

ONE SURE WAY TO GET KILLED or at least seriously disabled is to inspect or work on hydraulically assisted farm equipment without setting props under the raised portions. Murray Harris shows what NOT to do as he works on a swath-

er on his father's farm. Generations of strenuous work can be lost in five minutes' foolishness. July 24 to July 20 is Farm Safety Week and every farmer should set out a safety policy that he will use all year around.

Stewart, Minister of Ag- ing the farm a safer place to riculture and Food.

"As a result of the Ontario Department of Agriculture and Food's Farm Accident Survey in 1955-60, and the partial surveys undertaken by ten counties during the past three years, it is evident that there are far too many accidents on the farm today", Mr. Stewart pointed out. "Therefore, County and District Farm Safety Councils have been organized to work in co-operation with the Farm Safety Council of Ontario and the Department of Agriculture and Food. Their work is reflected in the re-

Young People conduct service

On Sunday, July 17, the service of Ebenezer United Church was conducted by the Young Peoples. Three of the Young People, Albert Blom, Walter Blom and Susan Ward, undertook the entire worship service. Albert, president of the Y.P.U., performed the opening of the service with the call to worship and the Invocation; Sue conducted the responsive reading. The Scripture, read by Albert was taken from Genesis Chap-

In place of an anthem by the choir Albert and Sue read a very interesting poem entitled "God's Autograph"

considered very educational for and the three-fold amen.

Margaret Hunter, daughter of Mr. and Mrs. Albert G. Hunter, R.R. 1 Burlington. Marg has recently graduated from the twoyear Home Economics Course at Kemptville Agricultural School, and is now employed a dietitian with the Canadian National Institute for the Blind, in Toronto. In addition to being Halton's 1965 and 1966 Dairy Princess, Marg has completed 17 4-H Agricultural Clubs, and is this year president of the Palermo Junior Institute. She lives on the home farm, with two sisters, Lois and Janet, who are also very active 4-H club members.

On their last evening in Manitoba the Ontario 4-H members will be guests of the Manitoba 4-H Club Council, at a special Jamboree being held at Carman, Manitoba. The 4-H Club members in Southwestern Ontario had the privilege of hosting a similar group of 4-H members from Manitoba last summer.

County 4-Hers Halton County's representative for this Centennial Trip is COD Trophles

Awards night to be held later On Wednesday of last week 50 this fall: 4-H Agricultural Club members High Novice Judging — C.N.E. from Halton County took part Trophy, Donald McClure; Dairy in the Livestock Judging Competition which is held annually
