

A FIRE WAS MORE NUISANCE than expense on Highway 401 Wednesday afternoon of last week, when two tires on a tractortrailer float blew out, catching fire and setting fire to two other 1400 x 24 inch tires. Driver Tom Fleiger of Brocklesby Transport said the tires blew simultaneously as he drove east along the highway near the Fifth Line Oakville. The problem was that the float was carrying a large steam-powered crane which had to be removed to replace the tires. Milton firefighter Pete Dyer is shown hosing down the tire.
