

40 children enjoy "mystery tour" visit Pepsi plant, museum, TV show

By Mrs. James Hamilton
A very enjoyable evening was spent recently at the home of Mr. and Mrs. Douglas McCallum gathered to bid farewell to Mr. and Mrs. John McCarron, who have sold their home and will be moving to their new abode in Milton the first of September. They plan to spend the summer months in Northern Ontario. The evening was spent playing cards and dancing.

Following the entertainment the honored couple were presented with a lovely electric wall clock. Both Mr. and Mrs. McCarron extended their sincere thanks to all for the lovely gift and invited everyone to come and visit them in their new home. Lunch was served by the hostess.

On Thursday morning, June 30 a bus load of 40 children and five adults left Hornby United Church at 9 a.m. for a mystery tour and Sunday School picnic at Kitchener. The trip was supervised by the Superintendent of the Sunday School, Mrs. Laura Marchment.

The first stop was at the Woodside National Historic Park Museum which was the home of the former William Lyon Mackenzie King who was Prime Minister for 22 years. Their next stop was at the Victoria Park where everyone enjoyed a delicious picnic dinner.

In the afternoon they toured the Kitchener Beverages where Pepsi Cola is manufactured. Here they were shown how the bottles were washed and also how the machine with the Magic Eye could pick out a bottle with a small speck of dirt or a chip of glass out of the bottle. Everyone was treated to a glass of Pepsi plus a pencil.

The highlight of the day was a visit to the Big Al show on Channel 13. Here they were treated to a birthday party for those who were celebrating birthdays in July. The honored guests who had birthdays were Debbie Neelands, Murray Grexton, Glen Gillis and Mark Patchett. They held a draw for the birthday cake and Mark Patchett was the lucky winner.

Bradley Gillis and Tommy Marchment acted as guards who raised the flag when Big Al arrived. Debbie Trimble and Betty Marchment were chosen as the Candy Cane Girls who passed candy in little wicker baskets to all the guests. Four of the girls received sun glasses and four of the boys disk games for entering in a game called "Change of Clothes".

Popcorn and cheesies were passed out to the children on their trip home. This was donated by Jack's Cheesie Co. of Kitchener.

The children returned home tired but excited about the wonderful day they had in Kitchener.
