

Pee Wee team wins tournament, claims trophy third year in row

By Mrs. Cecil Patterson
 Congratulations to Omagh Pee Wee team on their victory on Saturday at Hornby Park at the tournament. Seven teams were in the playoffs. Omagh beat Glen Williams by a score of 4-1. The second game was with Killbride and Omagh won 9-1. The third game, played under the lights, was with their close friends, the neighbor team from Drumquin. Both teams played hard for the beautiful championship trophy and Omagh were the victors, score 18-6.

A happy, but tired team accepted the Dales Farm Equipment trophy. This, by the way, is the third year in a row for Omagh Pee Wees to be champions and receive the award. Steve Trencs, secretary of the Halton Rural League, made the presentation.

Coach Dave Laurence and manager **Bob Laurence** have spent many hours with their boys and it has paid off. Appreciation is expressed to the several fathers of players who were always ready to assist.

Members of the team were Wayne Ellis, Maurice Curtis, Bob Sargeant, Cameron Cherkas, Tom Dixon, Jeff Babb, Jim Beck, Howard Gill, Alex Dorst, Cecil Patterson, Wayne Lawrence, Murray Lawrence, Sonny Ferrier and Randy James. All members of the team deserve credit for their success but stand-out players were the pitcher, Maurice Curtis and Tom Dixon. Tom had four home runs in the three games played, two were with loaded bases.

Due to a misunderstanding of the rules by Glen Williams team, the officials had the last three innings of the game between the Glen and Omagh played a second time. The result was Omagh were the winners.

A barbecue and picnic supper prepared by several of the parents for the Omagh group was much enjoyed by all present.

At the conclusion each member of the Omagh team received the championship crest for 1966. Omagh Pee Wees play Killbride on August 30 in the Ontario Rural series. Good luck boys. Parents and friends are urged to come out and cheer the team to success. They need moral and financial aid as well.

Mr. and Mrs. John Savers and children Kimberley, Joanne and Mary Lyn of Cold Lake, Alberta,

spent last weekend with their friends Mrs. T. Snow and family. Congratulations and best wishes to Mr. and Mrs. Henry Devlin, newlyweds on Saturday, August 27. Prior to their marriage they were honored by their friends at many showers and special events. They will take up residence on the Third Line.

We are sorry to learn that Brenda Laurence is sporting a cast on her right foot. She had the misfortune to crack a bone in her heel in an accident on a swing on August 16. We hope she is feeling better for the opening of school Sept. 6.

Friends in this community were sorry to learn of the passing of Neil, 14-year-old son of Mr. and Mrs. Bruce MacNab of Milton. Our heartfelt sympathy goes to them and their family in their sorrow.

Passersby were amazed to see the driver climb out of a truck owned by Milton Co-Op which had its four wheels in the air, upside down in a ditch following an accident Monday, August 29 on the Fourth Line below Omagh. The truck, badly damaged, had been loaded with new grain. The driver was apparently uninjured. Cause of the accident is not known.

Tom Hutchinson and Richard Mellor from the Third Georgetown Scout Troop left home Monday morning and travelled by map and compass to qualify for the "First Class Scout Badge". They camped Monday night on the farm of Fred Ammes on the Third Line and returned to Georgetown Tuesday.

Many from this district attended the Loblaw's Cooking School last week and greatly enjoyed the program. A large number were lucky to have their cards drawn for bags of groceries or food prepared by Mrs. Rogers. Congratulations to Mrs. Gordon Robinson on having her card drawn for the main prize. She chose a Kelvinator refrigerator donated by Halton Co-Op.

Little Sharon McEachern, chosen from the audience to pull the lucky ticket, received lollipops and money for her work. Sharon is the young daughter of R. McEachern, Manager of Milton's Loblaw's Store and it was a coincidence that she was selected from the many youngsters present.

Congratulations to Mr. and Mrs. Jack Jarvis in the arrival of the second daughter.

A number from this area attended the funeral of the late Frank McKerr on Saturday. Sincere sympathy to his wife, the former Ileen McKinnon, and the son and daughter in their sorrow, the loss of a husband and father.

Congratulations to Mr. and Mrs. Ron Barry, Fifth Line, on the birth of their daughter recently in Milton Hospital.

Friends will be pleased to know that Allan Kiernan is doing nicely and will be convalescing at his home on his return Tuesday from Milton Hospital.

A corn and wiener roast was held at the home of Cecil Patterson Jr. for his friend Danny Green, who is leaving shortly for Saudi Arabia with his family. Ten young friends attended the farewell and enjoyed baseball, games and marshmallow toasts around a bonfire.

Those attending were Drew Milligan, Johnny Patterson, Gary Patterson, Pete Leriche, Timmy Leriche, Randy Patch, Cecil Patterson and Timmy Green.

Danny and Timmy Green, pupils of Percy Merry School, will be missed by their playmates.

Miss Mildred Ried returned home last week from France where she has been for the past three years. Miss Ried has been teaching in that country and will continue in that work, having been employed by the Kitchener Board of Education. Mildred and her family resided in this district a few years ago and were active in the community activities.

Happy birthday to young friends, Davle Cordingly, 9 on August 26; Donald McMurter, 13 on Aug. 30; Laverne Baile, 8 on Aug. 29; Monica Lukeuski, 9 on Aug. 29; Wendy Murray, 10 on Aug. 30; Tommy Marchment, 8 on Aug. 25; Randy Finnie, 5 on Aug. 24; Susan Lawrence, 7 on Aug. 22; Edward De Bocr Sr., August 30; Gregory Hill, 13 on Sept. 1; Richard Rutledge, 15 on Sept. 2; Robert Colbeck, Sept. 5; Richard Cole, Sept. 1; Kathy Adamson, 9 on Sept. 1; Heather Baile, 8 on Sept. 3; Lorraine Myers, 7 on Sept. 2; and Steve Trencs on Sept. 4.

Congratulations to Mr. and Mrs. John Berry celebrating their 22nd wedding anniversary September 2.

Congratulations to Mr. and Mrs. Homer McCann, married 31 years on Sept. 7.

MRS. ELSIE CLAY ROGERS, internationally known home economist, was hostess to well over 1,500 Milton and area ladies and girls during the five-day Loblaw's Free Cooking School at Milton District High School last week. Mrs. Rogers sprinkled her talks with large doses of humor as she offered cooking hints designed to make meal time fun time for everyone. An estimated 400 turned out for the opening night of the school last Monday. Crowds for Tuesday, Wednesday, Thursday and Friday afternoons ranged from 300 to 360. The school was co-sponsored by Halton Co-Op Supplies. Prizes and prize winners included Mrs. Millie Robinson of R.R. 4 Milton, who won the new Kelvinator refrigerator. Other prize winners were Miss A. Buckley of 399 Maplewood Crescent; Mrs. Ruby Hall of R.R. 1, Milton; N. R. Norris of 47 Bronte St.; Mrs. Myrtle Heer of R.R. 3 Milton; Mrs. S. Lyons of 335 Bell St.; and Mrs. E. Serafini of 128 Court St. Prizes included a G.E. electric kettle, West Bend Teflon fry pan, Universal coffee percolator, G.E. mix set, Westclox clock and a G.E. toaster. Loblaw's also donated a bag of groceries each day.

Advisory board established for Halton, Peel Trust firm

Establishment of a north Halton advisory board for Halton and Peel Trust and Savings was announced this week by O. E. Manning. The advisory board will be concerned with the operation of the Milton office and the new Georgetown office due to open shortly.

Named to the Board are John Armstrong, Georgetown; J. M. Ledwith, Milton; John Gov. Acton; Reford Gardhouse, Milton, and Maurice Beaty, Milton. The Board will also be involved in business development in

the north Halton area, Mr. Manning indicated.

Burning Rectal Itch Relieved In Minutes

Exclusive Healing Substance Relieves Pain As It Shrinks Hemorrhoids.

If you want satisfactory relief from "Itching Piles"—here's good news. A renowned research laboratory has found a unique healing substance that promptly relieves the burning itch and pain—actually shrinks hemorrhoids. This substance has been shown to produce a most effective rate of healing. Its germ-killing properties also help prevent infection.

In case after case "very striking improvement" was noted, even among cases of long standing. And this improvement was maintained over a period of months!

This was accomplished by a new healing substance (Bio-Dyne)—which quickly helps heal injured cells and stimulate growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation "H". Ask for it at all drug stores—satisfaction or money refunded.

You'll want to take plenty
