, Mrs. J. Henry,

read a letter from the Halton Musical Festival, requesting a contribution and giving dates. A motion was passed to send the usual contribution. The matter of sending a representative to the Officer's Conference in Guelph was discussed. Some of the group had been able to attend the luncheon in Georgetown the previous day to celebrate the 40th anniversary of the Ashgrove Women's Institute. Mrs. W. Freeman gave a full report of the luncheon and program which followed at which Miss Ethel Chapman was the guest speaker.

The meeting was then turned over to the program conveners, Mrs. M. Amos and Mrs. Heist. The theme was "Safety" and Mrs. Heist opened with a well written paper on Safety First. Mrs. Amos had as guest speaker Mrs. Joan Law who outlined the hazards at home and abroad. Carelessness in both places is a basic cause of accidents. We tend to become careless every day with things such as heat lamps in buildings, unsafe ladders and stairways and electrical equipment. So many accidents might never happen with an ounce of prevention and a sensible amount of care and caution.

OFF TO YUGOSLAVIA

Readers who recall the Holsteins - to - France experimental trade crusade airlift that involved the district farm of Jim Carney, will be interested to learn the Department of Trade and Commerce is presently rounding up 20 head of Holsteins for a junket to Yugoslavia this spring. It will be the first time Canadian cattle have been shown at a fair in an iron curtain country, though Canada has exported cattle there.

The government was satisfied with last fall's France trip for 20 Holsteins, and several French Cattlemen have come to Canada looking for prime stock as a result of the exhibition. The last shipment was assembled at the Carney farm.

Institute Admires Scrapbook Hears Church Restoration Story

Mrs. A. Watson, John St., Milton, was hostess on Wednesday afternoon of last week to the members of the Mountain Union Women's Institute for their February meeting. Twenty-four members were present and Mrs. Gordon McIntosh was a welcome guest. Mrs. F. Harbottle, president, was in the chair and in the absence of secretary-treasurer, Mrs. A. Clements, Mrs. Velma Norris substituted.

It is in process of being a beautiful record, well illustrated. The roll call, "What I would like to preserve for the future", brought forth some interesting suggestions of practical and moral values. Mrs. Norris contributed an interesting paper on the history, restoration, and beauty of St. John's Church at Belwood, Ont. Much sage advice and humor marked a poem recited by Mrs. A. G. McNabb. A pleasing incident was the presentation from six members of the recital "Hats For You" course of a small gift to Mrs. Readhead and Mrs. N. Langton, in appreciation of leadership and happy times.

Several concerns drew attention to the annual meeting to be held in April and to the Officers' Convention of Women's Institutes of May 4 and 5 at Guelph University. The date of the regular Institute Meeting in March, was moved forward one day to March 15.

Varied reports were given by conveners of standing committees on history, education, agriculture and safety by Mrs. G. Gastle, Mrs. W. Dales, Mrs. H. Wilson. A pamphlet distributed on safety measures in the home was a handy reminder for housewives to pin up. Mrs. L. Dixon, curator, brought the Institute's Tweedsmuir Scrap Book to the meet-

Mrs. H. Richardson, courtesy convener, thanked the various members taking part in the enjoyable meeting. Lunch conveners served a refreshing cup of tea, following adjournment.
