Employment high despite shutdowns

Employment continued at a fairly steady pace during July despite vacation shutdowns at a number of plants in the Oakvilleand Milton areas. The total placements for the first seven months of 1966 shows an increase of four percent as compared to the same period in 1965, the Oakville-Milton office of the National Employment Service

reports.
Skilled men are in short supply in practically every trade. Power-shear operators, brakemachine operators, cabinetmakers, steel lay-out men, qualified Class A and B welders, pipefitters and instrument repairmen are very scarce.

Today more than 300 students have found work for the summer through the National Employment Service, while many more are still hopeful of some employment before school op-

ens next month. "Employers who are still looking for temporary staff should immediately contact the Local NES Office at 845-3891, so that we may continue to assist these young people to earn some money to further their education", stated the Manager, Miss E. L.

Hartwell. At the present time a recruitment program is underway, and unemployed persons interested in Machine Shop Practice, Typing, Stenography, 'Homemakers' Service and any basic upgrading from Grades seven to 12 should immediately register as it is anticipated these courses will be commencing in September.

OBITUARY

Bob Early

Once described as "one of the finest baseball pitchers to come from Halton County," Robert John "Bob" Early of Campbellville died in St. Joseph's Hospital, July 25. For several years he starred with the Campbellville ball club.

Mr. Early had been in the hospital for less than a week at the time of his death.

He was born October 1, 1899, the son of the late John Early and the late Grace Border. December 25, 1918, he married Isobel Dredge, and they had two sons, Carl of Milton and Lloyd of Campbellville; and two daughters, Myrtle Lush of Burlington, and Anna of Campbellville.

Surviving are his wife, four children, and a sister Mabel, in Detroit.
